Love and Saint Augustine Hannah Arendt, 2014-12-10 The brilliant thinker who taught us about the banality of evil explores another brilliant thinker and his concept of love Hannah Arendt the author of *The Origins of Totalitarianism* and *The Human Condition* began her scholarly career with an exploration of Saint Augustine s concept of *caritas* or neighborly love written under the direction of Karl Jaspers and the influence of Martin Heidegger After her German academic life came to a halt in 1933 Arendt carried her dissertation into exile in France and years later took the same battered and stained copy to New York During the late 1950s and early 1960s as she was completing or reworking her most influential studies of political life Arendt was simultaneously annotating and revising her dissertation on Augustine amplifying its argument with terms and concepts she was using in her political works of the same period The dissertation became a bridge over which Arendt traveled back and forth between 1929 Heidelberg and 1960s New York carrying with her Augustine s question about the possibility of social life in an age of rapid political and moral change In *Love and Saint Augustine* political science professor Joanna Vecchiarelli Scott and philosophy professor Judith Chelius Stark make this important early work accessible for the first time Here is a completely corrected and revised English translation that incorporates Arendt s own substantial revisions and provides additional notes based on letters contracts and other documents as well as the recollections of Arendt s friends

and colleagues during her later years Both the dissertation and the accompanying essay are accessible to informed lay readers Scott and Stark s conclusions about the cohesive evolution of Arendt s thought are compelling but leave room for continuing discussion Library Journal A revelation Kirkus Reviews Good Morning Thoughts with Krista Krista Pack,2023-07-23 Good Morning My name is Krista Welcome to my lifestyle ebook I have discovered that praying blessings and speaking life over myself at the very start of my day have radically transformed my thoughts about myself about others and about God I have learned that changing my thoughts ultimately leads to a positive lifestyle transformation Over the next 28 days I m inviting you to join me to journey to a new lifestyle by starting each day with good thoughts Each day you will read a good thought related to one of seven topics pertaining to the day of the week Service Sunday Meditation Monday Transformation Tuesday Wellness Wednesday Thankful Thursday Fun Friday and Sabbath Saturday read more on p 4 At the end of a brief reading each day you will be given a lifestyle application with either reflection questions or action steps you can take to apply the thought to your life This ebook is best used over a period of 28 consecutive days Please utilize the calendar on Page 5 to write in the dates that you will read each thought Additionally this ebook was specifically designed to be a good MORNING thought Before you begin decide upon a time and location that you can set apart each morning for the next 28 days to complete this lifestyle ebook **How to Be Loved: What People Crave but Rarely Receive** Margaret Light,2025-05-21 How to Be Loved What People Crave but Rarely Receive is a transformative journey into the heart of human connection This powerful guide explores why so many long for love yet struggle to fully receive it Through deep reflection emotional healing and practical wisdom readers are led to confront their fears unlearn toxic patterns and open themselves to love that is safe mutual and lasting It reveals that being loved isn t about being perfect it s about becoming emotionally available rooted in self worth and courageous enough to be seen Real love isn t rare it just requires us to become ready for it

Fallgatter,2017-01-19 It is an interesting topic to discuss addiction and love in the context of reward In this e book we begin with an animal study of comparison between drug and natural reward Then some papers aim to understand the reward

system underlying behavioral addiction focusing on technology for example Internet addiction and mobile phone dependence The third part of this e book addresses the topic of love Considered as a whole this e book demonstrates that drug and behavioral addictions are frequently related with negative consequences while romantic love is related with a positive consequence That s why romantic love may be considered as a natural addiction We think that the notion of romantic love as a positive addiction may offer a new view for future research in the field DESIRE OR GUILT Lamiya Siraj,2022-10-11 His burning desires flowing with emotions led him to strive for anything beyond the ordinary The mission of enthusiastic passionate Ryan was to be successful and leave the middle class tag behind He was happily married to the girl of his dreams until Covid 19 happened and disaster took over His wife was a front line fighter during the pandemic He with work from home in the lockdown decided to join an online course to enhance his knowledge and skills and climb the ladder of success adding a feather to his resume But little did he know that despite being madly in love with his wife he would get attracted to his classmate during the course turning his life upside down Would she be His Lesson or His Forever Check it out for yourself This is a story about perfect people with imperfect situations Love's Mystery Solved Joseph A.
