## ALTAI HIMALAYA

By NICHOLAS ROERICH

*Nicholas Roerich, world renowned Russian artist, painter, poet, author, and traveler, has written this book through the mystical lands of India, Tibet, China, Persia, and Siberia.*

Roerich has for thirty-five years been one of the greatest figures in continental art and culture. Nicholas Roerich came to America in 1910 at the invitation of the Chicago Art Institute, which arranged a tour of two hundred of the artist's paintings through twenty-eight cities of America. His influence in America is shown by the location of the Roerich Museum in New York City, a veritable shrine of this master's work, holding 75 of his paintings. In addition, more than two of his paintings are in the leading museums and art collections of the world.

In his diary he sets down each moment of the journey as he lives it. He writes down his thoughts and impressions much as an artist would take quick sketches. He notes all manner of men, rocks and trees, high and low. He travels in the famous Palace of the Dalai Lama, visits ancient monasteries, discovers new pilgrims and monks and discovers signs of a new awakening and a testimony of ancient prophecies. He tells of old manuscripts and traditions, referring to the time of Christendom, when first these same paths and preached in those same places of Gandhara and Buddha, and other great teachers and prophets of hardships, blood, suffering, pelting storms, by storms, dust, death, poverty, but through it all he feels that there is a hope for a new unity of East and West.

Illustrations by Clarence Swenson. With many illustrations and an outline map.
