Sova, 2006 *Literature Suppressed on Social Grounds* Revised Edition discusses writings that have been banned over the centuries because they offended or merely ignored official truths challenged widely held assumptions or contained ideas or language unacceptable to a state religious institution or private moral watchdog The entries new to this edition include the Captain Underpants series *We All Fall Down* by Robert Cormier and *Jake and Honeybunch Go to Heaven* by Margaret Zemach Also included are updates to the censorship histories of such books as *To Kill a Mockingbird* and *Of Mice and Men* Strange Future Min Hyong Song, 2005-11-10 Theorizes race and nation in the cultural aftermath of the LA riots **The Culture and Politics of Contemporary Street Gang Memoirs** Josephine Metcalf, 2012-06-22 The publication of Sanyika Shakur's *Monster: The Autobiography of an L A Gang Member* in 1993 generated a huge amount of excitement in literary circles New York Times book critic Michiko Kakutani deemed it a shocking and galvanic book and set off a new publishing trend of gang memoirs in the 1990s The memoirs showcased tales of violent confrontation and territorial belonging but also offered many of the first journalistic and autobiographical accounts of the much mythologized gang subculture In *The Culture and Politics of Contemporary Street Gang Memoirs* Josephine Metcalf focuses on three of these memoirs Shakur's *Monster* Luis J Rodríguez's *Always Running: La Vida Loca: Gang Days in L.A.* and Stanley Tookie Williams's *Blue Rage Black Redemption* as key representatives of the gang autobiography Metcalf examines the conflict among violence thrilling sensationalism and the authorial desire to instruct and warn competing within these works The narrative arcs of the memoirs themselves rest on the process of conversion from brutal young gang bangers to nonviolent enlightened citizens Metcalf analyzes the emergence production marketing and reception of gang memoirs Through interviews with Rodríguez Shakur and Barbara Cottman

Becnel Williams's editor Metcalf reveals both the writing and publishing processes. This book analyzes key narrative conventions specifically how diction, dialogue, and narrative arcs shape the works. The book also explores how the memoirs are consumed. This interdisciplinary study fusing literary criticism, sociology, ethnography, reader response study, and editorial theory brings scholarly attention to a popular, much discussed but understudied modern expression. **Self-Help That Works**

John C. Norcross Ph.D., Linda F. Campbell Ph.D., John M. Grohol PsyD, John W. Santrock Ph.D., Florin Selagea M.S., Robert Sommer Ph.D., 2013-03-05. Self-Help That Works is an indispensable guide that enables readers to identify effective self-help materials and distinguish them from those that are potentially misleading or even harmful. Six scientist-practitioners bring careful research expertise and a dozen national studies to the task of choosing and recommending self-help resources. **Rapper, Writer, Pop-Cultural Player** Josephine Metcalf, Will Turner, 2016-04-08. This collection of essays critically engages with factors relating to black urban life and cultural representation in the post-civil rights era using Ice T and his myriad roles as musician, actor, writer, celebrity, and industrialist as a vehicle through which to interpret and understand the African American experience. Over the past three decades, African Americans have faced a number of new challenges brought about by changes in the political, economic, and social structure of America. Furthermore, this vastly changed social landscape has produced a number of resonant pop-cultural trends that have proved to be both innovative and admired on the one hand and contentious and divisive on the other. Ice T's iconic and multifarious career maps these shifts. This is the first book that taken as a whole looks at a black cultural icon's manipulation of or manipulation by so many different forms simultaneously. The result is a fascinating series of tensions arising from Ice T's ability to inhabit conflicting pop-cultural roles including hardcore gangsta rapper and dedicated philanthropist, author of controversial song "Cop Killer" and network television cop, self-proclaimed pimp, and reality television house husband. As the essays in this collection detail, Ice T's chameleonic public image consistently tests the accepted parameters of black cultural production and in doing so illuminates the contradictions of a society erroneously dubbed post-racial. **Latino Los Angeles in Film and Fiction**

Ignacio López-Calvo, 2011. Los Angeles has long been a place where cultures clash and reshape. The city has a growing number of Latina/o authors and filmmakers who are remapping and reclaiming it through ongoing symbolic appropriation. In this illuminating book, Ignacio López-Calvo foregrounds the emotional experiences of authors, implicit authors, narrators, characters, and readers in order to demonstrate that the evolution of the imaging of Los Angeles in Latino cultural production is closely related to the politics of spatial location. This spatial-temporal approach, he writes, reveals significant social anxieties, repressed rage, and deep racial guilt. **Latino Los Angeles in Film and Fiction** sets out to reconfigure the scope of Latino literary and cultural studies. Integrating histories of different regions and nations, the book sets the interplay of unresolved contradictions in this particular metropolitan area. The novelists studied here stem from multiple areas including the U.S., Southwest, Guatemala, and Chile. The study also incorporates non-Latino writers who have contributed to the Latino culture of

the city The first chapter examines Latino cultural production from an ecocritical perspective on urban interethnic relations Chapter 2 concentrates on the representation of daily life in the barrio and the marginalization of Latino urban youth The third chapter explores the space of women and how female characters expand their area of operations from the domestic space to the public space of both the barrio and the city A much needed contribution to the fields of urban theory race critical theory Chicana o Latina o studies and Los Angeles writing and film L pez Calvo offers multiple theoretical perspectives including urban theory ecocriticism ethnic studies gender studies and cultural studies contextualized with notions of transnationalism and post nationalism

Gang Nation Monica Brown, 2002 Explores how Latino gang culture mirrors the most destructive aspects of the American Dream through a look at novels and memoirs There s a place for us Somewhere a place for us With the emergence of a rich body of literature chronicling the experiences of Latino and Latina gang members popular understanding of this outlaw culture has advanced far beyond West Side Story However the diverse works discussed in this important book ranging from the breakthrough 1967 memoir Down These Mean Streets and the crime novel Carlito s Way to the play Zoot Suit and the World War II era historical novel Don t Spit on My Corner to more recent works such as Always Running La Vida Loca Gang Days in L A and Chicana gang narratives like Locas and Two Badges all share with the award winning musical a crucial discourse on nationality citizenship and belonging In Gang Nation Monica Brown offers a sophisticated analysis of these narratives produced by former gang members and by outside observers writing within the Latino community She examines

the ubiquity of language and behavior within this literature that reveal the frustrated longings within gangs for greater participation in America's national culture and the desire of members to craft an alternative environment in which they are welcome. Through literature and memoirs written from within the culture Brown illustrates how these youth mimic the rhetoric and rituals of American nationalism's most destructive aspects: intense territoriality, justification of violence, and cultural chauvinism to assert their citizenship in an alternative nation. Before now studies of gang culture have centered on either the choices of individual members or the social forces that inspire their unfocused rage. But through Latino and Chicano gang literature Brown provides a more nuanced portrait of that culture, one that raises broader concerns about dominant nationalism, civil rights, the criminalization of urban youth of color, and the often unfulfilled sense of communal identity and acceptance among American youth.
