L. Liebler, 2008-02-01 A new collection from Detroit poet M L Liebler a unique voice in contemporary poetry Wide Awake in Someone Else s Dream is a collection of traveling poems written in Russia Israel Germany and China that take the reader on a contemplative journey through both the geography of these countries and their cultures as well as through the inward mind of the narrator As Liebler travels the world he wrestles with themes of self discovery spirituality identity and change and renders poems in his signature raw and defiant style Thoughtful and direct these poems look toward beauty and contemplation in a bitter world that has become fraught with mistrust and misunderstanding Wide Awake in Someone Else s Dream is divided into four sections the first three of which are set in specific locales Russia Germany and Jerusalem The final section is not limited to a single geographic location but still finds Liebler traveling through different lands and the resultant emotions of dislocation alienation and vulnerability that his surroundings provoke Throughout this collection Liebler s poems touch on issues of political upheaval exploitation and corruption and look at the personal and spiritual transformation left in their wake This ability to give readers a glimpse of a bleak global reality translated by a hopeful eye has earned Liebler s poems comparisons to the richly imagistic and spiritual work of George Trakl In all this collection is characterized by its calm and powerful voice which has a musical sensibility in its spare and straightforward presentation Fans of Liebler s work and general readers of poetry will enjoy Wide Awake in Someone Else s Dream **Wit, Humor, Reason, Rhetoric, Prose, Poetry and Story Woven into Eight Popular Lectures** George Washington Bain, 2022-09-16 In Wit Humor Reason Rhetoric Prose Poetry and Story Woven into Eight Popular Lectures George Washington Bain masterfully curates an engaging collection that transcends traditional lecture formats Each section blends wit and humor with astute observations offering a rich tapestry of rhetorical techniques Bain s style is both accessible and intellectually stimulating embodying the spirit of late 19th century popular oratory a time when public discourse was infused with poetic grandeur and moral inquiry Through these essays Bain invites readers to

Poetry Manuscripts at Harvard John Keats, Helen Vendler, 1990 After more than a century of study we know more about John Keats than we do about most writers of the past but we still cannot fully grasp the magical processes by which he created some of the most celebrated poems in all of English literature This volume containing 140 photographs of Keats's own manuscripts offers the most concrete evidence we have of the way in which his thoughts and feelings were transmuted into art The rough first drafts in particular are full of information about what occurred if not in Keats's mind at least on paper when he had pen in hand the headlong rush of ideas coming so fast that he had no time to punctuate or even form the letters of his words the stumbling places where he had to begin again several times before the words resumed their flow the efforts to integrate story character and theme with the formal requirements of rhyme and meter Each revision teaches the inquiring reader something about Keats's poetic practice Several of the manuscripts are unique authoritative sources while others constitute our best texts among multiple existing versions They reveal much about the maturation of the poet's creativity during four years of his brief life between *On Receiving a Curious Shell* 1815 and *To Autumn* 1819 Above all they show us what is lost when penmanship yields to the printed page what Helen Vendler in her insightful essay on the manuscripts calls the living hand of Keats These sharply reproduced facsimiles provide compelling visual evidence of a mortal author in the act of composing immortal works

John Keats and the Loss of Romantic Innocence Keith D. White, 2022-04-25 John Keats and the Loss of Romantic Innocence traces Keats's use of an Apollonian metaphor Of the nearly 150 works listed in Jack Stillinger's standard edition approximately half contain references to the god of nature and of art What emerges are three distinct phases in Keats's aesthetic development From his initial fondness for bower imagery and the pastoral voices of Spenser and Hunt to the Neo Platonism of his poems about art and imagination to his ultimate rejection of romantic idealism Keats and his Apollonian metaphor are rarely separated The poet's dismissal of romantic idealism is ultimately a rejection of Blake's God Coleridge's of Germanism Wordsworth's Nature Byron's Hellenism and Shelley's Supernaturalism The young poet dies aware of the excesses of his empirically oriented pleasant smotherings and idealistic realms of gold He accepts a world without Apollo and his entourage a world unembellished by art and other gilded cheats
