Creating Motivated Kids

**Barbara Irwin, Tony Buttino, Pam
Johnson**

Creating Motivated Kids:

Creating Motivated Kids Jean Robb, Hilary Letts, 2003 Lack of motivation in children is a common problem and many parents are worried This book shows parents how to help their children take up opportunities and enjoy a sense of achievement Motivated kids have a desire to learn give it a go want to see how far they can take something know that having a go is better than hanging back are confident they can think things through The book has suggestions even handed encouragement and practical possibilities for developing children s self esteem and confidence in their own abilities When children feel confident and capable their self esteem is assured and when their self esteem is assured they will be motivated

Creating Reading Rainbow Barbara Irwin, Tony Buttino, Pam Johnson, 2024-06-18 Reading Rainbow is one of the most successful PBS children s series in television history earning numerous national and international awards including 26 Emmys and a Peabody Award But perhaps more important than anything else Reading Rainbow helped generations of children cultivate a love for books Reading Rainbow is very much a story of humble beginnings and enormous perseverance Over five summers Tony Buttino Sr and his colleagues at WNED TV the public television station in Buffalo New York worked in collaboration with educators and librarians to experiment with summer reading programs But after trialing these programs the WNED team realized there was a big need for a new children s literacy series and believed they could create a new show with local and national collaborators and friends After fits and starts and enough twists and turns to fill a children s book Reading Rainbow premiered in the summer of 1983 and captured the attention of 6.5 million young viewers Creating Reading Rainbow explores the many intriguing and homespun stories that when woven together reveal how this groundbreaking and iconic television series came to be What led to the series being called Reading Rainbow How did the road to Reading Rainbow wind its way through Mister Rogers Neighborhood How did a public television station in Buffalo spearhead a movement in education and spark the passion for reading in millions of children And what does lasagna have to do with it

Creating Ever-cool Del Vecchio, Gene, 2010-09-23 WINNER OF THE 1997 ATTICUS AWARD STRATEGY CATEGORY Fantastic Creating Ever Cool is a must read for all manufacturers and advertising agencies that are marketing to children Bennett Wolk Director Worldwide Consumer Research Mattel Toys By its very nature cool is a nebulous distinction What is cool one year or even one month may not be the next Yet some products are able to remain consistently cool year in and year out In their quest for a share of the 171 billion of purchases that kids influence every year marketers strive to develop such cool products These the author terms Ever Cools The Barbie doll represents a perfect example of an Ever Cool product Barbie rides the trends and fads assuming various guises to reflect current coolness Mothers who had Malibu Barbie dolls now buy Baywatch Barbies for their daughters This is an exploration of achieving the elusive Ever Cool status

Handbook of Research on Creating Motivational Online Environments for Students Bilodeau, Julie A., Hughes, Larry W., 2023-08-18 There are many ways to motivate students to achieve their academic and personal goals Due to the pandemic

more emphasis has been placed on finding alternative approaches to instruct students Online learning has become the focal point of the educational setting and new approaches to teaching are necessary Since the change in delivery from face to face to online teachers have been faced with motivating their students in an environment that is new and foreign to them Teachers must find new methods to enhance their curriculum to motivate all students in this modality The Handbook of Research on Creating Motivational Online Environments for Students considers how online students learn and how they progress through the learning process The book also provides teaching techniques and technology that will improve motivational success for students in all modalities Covering topics such as student behavior online education and motivational techniques this premier reference source is ideal for administrators researchers academicians scholars practitioners instructors and students

Coding for Kids: Making Programming Fun and Accessible Ahmed Musa
,2025-01-01 Coding for Kids Making Programming Fun and Accessible introduces young learners to the world of coding demonstrating that programming is not just for adults in tech jobs but an essential skill that kids can and should learn early on The book explores a variety of tools and platforms that make learning coding engaging and fun such as Scratch Python and gamified coding environments Through easy to understand explanations and interactive examples this book helps kids build the foundations of programming from basic concepts like variables and loops to more advanced ideas such as logic and debugging It also covers how coding promotes creativity problem solving and critical thinking skills that are valuable beyond the world of technology This book is an invaluable resource for parents and educators looking to introduce coding to children in a way that is both enjoyable and educational
