Always A Sister The Feminism Of Lillian D Wald

Christopher Capozzola

Always A Sister The Feminism Of Lillian D Wald:

Always a Sister Doris Daniels, 1989-01 Traces the life of the founder of the Visiting Nurse Service and the Henry Street Settlement in New York City and looks at the influence of her feminist beliefs *Lillian Wald* Paul M. Kaplan, 2018-02-26 The greatest social reformer of her time Pres Franklin Roosevelt called Lillian Wald one of the least known yet most important people of her time Wald a relentless advocate for the welfare of children was responsible for many of the social and health related programs we take for granted today She campaigned for school lunches and nurses in public schools founded the Henry Street Settlement and was an early promoter of women s suffrage Wald was adept at navigating both the poorest most densely populated neighborhoods as well as the upper circles of society where she sought donors to support her efforts Paul Kaplan s extensive research into the history of New York brought him to this fascinating subject Through his revealing profile of Lillian Wald Kaplan deftly illustrates how far we ve come as a society how much work it took to get here and how much more work there is still to be done *Lillian Wald* Marjorie N. Feld, 2012-09-01 Founder of Henry Street Settlement on New York s Lower East Side as well as the Visiting Nurse Service of New York Lillian Wald 1867 1940 was a remarkable social welfare activist She was also a second generation German Jewish immigrant who developed close associations with Jewish New York even as she consistently dismissed claims that her work emerged from a fundamentally Jewish calling Challenging the conventional understanding of the Progressive movement as having its origins in Anglo Protestant teachings Marjorie Feld offers a critical biography of Wald in which she examines the crucial and complex significance of Wald s ethnicity to her life s work In addition by studying the Jewish community s response to Wald throughout her public career from 1893 to 1933 Feld demonstrates the changing landscape of identity politics in the first half of the twentieth century Feld argues that Wald s innovative reform work was the product of both her own family s experience with immigration and assimilation as Jews in late nineteenth century Rochester New York and her encounter with Progressive ideals at her settlement house in Manhattan As an ethnic working on behalf of other ethnics Wald developed a universal vision that was at odds with the ethnic particularism with which she is now identified These tensions between universalism and particularism assimilation and group belonging persist to this day Thus Feld concludes with an exploration of how after her death Wald s accomplishments have been remembered in popular perceptions and scholarly works For the first time Feld locates Wald in the ethnic landscape of her own time as well as ours Truth Tales Kali for Women (Organization), 1990 The rich popular tradition of India s women writers is finally available in this collection of short stories translated from seven of the country s languages The writers and their heroines reflect the complex mosaic of Indian life they are old and young rural and urban rich and poor Here we meet Muniyakka called walkie talkie because she mutters to herself Shakun the dollmaker an exploited artist who needs to feel that others depend on her and Jashoda professional mother to children of the rich from Mahasveta Devi s acknowledged masterpiece *The Wet Nurse* These stories are dense with thsoe customs manners and objects that usually remain locked

within regional languages wrote Anita Desai in the New York Review of Books Meena Alexander's thoughtful introduction places the stories and the writers in the context of modern India

The Whole Wide World, Without Limits Mary McCune, 2005-06-14 An analysis of gender politics in the American Jewish community during the interwar period that reveals the role of gender and class in organizational politics and the importance of Jewish women in American political and activist history Often perceived as being removed from the rough and tumble world of male politics women involved in relief during World War I and the 1920s found themselves grappling daily with questions of ideology nationalism and political statehood Participation in large scale relief work provided Jewish women with a firm sense of their own capabilities and contributed to their heightened sense of gender consciousness Their experience provides powerful evidence that women activists in the post suffrage period sustained a notable degree of separation from men even as they propounded gender equality thereby facilitating American Jewish women's entrance into the public realm without their having to sacrifice commitment to either Jewish or women's issues Gendered and separatist strategies enabled women to bring their concerns into the public sphere affect the course of American Jewish history and shape modern American Jewish identity The Whole Wide World Without Limits explores the international relief activities of three American Jewish organizations during this period the National Council of Jewish Women Hadassah the Women's Zionist Organization of America and the Workmen's Circle Women in all three organizations vigorously raised money for Jews in the war zones and continued to help them after the armistice Author Mary McCune demonstrates the significance of the work of each group while analyzing the interactions between class ethnicity religion and gender consciousness both inside the Jewish community and in the broader American context McCune looks at a wide variety of Jewish women Zionists and anti Zionists religious and secular capitalists and socialists wealthy and working class and sheds light on the myriad ways that personal identity shapes public activism More importantly this book reveals how women's charity work and their use of gendered strategies exerted influence over seemingly unrelated political events

Uncle Sam Wants You Christopher Capozzola, 2010-04-12 A powerful account of America's first mass mobilization revealing how the homefront tensions of World War I dramatically changed the modern American state

