

To My Mother-In-Law Any Name Here

*Having a mother-in-law like you is a joy,
You're thoughtful, caring and dear,*

*Always so willing to give me a hand,
Able to comfort and to cheer...*

*Not many mother-in-laws would do all you've done
And that's something I'm grateful for.*

*Words can't describe what it means
To have a mother-in-law as special as you.
Love Always, Any Name Here*

Love And Friendship And Other Early Works (Love And Freindship) Jane Austen,2016-05-22 Jane Austen s Early Works are now a major film She was nothing more than a mere good tempered civil and obliging Young Woman as such we could scarcely dislike her she was only an Object of Contempt Jane Austen Love and Freindship Love and Freindship and Other Early Works is a collection of short epistolary stories initially meant to amuse Jane Austen s family Austen wrote these stories at the age of 14 and 15 and read them aloud to her family All the epistolary stories are satirical mocking the 18th century English society from the mushy love novels to the former kings and queens of England *The Running Flame* Fang Fang,2025-03-18 She knew that if she didn t say her piece that flame would never be extinguished even after death it would continue raging The Running Flame opens with its protagonist in prison awaiting execution desperate to give an account of her life Yingzhi a girl from the countryside sees opportunity in the liberal trends sweeping across China After high school she joins a song and dance troupe which allows her to travel and opens her eyes to new people and places But an unplanned pregnancy brings an abrupt end to all her youthful dreams Trapped in a bad marriage Yingzhi is driven to desperate measures and eventually a shocking act of violence Fang Fang s explosive short novel inspired widespread social debate in China upon its publication in 2001 In exploring the difficulties of one woman shackled by patriarchal tradition against the backdrop of radical social change The Running Flame bears witness to widespread experiences of gendered violence and

inequality Fang Fang evocatively captures both the heady feeling of possibility in China's roaring 1990s and its dark underside as economic reform unleashed social dislocation in towns and villages The novel draws loosely from interviews the author conducted with female death row inmates in a Chinese prison Equal parts social critique and domestic horror The Running Flame is a gripping propulsive narrative that shines a light on the struggles of poor women in China's countryside
