Crazymaking Workplace:

The Crazy-making Workplace Archibald D. Hart,1993 **Dealing with the CrazyMakers in Your Life** David Hawkins,2007-02-01 Some of the most difficult people to deal with are those who fail to take responsibility for their lives and who wreak havoc in their relationships Author and relationship doctor David Hawkins offers help for those caught unavoidably in the craziness of a disordered person s life With clear explanations examples and real life solutions Hawkins shows readers how to develop healthy life skill tools and boundaries when why and how to confront a person who drives them crazy how disordered people think act and see the world Anyone trapped in another person s cycle of disorder will discover ways to change their own response perspective and communication and ultimately will find the hope of peace in the chaos

The Crazy Making Disease Christopher Bear Beam,2004-05-12 Racism has been called our nation s evil weed it has been a root of so many problems in our culture This book offers a suggestive hologram in which to solve this problem If we can address this fundamental systemic problem of racism we can surgically remove the main problem of ambiguous identity that is creating such havoc for us At the root of racism is a spiritual element that if investigated discovered and applied may reverse the dysfunctional conditioning factors that fragment our society The book invites the reader to look at some of the conditioners of racism and to uncover some semantic and spiritual strategies that will lead to racial healing It s the author s dream that this will help to create positive mental health around racism Transforming Daily Work into a Divine Vocation

Robert Banks,2022-12-12 During the last few decades there has been an increasing interest in the connection between our faith and our work along with the growth of resources and organizations to bring the two into dialogue Despite this most Christians continue to feel that their daily work is less valuable than that of pastors missionaries or full time workers in a religious organization In a fresh and practical way this book sets out the biblical historical and theological grounds for challenging this commonly felt view It includes a range of engaging personal case studies that demonstrate the profound effect integrating one s work up into one s faith can have relationally institutionally and societally as well as evangelistically pastorally and missionally Attention is also given to the increasingly addictive fragmented and precarious nature of work today and to how we can spiritually find our way to discerning and expressing our unique God given vocation The final section of the book considers whether any of our work has eternal value and retells a compelling parable of what this might look like *Psychopathy in the Workplace* Marie-Line Germain,2024-04-25 The onset of the pandemic has placed a greater emphasis on mental health with many organizations making it a business imperative to ensure that employees are fully supported Research on mental health in the workplace continues to grow though there is a dearth of scholarly writings taking a micro approach to understanding the impact of negative work environments This three book series explores issues related to personality disorders and work related suicides and the effect on employees and leaders This volume focuses on the harmful effects of psychopathy in the workplace The book is divided into three sections defining psychopathy identifying

it through its effects on workplace productivity and performance and understanding how that knowledge can limit its effect With chapter contributions from authors around the world this collection offers global perspectives on the harmful role that psychopathy can play in the workplace Tackling topics such as abusive supervision and workplace bullying this book will advance scholarship related to employee well being employee engagement and counterproductive workplace behaviors

Unmasking Male Depression Archibald D. Hart, 2000-12-31 Depression is a secret pain at the core of many men's lives and one that goes largely undiagnosed and untreated The consequences of not treating male depression are extremely serious Studies show that suicide is more common in men than women and that the male suicide rate is three times higher at midlife than at any other life stage In *Unmasking Male Depression* Dr Archibald Hart explores the many forms of depression and gives tools for coping with and healing depression in men Hart also examines the lives of Christian leaders who struggled with depression such as Charles Spurgeon Martin Luther and John Calvin to reveal the myths surrounding this illness *The Emotionally Healthy Church, Updated and Expanded Edition* Peter Scazzero, 2009-05-26 True Discipleship Integrates Emotional and Spiritual Health New Life Fellowship in Queens New York had it all powerful teaching dynamic ministries an impressive growth rate and a vision to do great works for God Things looked good but beneath the surface circumstances were more than just brewing They were about to boil over forcing Peter Scazzero to confront needs in his church and himself that went deeper than he'd ever imagined What he learned about the vital link between emotional health relational depth and spiritual maturity can shed new light on painful problems in your own church Here are refreshing new insights and a different and challenging slant on what it takes to lead your congregation to wholeness and maturity in Christ Our churches are in trouble says Scazzero They are filled with people who are unsure how to biblically integrate anger sadness and other emotions defensive incapable of revealing their weaknesses threatened by or intolerant of different viewpoints zealous about ministering at church but blind to their spouses loneliness at home so involved in serving that they fail to take care of themselves prone to withdraw from conflict rather than resolve it Sharing from New Life Fellowship's painful but liberating journey Scazzero reveals exactly how the truth can and does make people free not just superficially but deep down After offering a new vision of discipleship and a revealing guided self assessment of your own spiritual and emotional maturity *The Emotionally Healthy Church* takes you through six principles that can make a profound difference in your church You'll acquire knowledge and tools that can help you and others look beneath the surface of problems break the power of past wounds failures sins and circumstances live a life of brokenness and vulnerability recognize and honor personal limitations and boundaries embrace grief and loss make incarnation your model to love others Written in a personal and passionate style *The Emotionally Healthy Church* includes hands on tools discussion questions spotlights on key points and story after story of people at New Life whose lives have been changed by the concepts in this book Open these pages and find out how your church can turn a new corner on the road to spiritual maturity *Organizational Metaphors* Robert B. Huizinga, Debra J.