From

Progressive to New Dealer Kenneth E. Miller, 2010 A biography of Frederic C Howe a reformer and political activist in Cleveland New York and Washington D C in the Progressive and New Deal eras 1890s to 1930s Provided by publisher

The Wages of Motherhood Gwendolyn Mink, 2018-08-06 Entering the vigorous debate about the nature of the American welfare state The Wages of Motherhood illuminates ways in which a maternalist social policy emerged from the crucible of gender and racial politics between the world wars Gwendolyn Mink here examines the cultural dynamics of maternalist social policy which have often been overlooked by institutional and class analyses of the welfare state Mink maintains that the movement for welfare provisions while resulting in important gains reinforced existing patterns of gender and racial inequality She explores how AngloAmerican women reformers as they gained increasing political recognition

promoted an ideology of domesticity that became the core of maternalist social policy. Focusing on reformers such as Jane Addams, Grace Abbott, Katherine Lenroot, and Frances Perkins, Mink shows how they helped shape a social policy premised on moral character and cultural conformity rather than universal entitlement. According to Mink, commitments to a gendered and racialized ideology of virtuous citizenship led women's reform organizations in the United States to support welfare policies that were designed to uplift and regulate motherhood and thus to reform the cultural character of citizens. The upshot was a welfare agenda that linked maternity with dependency, poverty with cultural weakness and need with moral failing. Relegating poor women and racial minorities to dependent status, maternalist policy had the effect of strengthening ideological and institutional forms of subordination. In Mink's view, the legacy of this benevolent and invidious policy continues to inflect thinking about welfare reform today.

Sisterhood Questioned Christine Bolt, 2004-07-31 This readable and informative survey including both new research and synthesis provides the first close comparison of race, class, and internationalism in the British and American women's movements during this period. *Sisterhood Questioned* assesses the nature and impact of divisions in the twentieth-century American and British women's movements. In this lucidly written study, Christine Bolt sheds new light on these differences which flourished in an era of political reaction, economic insecurity, polarizing nationalism, and resurgent anti-feminism. The author reveals how the conflicts were seized upon and publicised by contemporaries and how the activists themselves were forced to confront the increasingly complex tensions. Drawing on a wide range of sources, the author demonstrates that women in the twentieth century continued to co-operate despite these divisions and that feminist movements remained active right up to and beyond the reformist 1960s. It is invaluable reading for all those with an interest in American history, British history, or women's studies.

A Companion to the Gilded Age and Progressive Era Christopher McKnight Nichols, Nancy C. Unger, 2022-06-15 *A Companion to the Gilded Age and Progressive Era* presents a collection of new historiographic essays covering the years between 1877 and 1920, a period which saw the U.S. emerge from the ashes of Reconstruction to become a world power. The single definitive resource for the latest state of knowledge relating to the history and historiography of the Gilded Age and Progressive Era. Features contributions by leading scholars in a wide range of relevant specialties. Coverage of the period includes geographic, social, cultural, economic, political, diplomatic, ethnic, racial, gendered, religious, global, and ecological themes and approaches. In today's era, often referred to as a second Gilded Age, this book offers relevant historical analysis of the factors that helped create contemporary society. Fills an important chronological gap in period-based American history collections.

Music and Women Sophie Drinker, Ruth A. Solie, 1995 First paperback edition of this classic cross-cultural history of women and their relationship to music through the centuries.

Social Work and Social Justice Michael Reisch, Charles D. Garvin, 2016 Through compelling examples, case studies, and exercises, *Social Work Practice and Social Justice* goes beyond a discussion of abstract social justice concepts and goals by focusing on how concepts can be used as guides for socially just practice at the interpersonal, organizational,

