

Alte Nationalgalerie Berlin

Nina Amstutz

Alte Nationalgalerie Berlin:

The Alte Nationalgalerie, Berlin Claude Keisch, 2005 *Die Alte Nationalgalerie Berlin* Claude Keisch, 2005 *Die Alte Nationalgalerie* Alte Nationalgalerie (Germany), 2003 **Max Liebermann** Dr Marion Deshmukh, 2015-10-28 This is the first English language examination of the German impressionist painter Max Liebermann whose long life and career spanned nine decades Through a close reading of key paintings and a discussion of his many cultural networks across Germany and throughout Europe this study by Marion F Deshmukh illuminates Liebermann's importance as a pioneer of German modernism *National Galleries* Simon Knell, 2016-01-22 Are national galleries different from other kinds of art gallery or museum What value is there for the nation in a collection of international masterpieces How are national galleries involved in the construction national art National Galleries is the first book to undertake a panoramic view of a type of national institution which are sometimes called national museums of fine art that is now found in almost every nation on earth Adopting a richly illustrated globally inclusive comparative view Simon Knell argues that national galleries should not be understood as great galleries but as peculiar sites where art is made to perform in acts of nation building A book that fundamentally rewrites the history of these institutions and encourages the reader to dispense with elitist views of their worth Knell reveals an unseen geography and a rich complexity of performance He considers the ways the national galleries entangle art and nation and the differing trajectories and purposes of international and national art Exploring galleries artists and artworks from around the world National Galleries is an argument about how we think about and study these institutions Privileging the situatedness of each national gallery performance and valuing localism over universalism Knell looks particularly at how national art is constructed and represented He ends with examples that show the mutability of national art and by questioning the necessity of art nationalism **Katalog der Königlichen National-Galerie zu Berlin** Max Jordan, Alte Nationalgalerie (Berlin), 1883 *Alte Nationalgalerie Berlin* Bernhard Maaz, 1996 *Die Natur- und Kulturwunder der Welt* Christina Langner, 2006 **Manet and Modern Beauty** Gloria Groom, 2019-06-25 This stunning examination of the last years of douard Manet's life and career is the first book to explore the transformation of his style and subject matter in the 1870s and early 1880s The name Manet often evokes the provocative heroically scaled pictures he painted in the 1860s for the Salon but in the late 1870s and early 1880s the artist produced quite a different body of work stylish portraits of actresses and demimondaines luscious still lifes delicate pastels intimate watercolors and impressionistic scenes of suburban gardens and Parisian caf's Often dismissed as too pretty and superficial by critics these later works reflect Manet's elegant social world propose a radical new alignment of modern art with fashionable femininity and record the artist's unapologetic embrace of beauty and visual pleasure in the face of death Featuring nearly three hundred illustrations and nine fascinating essays by established and emerging Manet specialists a technical analysis of the late Salon painting Jeanne Spring a selection of the artist's correspondence a chronology and more Manet and Modern Beauty brings a