Dean,2020-05-29 This edited volume expands on Morgan s organizational metaphors through the lens of faith to illuminate organizational function Part I uses metaphor to illustrate dysfunctional organizations including the impact of dysfunction upon organizational trust performance and longevity Part II examines the progression from a dysfunctional organization to one that exhibits functionality Finally the last section discusses healthy organizations Metaphors used in this book include Pygmalion organizations organizational zombies and organizations as vineyards This book offers new metaphors that can be applied in organizational theory *Cracking Your Church's Culture Code* Samuel R. Chand,2010-09-14 Strategies for transforming a toxic church culture Why is it that the best strategic plans and good leadership often are not able to move churches in the desired direction Sam Chand contends that toxic culture is to blame Quite often leaders don t sense the toxicity but it poisons their relationships and derails their vision This work describes five easily identifiable categories of church culture inspiring accepting stagnant discouraging toxic with diagnostic descriptions in the book and a separate online assessment tool The reader will be able to identify strengths and needs of their church s culture and then apply practical strategies communication control and authority selection and placement of personnel etc to make their church s culture more positive Discusses how to diagnose the state of a church s culture Reveals what it takes to put in place effective strategies for creating a more positive church culture Author served on the board of EQUIP Dr John Maxwell s Ministry equipping five million leaders world wide This important book offers a clear guide for understanding and recreating a healthy church culture **Letters to Young Scholars, Second Edition** William Carey Ringenberg,2018-04-05 Letters to Young Scholars is designed primarily for college students advanced high school students and church and parachurch study groups on spiritual development As a college text the book introduces beginning students to the general education or liberal arts portion of a Christian college education It gives major emphasis to the humanities and social science disciplines the integration of the Christian faith with those disciplines and the application of Christian thought to daily living applied Christianity It seeks to challenge the students to become broader in perspective and appreciation more compassionate toward all of God s creatures and more confident and committed as they develop their worldviews and personal values **The Dysfunctional Workplace** Seth Allcorn,Howard F. Stein,2016-02-16 This book explores an aspect of organizational life that is at times difficult to acknowledge and often painful to recall Stories invite reflection and the development of greater understanding of organizational dynamics This fresh scholarship provides a theoretical framework for discussion Throughout this book Allcorn and Stein utilize a psychoanalytically informed perspective to help readers understand why a leader colleague or friend behaves in ways that are destructive of others and the organization and provides a basis for organizations to survive and thrive in a dysfunctional workplace Bullying and Harrasment in the Workplace Lucy Costigan,1998 This book is written for employees Management and employers To help them to deal with this problem in an appropriate manner It is also hoped that the book will help to raise awareness that bullying does happen and is happening on a daily basis in **Libra**

Ascendant Secrets Saket Shah,2020-01-05 There are times when people just can't identify with the attributes of their Sun or Moon sign In fact they may feel that they are an antithesis of their zodiac sign You may also have observed it Your Leo friend may not seek attention may be because he or she has a Capricorn ascendant Your Sagittarius friend is very possessive may be because he or she has a Scorpio Ascendant It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth When seen from Earth the sky seems to move so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs People tend to associate their physical emotional and spiritual attributes more with rising sign at times

Blindsided--Recognizing and Dealing with Passive-Aggressive Leadership in the Workplace Paula M De Angelis Phd,2009-07-21 Provides information about the negative effects of passive aggressive leadership in the workplace on employees

Sustaining Workforce Engagement Lonnie Wilson,2019-01-14 This book explains the importance of employee engagement It defines what it is what it will do for your business and how you can achieve it as well as sustain it It covers the history of employee engagement along with why employees were formerly much more engaged with their work and company than they are currently The author explains in depth why employees want to be engaged but are not He discusses the emotional psychological and social forces that make engagement the state that people naturally and continually attempt to achieve Furthermore he makes a compelling case that engagement is not only natural but when achieved it also creates a happy and productive workforce where employees are not only emotionally but also physically more healthy You will learn exactly how a business can not only cause this engagement to surface but also how to sustain it He presents a complete discussion of the basics and beyond that are required to support a system of engagement He explains engagement as a system and how to interpret and utilize a system diagram using the high leverage points to further fuel and sustain engagement The book then provides a critical and comprehensive series of discussions of precisely what management must do to unlock the power of a fully engaged workforce In addition to learning how to measure engagement there are detailed discussions along with two confirming case studies of how to improve your levels of engagement Essentially the author examines engagement from top to bottom integrating the theories of the scholars with the experiences of the practitioners In so doing he can explain in simple terms how engagement can be achieved and why people try so hard to create a fully engaged workforce with both the best of intentions and a true passion to achieve it yet fall short There is a simple reason achieving engagement is all about management and the many changes that must be made and that raises the crucial question Is management both willing and able to recognize accept and execute the needed paradigm shifts The stark reality is that the changes that must first occur are in the thoughts beliefs and actions of the management team This book gives you a path to follow that may achieve just

that And the remaining question for the senior management is What are you prepared to do The mystery of achieving engagement is known the science is known the answers are not technically complicated and now it comes down to a simple choice Are you or are you not willing to change And with that choice there are resultant consequences It is no more complicated than that
