

The background of the entire image is a photograph of a man with grey hair, seen from behind, wearing a blue long-sleeved shirt and dark trousers. He is standing on a wooden pier with a white railing, looking out over a vast blue sea under a bright blue sky with scattered white clouds. Two seagulls are flying in the sky, one on the left and one on the right. The title text is overlaid on the upper portion of the image.

Love Letters from the Black Sea Liana

Margiva, 2022-01-18 From a very early age Amelia was an avid reader In books she found what she lacked in her life love Having gobbled up a tremendous number of books Amelia started to write stories herself She was only thirteen when one of her stories was published in a local newspaper The payment she received for her publication was minuscule but it was enough to pay for a fancy dress which Amelia wore with great pride Excerpt From Liana Margiva Love Letters From The Black Sea *Trip To America* Liana Margiva, 2020-08-10 This night when the sky will be veiled by darkness which will swallow Earth I ll come to you not in person but in a dream when I m free as a bird I ll come to see you to please my heart regardless of the fact that my heart doesn t matter to you anymore because it loves you like it did when it still believed in your love This night when the world slips into peaceful sleep when the stars come out to replace the sun I ll come to you to please my eyes which still yearn to see you Put your arms around me kiss me in your dream and deceive my heart again as you did before Kiss my eyes to make them believe you re the one who you pretended to be The world without you is called loneliness and loneliness is soul pain yearning for you If just once I could visit you in a dream to awaken your sleeping heart to rekindle the fire that used to burn in it I would be lonely no more **Crazy** Liana Margiva, 2002-12-01 **Crazy** Benjamin Lebert, 2000
