Alphas Cult:

Alpha's Cult Essdale Wilson, 2003-01-16 When Megan Morgan's world falls apart she turns to a group for support and life answers. As with most groups the described group structure looks good on paper but she is unable to foresee the antagonism those who have designs on her and a woman who falls in love with her. She is convinced that she can meet the physical demands and cope with problems of adjustment but the diversification of personalities and desires create a constantly challenging existence where murder competition and love tax her limits and moral foundation. **Mated To The Big Bad Alpha** Authoress Hossy, 2024-09-10 Imagine being sent to kill the most unkillable man in the underworld. The Big Bad Alpha. If you fail he kills you without mercy. And everyone else who ever tried has failed. So how can you, a lone female assassin, take down this monster? Against all odds you decide to try. But when you get there BOOM! The deadliest Alpha alive is your mate. Wayne Knight stepped into the room and Olive's heart pounded loudly. He was the most powerful Alpha in the country and she had been sent to assassinate him. But she failed and was caught, which meant no mercy. He would kill her mercilessly, ruthlessly. So why did she love the scent of him from the moment he stepped into the room? Why did she love the way his gaze lingered on her despite her fear? And why hadn't he broken eye contact since he entered? He took a step closer and she whimpered, shifting back in fear. His muscles tensed with anger as he turned and stormed out of the room, slamming the door behind him. Olive's heart raced as she curled into a ball. Wayne Knight was terrifying, but why did part of her wish he was still staring at her? Olive tried to calm herself but her wolf was still on high alert, savoring Wayne's scent. What was wrong with her furry companion? Her wolf growled the answer to her questions. Mate. Book 1 in the Series. **The Alpha's Bounty** Luna Wilder, She's my bounty but I'll risk everything to keep her. Mina. I ran from my past. From the people who hurt me. From a system that never once protected me. I missed my court date and now there's a bounty on my head. I never expected a bounty hunter to track me down so fast. Or for him to be the most dangerously handsome man I've ever met. Cyrus is relentless, intimidating, and completely unreadable. But the moment our eyes meet something shifts. He's not just here to bring me in; he's something else. Something more. And the way he looks at me makes me wonder if running might finally be over for me. Cyrus. Each of the Alphas has a responsibility, and mine is cracking down on crime. That means that I hunt fugitives for a living. Bring them in. Collect the reward. Move on. That was the plan until I found her. Mina. The moment I see her I know the truth. She's mine. My fated mate. But she's also my job. If I turn her in I lose her. If I don't I could lose everything else. Now I have a choice to make. And it's not much of a choice at all. *THE ALPHA'S MATE AWAKENING* Karoliina Mattila, From the moment Dove stepped foot into the Sanctuary a profound bond formed between us. Though not bound by the traditional mating link, my wolf instinctively recognizes her as part of our pack. Yet my desire to claim her as my own transcends mere instinct; it feels like fate itself has woven us together. Despite the doubts of my pack brethren, I am resolute in my determination to shield her from both their judgment and the relentless pursuit of hunters. As Dove and I grow closer, previously hidden facets of our

shared history begin to emerge unveiling a tangled web of secrets and dangers We soon realize that we have been unwitting pawns in a larger game manipulated by unseen forces To triumph over our adversaries we must unite our strengths but before that I must help Dove heal from the wounds inflicted upon her psyche Together we embark on a journey of self discovery and redemption confronting the shadows of our past while forging a future built on trust and mutual protection Our bond forged in the crucible of adversity becomes our greatest weapon against those who seek to tear us apart *The Alpha king's Cursed heirs* RUBY YURI,2025-06-12 She ran to protect their child He ruled the night never knowing he had an heir Now the secret is out and war is coming Seraphina Valdris thought she'd buried the past along with her love for Kael Blackthorne the ruthless Alpha King cursed to destroy everyone he loves When their forbidden romance ended in betrayal and blood she fled with a secret she was pregnant with his child Six years later that child Lia is a powerful hybrid of dragon and werewolf prophesied to either unite or annihilate the supernatural world Kael's world is unraveling Business empires are crumbling enemies are closing in and whispers of a child born of dragon fire and wolf blood reach his court When Seraphina reappears at his door with the daughter he never knew existed he must face the truth and the deadly forces hunting them both Witches dragons werewolf factions and ancient curses converge Everyone wants the child Some want to protect her Others want to use her And some want her dead But how can Kael protect his heir when he's still haunted by the curse that cost him everything Fans of rejected mate second chance romances secret baby twists fated mates and alpha billionaires with tortured pasts won't be able to put this down Will Kael break the curse and reclaim his family or will fate take his daughter from him before he ever truly knows her What if the most dangerous creature in the world is the one calling him Daddy

The Alpha Males George Buford,2002-09-05 Along the rivers of Central West Africa tales of lost treasure are as common as mosquitoes so when Charlie Gordon and Nick Nikkamba hear yet another story they're skeptical This story however seems a little more probable Vic Rice an American diamond merchant tells Charlie and Nick that during World War II a plane carrying a load of diamonds to finance the war effort was flying north from South Africa when it crashed into an area of dense jungle Rice hires Charlie and Nick to guide him through the area where the plane is most likely to be A complication is that Cavelli an American gangster is also looking for the diamonds and has hired two mercenaries Mason and Piper to guide him Charlie Nick and Rice learn that these men are watching them and so make an escape by riverboat on their way to the jungle But Cavelli and Piper led by the homicidal Mason are in close pursuit Law enforcement outside the cities in this country is the responsibility of the Patrol Service and Captain Jolo and Sergeant Amed are in charge of the local branch They learn what's going on and so with two of their men take off in pursuit of the first two groups As they make their way through the jungle Rice proves to be a fast learner who accepts the hardships without complaining a trait that makes a good impression on Charlie and Nick Cavelli by contrast is a whiner who complains about everything leading the ill tempered Mason to be on the verge of killing him Jolo and his men all tough veterans are tailing the other two groups When they finally

locate the plane it leads to a shootout between the three groups that has surprising results Even more surprising is what they find inside the plane
