persuade readers of the truth desirability and utility of the dogmas of Christianity Is it possible to take these writers efforts on their own terms and to understand and evaluate the rhetorical strategies that this kind of persuasion might entail Informed by the school of rhetorical narratology that includes such critics as Wayne Booth James Phelan and Richard Walsh Hard Sayings offers fresh new readings of fictive works by Flannery O Connor Muriel Spark John Updike Walker Percy Mary Gordon and Marilynne Robinson In its argument that orthodox Christianity as represented in fiction still has the power to persuade and to trouble it contributes to ongoing debates about the nature and scope of modernity postmodernity and secularization

All By Myself but Not Alone Malcom Daniel Sewell,2010-04-08 This book consists mostly of poems God has given me since I started my journey with Him I call it a journey because when a person repents of his her sin and ask Jesus to live in their hearts they are no longer looking to this world as home We have a city on high built without hands that will be our homes we are pilgrims here in this world Even though God has given me many dreams and I ve watched them come to pass I make no claims to being a Joseph I am in awe every time God shows me something in a dream and I see it unfold some not so pleasant and others it would be hard to describe God put into my heart to share these poems with believers and non believers alike that some may come to know what God can do for them What He has done for me He will do for others seek and you shall find knock and the door will be opened to you I ll share a bit of my life before knowing my loving Savior so you might see what He brought me from and where I m headed I threw away many years when I could have had this wonderful life I live now Believe me when I say when people get born again they regret those wasted years I let the enemy take everything from me God in His goodness has restored all things back to me the family I lost and the love that should have been there all along Sin hardens the heart the more you sin the harder it becomes in the end you can hardly feel love at all I know these poems will bless you as they have blessed me and others To God be all the glory it is Him that gave me the poems and the testimony I hope you enjoy reading these poems as much as I enjoyed putting down on paper what the Holy Spirit put into my heart
