our brains it gives us new ways of understanding Alzheimer's disease and aging in America Boomer's Bust Randall Lee, 2013-12-06 Boomer's Bust is a story of one man's courageous battle with Alzheimer's disease. Despite his steadfast determination to beat its debilitating effects, he slowly loses his grip on reality and enters a surreal and abstract world. The reader is taken for an enthralling journey through the inner passages of his troubled mind. Incredibly, every 70 seconds a new case of dementia is diagnosed in North America. One in 11 seniors will develop it. And the demographic shift of the Baby Boomers generation has only just begun. Boomer's Bust is a gift of solace packaged in a heartfelt message to all of us.

Biostatistics For Dummies Monika Wahi, John C. Pezzullo, 2024-06-11 Break down biostatistics, make sense of complex concepts, and pass your class. If you're taking biostatistics, you may need or want a little extra assistance as you make your way through. Biostatistics For Dummies follows a typical biostatistics course at the college level, helping you understand even the most difficult concepts so you can get the grade you need. Start at the beginning by learning how to read and understand mathematical equations and conduct clinical research. Then use your knowledge to analyze and graph your data. This new edition includes more example problems with step-by-step walkthroughs on how to use statistical software to analyze large datasets. Biostatistics For Dummies is your go-to guide for making sense of it all. Review basic statistics and decode mathematical equations. Learn how to analyze and graph data from clinical research studies. Look for relationships with correlation and regression. Use software to properly analyze large datasets. Anyone studying in clinical science, public health, pharmaceutical sciences, chemistry, and epidemiology-related fields will want this book to get through that biostatistics course.
