precious and adorable How wrong Little Ozzy turns out to be the monster that destroys a family s peace and harmony Or does he The whole situation is so complex and the run up to the Dog War so fraught with complications that it is completely unreasonable to conclude that it began with any one event not even the arrival of Ozzy on that fateful day in April It makes no sense to see the Dog War as an isolated episode and once it really exploded it stirred up a lot of old feelings and memories recollections and resentments that perhaps would have been better forgotten The Dog War was just a scrimmage in a much larger and longer running series of conflicts And while the history of the Dog Wars is a story of conflict it is also a story of victory Although it is a story of struggle it is a story of triumph too **Hawaii State Senate Bill 3236** United States.