community and societal levels The Money Kings Daniel Schulman,2024-11-19 The incredible saga of the German Jewish immigrants with now familiar names like Goldman and Sachs Kuhn and Loeb Warburg and Schiff Lehman and Seligman who profoundly influenced the rise of modern finance and so much more from the New York Times best selling author of Sons of Wichita Joseph Seligman arrived in the United States in 1837 with the equivalent of 100 sewn into the lining of his pants Then came the Lehman brothers who would open a general store in Montgomery Alabama Not far behind were Solomon Loeb and Marcus Goldman among the Forty Eighters fleeing a Germany that had relegated Jews to an underclass These industrious immigrants would soon go from peddling trinkets and buying up shopkeepers IOUs to forming what would become some of the largest investment banks in the world Goldman Sachs Kuhn Loeb Lehman Brothers J W Seligman Co They would clash and collaborate with J P Morgan E H Harriman Jay Gould and other famed tycoons of the era And their firms would help to transform the United States from a debtor nation into a financial superpower capitalizing American industry and underwriting some of the twentieth century s quintessential companies like General Motors Macy s and Sears Along the way they would shape the destiny not just of American finance but of the millions of Eastern European Jews who spilled off steamships in New York Harbor in the early 1900s including Daniel Schulman s paternal grandparents In The Money Kings Schulman unspools a sweeping narrative that traces the interconnected origin stories of these financial dynasties He chronicles their paths to Wall Street dominance as they navigated the deeply antisemitic upper class of the Gilded Age and the complexities of the Civil War World War I and the Zionist movement that tested both their burgeoning empires and their identities as Americans Germans and Jews **Changes** Ama Ata Aidoo,1993 *Changes* explores the complex world in which the lives of professional working women have changed sharply but the cultural assumptions of men s lives have not Witty and compelling Aidoo s novel according to Manthia Diawara inaugurates a new realist style in African literature Aidoo writes with intense power in a novel that in examining the role of women in modern African society also sheds light on women s problems around the globe Publishers Weekly starred review Suggested for course use in African literature African studies Family Studies Ama Ata Aidoo one of Ghana s most distinguished writers is the author of two other works of fiction *Our Sister Killjoy* and *No Sweetness Here* The Feminist Press as well as plays poems and children s books Tuzyline Jita Allan is associate professor of English at Baruch College CUNY Emma Goldman: A Documentary History of the American Years, Volume One Emma Goldman,Candace Falk,2003-04-17 A documentary history of Emma Goldman s life and work in the United States This is the first of a three volume set of the most important letters newspaper articles speeches government documents and photographs covering Goldman s life from her arrival in the US through 1905 when she founded the anarchist magazine *Mother Earth* **Emma Goldman** Emma Goldman,2008-07-16 Reconstructs the life of Emma Goldman through significant texts and documents *All Roads Lead to the American City* Peter Swirski,2007-04-01 *All Roads Lead to the American City* provides an original view of the urban culture in America seen through its irrevocable

ties with the cities and roads Examining the history cinema literature cultural myths and social geography of the United States the book puts some of the greatest as well as the baddest American cities under the microscope Taking the role of the roads that crisscross and connect the cities as their shared point of reference these essays explore ways to understand the people who live commute work create govern commit crime and conduct business in them Cities for the most part are America Their values and problems define not only what the United States is but what other nations perceive the United States to be Roads and transportation on the other hand and their impact on the American culture and lifestyle form not only the integral part of the historical rise and shine of the modern city but a physical release from and a cultural antidote to its pressure cooker stresses Tracing the boundless variety and complexity of these twin themes All Roads Lead to the American City is built around an interlinked series of essays on the urban culture in America Juxtaposing the city and the road it looks alternatively at cities as historical geographical social and cultural centres of life in the land and at roads as physical as well as metaphorical arteries that lead in and out of the city Mothers of a New World Seth Koven, Sonya Michel, 2013-10-31 Historians of Australia Germany Great Britain Sweden and the United States provide a sweeping view of the scope of women s work and make comparisons across societies and over time Herbert H. Lehman Duane Tananbaum, 2016-12-20 This new biography of Herbert Lehman the first in a half century fills the void left by historians and political scientists who have neglected one of the truly great liberal icons of the mid twentieth century Based on extensive research in archival sources Herbert H Lehman restores this four term Governor of New York US Senator national and international humanitarian and political reformer to his rightful place among the pantheon of liberal heroes of his era By focusing on Lehman s interactions with Al Smith Franklin Roosevelt Harry Truman Lyndon Johnson and John Kennedy Duane Tananbaum shows how Lehman succeeded politically despite his refusal to compromise with his conscience In his thirty five years of public service Herbert Lehman fought the Republicans in the State Legislature to provide economic security for New Yorkers during the Great Depression and he battled the bureaucrats in the Roosevelt and Truman administrations and the United Nations Relief and Rehabilitation Administration to feed the starving people in Europe and Asia during and after World War II His efforts on behalf of the welfare state civil rights legislation and immigration reform helped keep the liberal agenda alive until Congress and the nation were ready to enact it into law as part of Lyndon Johnson s Great Society in 1964 1965 **Apostle of Progress** J. Justin Castro, 2019-01-01 From the late nineteenth century to the middle of the twentieth century Mexico experienced major transformations influenced by a global progressive movement that thrived during the Mexican Revolution and influenced Mexico s development during subsequent governments Engineers and other revolutionary technocrats were the system builders who drew up the blueprints printed newspapers implemented reforms and constructed complexity people who built modern Mexico with an eye on remedying long standing problems through social material and infrastructural development during a period of revolutionary change In *Apostle of Progress* J Justin Castro examines the life of Modesto C

Rolland a revolutionary propagandist and a prominent figure in the development of Mexico to gain a better understanding of the role engineers played in creating revolution era policies and the reconstruction of the Mexican nation Rolland influenced Mexican land reform petroleum development stadium construction port advancements radio broadcasting and experiments in political economy In the telling of Rolland s story Castro offers a captivating account of the Mexican Revolution and the influence of global progressivism on the development of twentieth century Mexico
