Alvarez Kelly:

Me and My Saddle-Pal Mickey Gilbert, Rebecca Rockwell, 2014-10-15 Crashing cars roping wild animals in Africa jumping off cliffs and getting shot off of horses as bombs explode is all in a day's work for a stuntman in Hollywood and taking the Lord along has made it all possible for Mickey Gilbert. He's been in the movie business since the 1960s working as a stuntman, stunt coordinator, and a second unit director on some of the most memorable films Hollywood has ever produced. Butch Cassidy and the Sundance Kid, The Wild Bunch, The Last of the Mohicans, The Electric Horseman, City Slickers, and The Blues Brothers are just a few of the titles in his impressive filmography. With over a hundred movies under his belt, Gilbert has doubled such iconic actors as Robert Redford, Paul Newman, Gene Wilder, and Harrison Ford, and he has designed and coordinated some of the most exciting stunts the silver screen has ever delivered. Filled with humor, warmth, adventure, and all the action you can handle, Me and My Saddle Pal chronicles Gilbert's journey into Hollywood and takes readers along for ride after wild ride as he recollects his part in the making of some of the industry's greatest films. **Twisting in Air** Carol Bradley, 2024

Twisting in Air brings to life the era when an extraordinary group of falling horses made Western movies come alive and chronicles how one of them, a horse named Cocaine, overcame a debilitating injury to become the fastest falling horse. **Edward Dmytryk** Fintan McDonagh, 2021-07-21 Edward Dmytryk was one of the so-called Hollywood Ten, jailed for contempt of Congress for refusing to testify before the House Un-American Activities Committee in 1947. Finding himself blacklisted after his prison sentence and unable to operate under a pseudonym, he took the step of testifying and naming names to the Committee. His career resumed to considerable commercial success but also to prolonged and bitter criticism from the left and persistent mistrust from the right. Acknowledged as one of the key figures in the development of the film noir genre, having directed one of its first films, Murder My Sweet, Dmytryk has otherwise frequently been sidelined in critical studies because of the controversy. This book is the first to critically evaluate each of the dozens of films he made between the 1930s and the 1970s, including The Young Lions, Crossfire, and The Caine Mutiny, among many others. **Kelly's**

Originally published as The New People, this classic volume examines the great changes in popular culture that unfolded in the 1960s with major steps toward political, racial, gender, and social empowerment. The popular culture of the time expressed a series of themes that have become, if not more significant, then certainly more visible in the 1990s. We are now entering the third generation of Americans who are living out the themes that are traced in this book. The author sees a depolarization, a neutering in content, and key people in the popular arts. Some of these trends result from technological changes, and others reflect what is happening in the psychosocial interior of the family as well as larger economic movements. Winick believes

that in such wide ranging features of our society as sports furniture and architecture the expression of an epoch can be identified Clothing conveys the imbalance and ambiguity that reflect larger social forces and that have been identified more recently by Jacques Lacan as so important in modern life Desexualization in American Life is remarkably prescient and accurate in identifying key trends that affect us today and will continue to do so for the remainder of the decade **Punch**

behind *The Magnificent Seven* could have been a movie in itself. It had everything: actors' strike, writers' strike, Mexican government interference, and a row between the screenwriters that left one removing his name from the credits all under the lingering gloom of post-McCarthy era Hollywood. A flop on release, it later became a box office hit. This book tells the behind-the-scenes story: how Yul Brynner became the biggest independent producer in Hollywood; why John Sturges was not the first choice after Brynner surrendered the director's chair; why Sturges quit; the truth about the Mirisch Company producers; the details of the film's botched release and unlikely redemption; the creation of Elmer Bernstein's classic score; and how internecine fighting prevented the making of the television series in 1963. Myths about Steve McQueen, his feud with Brynner, and the scene-stealing antics of the cast are debunked. A close examination of the various screenplay drafts and the writers' source material. Akira Kurosawa's *Seven Samurai* shows who wrote what. Extensive analysis of Sturges' directorial work is provided. *Civil War Sites in Virginia* James I. Robertson, Brian Steel Wills, 2011-03-09

Since 1982 the renowned Civil War historian James I. Bud Robertson's *Civil War Sites in Virginia: A Tour Guide* has enlightened and informed Civil War enthusiasts and scholars alike. The book expertly explores the commonwealth's Civil War sites for those hoping to gain greater insight and understanding of the conflict. But in the years since the book's original publication, accessibility to many sites and the interpretive material available have improved dramatically. In addition, new historical markers have been erected, and new historically significant sites have been developed while other sites have been lost to modern development or other encroachments. The historian Brian Steel Wills offers here a revised and updated edition that retains the core of the original guide with its rich and insightful prose but that takes these major changes into account, introducing especially the benefits of expanded interpretation and of improved accessibility. The guide incorporates new information on the lives of a broad spectrum of soldiers and citizens while revisiting scenes associated with the era's most famous personalities. New maps and a list of specialized tour suggestions assist in planning visits to sites while three dozen illustrations from nineteenth-century drawings to modern photographs bring the war and its impact on the Old Dominion vividly to life. With the sesquicentennial remembrances of the American Civil War heightening interest and spurring improvements, there may be no better time to learn about and visit these important and moving sites than now. *Hollywood Stunt Performers, 1910s-1970s*

Gene Scott Freese, 2014-04-04 This biographical dictionary shines the spotlight on several hundred unheralded stunt performers who created some of the cinema's greatest action scenes without credit or recognition. The time period covered encompasses the silent comedy days of Buster Keaton and Harold Lloyd; the early westerns of Tom Mix and John Wayne; the swashbucklers of Douglas Fairbanks, Errol Flynn, and Burt Lancaster; the costume epics of Charlton Heston and Kirk Douglas; and the action films of Steve McQueen, Clint Eastwood, and Charles Bronson. Without stuntmen and women working behind the scenes, the films of these action superstars would not have been as successful. Now, fantastic athletes and leading stunt creators such as Yakima Canutt, Richard Talmadge, Harvey Parry, Allen Pomeroy, Dave Sharpe, Jock Mahoney, Chuck Roberson,

Polly Burson Bob Morgan Loren Janes Dean Smith Hal Needham Martha Crawford Ronnie Rondell Terry Leonard and Bob Minor are given their proper due Each entry covers the performer s athletic background military service actors doubled noteworthy stunts and a rundown of his or her best known screen credits **Catalog of Copyright Entries** Library of Congress.
