Always A Little Further:

Always a Little Further Alastair Borthwick, 2015-07-29 Alastair Borthwick's classic tale of camping hiking and climbing tells of the freedom and fellowship enjoyed by climbers in Scotland in the 1930s. His beautiful vivid descriptions of the landscape are only rivalled by his colourfully drawn highly entertaining cast of characters all of whom are passionate about the outdoors and their place within it. Borthwick takes his reader via road campsite and bothy from Arrochar to Glencoe from the Cuillin to Lairig Ghru. Encounters with tramps tinkers and hawkers and of hitching to Ben Nevis in a lorry full of dead sheep are all described in Borthwick's light hearted style. He weaves a hilarious tale aided by the eccentric folk he meets and this light hearted read continues to delight decades after it was first published. **Always A Little Further** is essential reading for any climber or indeed anyone who longs to be transported from the mundane day to day to the wilds of Scotland.

The Spiritual Vision of Frank Buchman Philip Boobbyer, 2015-06-29 The Spiritual Vision of Frank Buchman is an in depth look at the life spirituality and ideology of one of the most original figures in twentieth century religion. Frank Buchman 1878-1961 the Pennsylvania born initiator of the movement known as the Oxford Group and Moral Re-Armament was a Lutheran pastor who first had influence as a college evangelist and missionary with the YMCA. His thinking then evolved during the 1930s the Second World War and the early Cold War as he tried to develop a world philosophy that could offer an answer to war and materialism. His impact was particularly felt in the areas of conflict resolution between nations and interfaith dialogue and Alcoholics Anonymous also owed much to his methods. Philip Boobbyer's book is the first scholarly overview of Buchman's ideas and is an important addition to the growing corpus of academic literature on his worldwide outreach. Boobbyer shows how his work reflected broader processes in twentieth century religion and politics and can be seen as a spiritual response to an emerging global society.

Pilgrim's Inn Elizabeth Goudge, 2013-05-09 The War had left him a shattered man but its toll was not nearly so great as losing the love of his life. Few understand Elliot's anguish at losing Nadine. He came back from the War a shattered and lonely man. But his return to the Eliot family refuge on England's Hampshire coast is gradually pushing back the dark waters of soul and spirit. Nadine and her husband have settled with their children in a wonderful old inn not far away. Surrounded by a wild and mysterious wood the guesthouse seems to be able to mend minds and bodies. Pilgrims from the past and new ones now finding their way to this healing comforting oasis sweep readers into a story of intertwining destinies. Of love lost and love forever gained.

Weir's Way Tom Weir, 2015-06-12 From the Solway Firth in the south to Shetland in the north from remote St Kilda to the west to St Abbs in the east Tom Weir explores Scotland as a walker and climber and along the way introduces his readers to the range of wildlife and people living in the countryside and historical aspects of various places. To his vivid descriptive writing he adds memories of some absent friends and also retraces the path of Bonnie Prince Charlie on the run after Culloden.
