## **Almanac Of The 50 States:**

**Almanac of the 50 States** ,1985     Almanac of the 50 States Information Publications, Incorporated, Information Publications, 2008-02 Presents a general overview of every state and the District of Columbia along with tables of comparative rankings     The Family Christian Almanac for the United States, for the Year of Our Lord and Saviour Jesus Christ ... ,1851     Monthly Catalog of United States Government Publications United States. Superintendent of Documents, 1994     The Family Christian Almanac for the United States ,1864     *The Whig Almanac and United States Register for ...* ,1849     *Monthly Catalogue, United States Public Documents* ,1978-07     *Atlas of the Historical Geography of the United States* Charles Oscar Paullin, 1932 A digitally enhanced version of this atlas was developed by the Digital Scholarship Lab at the University of Richmond and is available online Click the link above to take a look     Monthly Catalog of United States Government Publications ,2002     *Reading These United States* Keri Holt, 2019-01-15 Reading These United States explores the relationship between early American literature and federalism in the early decades of the republic As a federal republic the United States constituted an unusual model of national unity defined by the representation of its variety rather than its similarities Taking the federal structure of the nation as a foundational point Keri Holt examines how popular print including almanacs magazines satires novels and captivity narratives encouraged citizens to recognize and accept the United States as a union of differences Challenging the prevailing view that early American print culture drew citizens together by establishing common bonds of language sentiment and experience she argues that early American literature helped define the nation paradoxically by drawing citizens apart foregrounding rather than transcending the regional social and political differences that have long been assumed to separate them The book offers a new approach for studying print nationalism that transforms existing arguments about the political and cultural function of print in the early United States while also offering a provocative model for revising the concept of the nation itself Holt also breaks new ground by incorporating an analysis of literature into studies of federalism and connects the literary politics of the early republic with antebellum literary politics a bridge scholars often struggle to cross     **The United States Tariffs of 1846 and 1857** United States, 1857     **The American catalogue of books ... published in the United States from Jan. 1861, to Jan., 1866** James Kelly, 1866     *Almanac of the 50 States* ,1992     *The United States Tariff of 1861* United States, 1861     *The United States Tariffs of 1846 and 1857* ,1857     **HAPRER'S ENCYCLOPEDIA OF UNITED STATES HISTORY** ,1912     **Almanac of the 50 States 2005** Information Publications, 2005-04 Almanac of the 50 States an annual ready reference source contains eight statistical profile pages for every State The main portion of the book is a collection of 52 basic data profiles one for each of the 50 States one for the District of Columbia and one for the U S in summary The same format is used for each profile which are collected State by State and presented in alphabetical order Supplementing the profiles is a group of 54 comparative tables which list the States in rank order on 54 key characteristics selected from the

individual profiles Information for the Almanac of the 50 States comes from the latest reports of federal government agencies augmented with selected data from the private sector The book is updated annually Each profile contains the following information State Summary highlights the important facts about the State Geography highest and lowest points federally owned land capital city largest city state parks budgets national forest land Demographics persons by age race sex marital status households population projections to the year 2010 immigration abortions adoptions physicians dentists hospital costs Education includes college graduates school enrollment level teachers school receipts graduating high school seniors higher education Social Insurance Medicare Medicaid enrollment AFDC Food Stamps Housing building permits issued value existing home sales Government the governorship State legislature local government voting age populations vote for president federal representation women expenditures by object federal aid by program Crime Law Enforcement arrests persons under sentence of death court data Labor employment average annual pay hours and earnings of workers union membership personal income with projections to year 2000 federal income tax data Economy Business Industry Gross State Product payroll by industry farm data per capita federal expenditures defense department payroll contracts and employees principal minerals manufacturing employees payroll and value of shipments bank data wholesale trade service industries Communication Energy radio energy consumption data nuclear plants highway mileage motor vehicle registration drivers licenses