diverse range of approaches to bear on a little studied area of this major artist's oeuvre **Art in Europe** Victoria Charles, 2014-06-12 The European continent gathers together without a doubt the most famous works of art evidence of the history of Western art The cultural capitals and their emblematic museums contain paintings sculptures or rather works of art devised by the great artists representative of European culture From Madrid to London passing through Prague the major works of the old continent are presented here Thanks to detailed information about the museums and their collections you too can explore and discover Europe's fascinating cultural heritage **Alte Nationalgalerie Berlin** Nationalgalerie (Germany : East), 1997 One of the most important collections of 19th century painting and sculpture Caspar David Friedrich ausstellen Klara von Lindern, 2024-06-04 2024 marks the 250th anniversary of Caspar David Friedrich's birth His international fame was determined to a great extent by three major retrospective exhibitions held in London Hamburg and Dresden in the 1970s This book examines their role for the artist's reception and for the shaping of Romanticism as a cultural concept as well as describing them within the broader political contexts of their time In addition it presents archive material that has received little or no attention within the existing research on Friedrich and his artistic oeuvre The book argues that exhibitions being shaped by complex negotiation processes are a medium that should be included in a critical history of knowledge **Caspar David Friedrich** Nina Amstutz, 2020-01-01 A revelatory look at how the mature work of Caspar David Friedrich engaged with concurrent developments in natural science and philosophy Best known for his atmospheric landscapes featuring contemplative figures silhouetted against night skies and morning mists Caspar David Friedrich 1774 1840 came of age alongside a German Romantic philosophical movement that saw nature as an organic and interconnected whole The naturalists in his circle believed that observations about the animal vegetable and mineral kingdoms could lead to conclusions about human life Many of Friedrich's often overlooked later paintings reflect his engagement with these philosophical ideas through a focus on isolated shrubs trees and rocks Others revisit earlier compositions or iconographic motifs but subtly metamorphose the previously distinct human figures into the natural landscape In this revelatory book Nina Amstutz combines fresh visual analysis with broad interdisciplinary research to investigate the intersection of landscape painting self exploration and the life sciences in Friedrich's mature work Drawing connections between the artist's anthropomorphic landscape forms and contemporary discussions of biology anatomy morphology death and decomposition Amstutz brings Friedrich's work into the larger discourse surrounding art nature and life in the 19th century Max Liebermann and International Modernism Marion Deshmukh, Françoise Forster-Hahn, Barbara Gaehtgens, 2011-05 Although Max Liebermann 1847 1935 began his career as a realist painter depicting scenes of rural labor Dutch village life and the countryside by the turn of the century his paintings had evolved into colorful images of bourgeois life and leisure that critics associated with French impressionism During a time of increasing German nationalism his paintings and cultural politics sparked numerous aesthetic and political controversies His eminent career and his reputation intersected with the dramatic

and violent events of modern German history from the Empire to the Third Reich The Nazis persecution of modern and Jewish artists led to the obliteration of Liebermann from the narratives of modern art but this volume contributes to the recent wave of scholarly literature that works to recover his role and his oeuvre from an international perspective Die Nationalgalerie Nationalgalerie,2001 Betr u a Paul Klee **Berlin Inspired : a Young Tourists' Guide to Berlin** citytravelreview curso24,2009 Donatien Grau. Living Museums Donatien Grau,2020-07-15 As places to enjoy art as well as institutions that have become historic museums can also be examined through the question of who exactly heads up these temples of art What kinds of personalities have guided the fates of these large traditional institutions How have they done so and what has motivated them What galvanizes international curators or museum employees and how have they risen to the challenge of opening their organizations to increasingly large numbers of visitors Donatien Grau has conducted impressive conversations with influential museum operators We have him to thank for these personal art historical cultural political and timely insights into museum operations the histories of various institutions and their leaders very personal attitudes toward art This volume reads like a detective story about the mediation efforts of museums and the personal motives behind them Interviews with MICHEL LACLOTTE Director of the Louvre Paris 1987 1995 SIR ALAN BOWNESS Director of the Tate London 1980 1988 SIR TIMOTHY CLIFFORD Director of the National Galleries of Scotland Edinburgh 1984 2006 PHILIPPE DE MONTEBELLO Director of the Metropolitan Museum of Art New York 1977 2009 IRINA ANTONOVA Director of the Pushkin Museum Moscow 1961 2013 PETER KLAUS SCHUSTER General Director of the Staatliche Museen zu Berlin 1998 2008 SIR MARK JONES Director of the Victoria TOM KRENS Director of the Guggenheim Museum New York Venice and Bilbao 1988 2008 WILFRIED SEIPEL General Director of the Kunsthistorisches Museum Vienna 1998 2008 HENRI LOYRETTE Director of the Mus e d Orsay Paris 1994 2001 and the Louvre Paris 2001 2013 DONATIEN GRAU is a newspaper art critic a museum curator and a university teacher His lively and clever voice has a firm place in the field of art

Anthem Guide to the Art Galleries and Museums of Europe ,2009 *Amazing Art Adventures* Yolanda Zappaterra,2021-06-15 *Amazing Art Adventures* gathers together hundreds of exciting unexpected and memorable art experiences from around the world *Alte Nationalgalerie Berlin* Alte Nationalgalerie (Germany)„Bernhard Maaz,2012
