Communications Michael G. Reccia, 2012-07-05 The Fall Aeons ago everything changed and you were there According to Joseph the ancient highly evolved spirit communicator who has lived in an enlightened sphere of reality for thousands of years you are not yourself there s much more to you than you imagine and you have forgotten the cataclysm that created today s dysfunctional societies and wounded planet In the Fall Joseph s new book communicated through respected trance medium Michael G Reccia he seeks to reactivate that astonishing inner knowledge explaining and revealing your spiritual origins Each chapter is a eureka moment helping you to at last make sense of it all and by the last page many if not all of those elusive answers regarding existence and the great mysteries will be elusive no longer From the beginnings of the universe to the essential part you take in creation and the reason you are here if you seek meaning to life in general and your life in particular you absolutely definitely should read the Fall Your views of spirituality science and reality are about to change forever Joseph The whole point of this book is to explain why you are as you are now why you come back here and why the Earth is a hostile and violent place of seeming lack to give you knowledge that should resonate with your soul from a time before the Fall so you can through your heart centre reason your way out of reincarnation and out of the effects of the Fall Then the planet can be restored to its former purpose and you can be restored to your former heritage Terrorism

Subdues Now Save the Planet John Landis, 2005 For many people in this Planet World Government under the United Nations is a long standing dream But will it ever become reality There are now indications that a number of people and institutions around the globe indeed believe that it will A few examples to illustrate this Kofi Annan Secretary General of the United Nations recent pronouncement fifty billion dollars from developed nations would be a start in lifting the poorer nations of the world from their impoverishment The start if redistribution of world wealth through the United Nations Next a Green Party manifesto in part humans have a unique responsibility for the stewardship of the Earth No species especially on the upper end o the food chain can have unchecked exponential growth without depleting the Earth s carrying capacity Planned World Population Control consumption oriented lifestyles that have evolved in the industrial world have resulted in a minority of people consuming a majority of resources A call for world resource sharing in a more egalitarian world society The author excepts the premise that World Government becoming reality for the purposes of this novel poetic license you know But its primary emphasis herein focuses on World Government s effects on the lives of people as the action ebbs and flows around the globe Rich characters enliven the plot with nations and political systems in conflict making this a thrilling journey one filled with suspense and many surprises for the readers enjoyment **What Happened on the Cross** Nick

Peros, 2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also

showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him
