Cradle Of Crime:

Purrs, Meows, and Crime Pasquale De Marco, 2025-04-14 *Purrs Meows and Crime* is a captivating collection of tales that delve into the intriguing world of cats and their involvement in the captivating realm of mystery and crime. This book is a testament to the enduring fascination with cats, their enigmatic nature, and their inexplicable ability to unravel the most perplexing of mysteries. Within these pages, you will encounter a captivating array of characters, both human and feline. You will meet detectives who rely on their feline companions to solve unsolvable cases, cats who possess extraordinary abilities, and villains who underestimate the power of these creatures. These stories are not mere tales of crime and detection; they are also poignant explorations of human nature, morality, and the complexities of the relationship between humans and animals. They remind us that even in the darkest of circumstances, there is always hope, and that sometimes the unlikely of heroes can emerge from the most unexpected of places. As you delve into these pages, you will embark on a journey through alleyways and mansions, city streets and countryside, witnessing cats as witnesses, suspects, and even sleuths in these compelling narratives. Each story is a testament to the unique bond between humans and felines, showcasing how these animals can both aid and hinder the course of justice. *Purrs Meows and Crime* is a celebration of the enduring fascination with cats, their enigmatic nature, and their inexplicable ability to unravel the knots of crime. It is a book that will entertain, enthrall, and perhaps even change your perspective on these mysterious creatures. So curl up with a cup of tea, find a cozy corner, and prepare to be captivated by *Purrs Meows and Crime*. Let these stories transport you to a world where cats hold the keys to justice, where the ordinary becomes extraordinary, and where the bonds of friendship and loyalty are tested in the face of adversity. Cradle of Crime John Buxton Hilton, 1991 Scotland Yard Inspector Kenworthy sifts through lies and family passions while investigating the suicide of Detective Sergeant Lawson's mother-in-law, whose suicide note cites Lawson as the reason for her loss of will to live.

Cradle of Crime Luellen Smiley, 2016-11-19 This eye-opening memoir, *Twenty Years in the Making*, chronicles Luellen Smiley's journey into her father's criminal past, beginning ten years after his death. Luellen is the daughter of the late Allen Smiley, Benjamin Bugsy Siegel's best friend and business partner for ten years. He was seated next to Bugsy the night he was murdered. Smiley's refusal to turn informant, despite an order of deportation and facing ten years in prison, earned Meyer Lansky's respect. The Mafia defended, financed, and protected Allen for the rest of his life. Luellen discounted her father's Mafia association until she was forty years old. Awakened by an identity meltdown, she cut through her silence and confronted her father's criminal activities. Discoveries derived from government surveillance records, newspaper articles, court testimony, classified FBI documents, interviews, and conversations with relatives, she begins to write this story. Luellen takes the reader along for the ride on her quest to understand her father's allegiance to the mob while also uncovering her own identity, a quest of humiliation, rage, shame, and acceptance.
