Create Your Future:

Create Your Future!, 1995 **Design Your Life** , **Create Your Ideal Life** Mary Zahm, 2010-07-08 Some pursue happiness Others create it Anonymous The chief purpose of *Create Your Ideal Life* is to empower you to proactively intentionally and consciously and continually create your ideal life in a joyful and balanced fashion by following the holistic emphasizing the importance of the whole and the interdependence of its parts Life Creation Process described in it Following the Life Creation Process will help you to gain the level of self understanding required to optimize the quality of your life and achieve personal growth As you read this book you will be introduced to the key concepts of applied psychology of personal adjustment and growth The term applied indicates that the material provided is practical and that you can readily use the concepts provided to create and control your self and your life The words psychology of personal adjustment indicate that one focus of the book is upon the individual's response to the physical psychological and social demands of the self other people and the environment Napoli Kilbridge 1995 You will also be guided to identify the Transitional Life goals that you will need to achieve in order to segue from living your Present Life to living your Ideal Future Life The Ideal Future Life that you design at this present time is definitely not all there is or will ever be possible in your life As you grow and change you will update your vision of your ideal life Learning the tools and techniques used in the Life Creation Process Exercises will empower you to continually recreate your Ideal Future Life through planned sequels in order to keep your life well balanced and overflowing with happiness and spiritual joy The resources used for this book reflect my multidisciplinary approach to the Life Creation Process as well as my positive psychological orientation I have included concepts from the traditional scholarly social psychological literature the popular self help and self improvement literature and the media plays movies tv newspapers and magazines The material includes both multidisciplinary academic resources and popular self improvement resources that I have used and found to be beneficial during my own explorations in personal adjustment growth and Ideal Future Life creation Most of the new material in this revised version of *Create Your Ideal Life* is from information that I have incorporated into my lectures in class exercises and course assignments over the past 15 years **Create Your Own Fate** Elaine Northrop, 2011 Nothing is Beyond Belief Imagination is the key to creating a new reality Whatever you can imagine you can implement Whatever you believe to be actually creates the world you see Life doesn't just happen to you It responds to you and the thoughts that you are creating on a continuing basis Although thoughts are not tangible they are programmable and powerful Thoughts can transform the abstract into the absolute This book is about creative visualization or wishcraft which is a way of thinking that can change your life The principles proposed in this book can propel you from poverty to prosperity and jumpstart your JOY as you learn how to transform your thoughts into reality The process starts with a dream a desire or even just a wish Wishes come in all sizes One can wish small or one can wish big or tall One can even choose not to wish at all but wishing is really the key to creating a new reality Everything that you can conceive of already

exists or you couldn't even conceive of it Creative visualization simply makes the invisible visible Your beliefs are the key to making the invisible materialize Predicting the future actually becomes possible once you realize that you can create your own future by propelling your dreams into reality The world can be yours to have and to hold once you take control of your own destiny That doesn't mean that you can control the events that will happen in your life but you can control how you envision those events Those visualizations can either empower you to excel or cripple you in crisis If you want your life to change try doing something strange If you want your life to be different do different think different Sometimes all that you need to change is your mind and your beliefs Stop setting limits on your life Become part of the cycle of life which is to Dream desire create and inspire **Meditation** Kelly Chance Beckman,2011 *Create Your Ideal Career* Steve Supple,
