Creating A Presentation In Powerpoint Visual Quickproject Guide:

Creating a Presentation in Microsoft Office PowerPoint 2007 for Windows Tom Negrino, 2007-02-21 If you want to make a great presentation fast but don't want to get bogged down in the details then you need a Visual QuickProject Guide. You don't need to know every feature you just want to know how to get your project done. Full color illustrations show you how to perform each step of your project from start to finish. Low priced why pay for more than you need. Microsoft PowerPoint is nearly ubiquitous in today's world from business to schools to clubs to organizations. PowerPoint presentations are everywhere you turn. To learn to create the best looking presentations the ones that stand out in terms of content and visual appeal fast readers need **Creating a Presentation in Microsoft Office PowerPoint 2007 Visual QuickProject Guide**. PowerPoint presenter extraordinaire Tom Negrino steps readers through a single basic presentation. He begins with an overview of the redesigned Office interface and highlights the tools readers will use as they create their project. From there readers begin writing their presentation gathering images and sound files choosing a design working with text and adding graphics and slide effects and transitions. From there they learn about presenting and sharing their presentations with the world. Readers will learn how to use the attractive new themes in PowerPoint and so much more. In the end they will have a professional looking and visually appealing presentation they can use anywhere. Each book in the Visual QuickProject Guide series now has a companion website featuring sample project files making it even easier for users to work through each project as they read through the book.

Managing Your Personal Finances with Quicken Tom Negrino, 2005. It used to be that to begin working with Quicken you had to hand-enter all sorts of information, a process so laborious that many people eschewed personal finance software altogether. Not so today. With Quicken 2004's Express Account Setup, all you have to do is select your bank from a list of more than 2,000, supply your account IDs and PINs, and the software does the rest. All you really need then to start wrangling your finances immediately is this pint-sized project-based guide to the software. Rather than cover every last Quicken feature and option, veteran author Tom Negrino selects the quickest, easiest route to accomplishing a given objective, from setting up accounts and entering transactions to writing and printing checks, scheduling automatic bill payment, and securing loans, and presents it through full-page-width screen shots and simple step-by-step instructions. Throughout, you'll learn by doing as you complete the book's projects. By the end of the day, you will have mastered not just Quicken but your finances as well.
