God's Will Will Huttunen,2011-04-14 The essence of Spirituality is Love Any delineation from this motive is hypocrisy created to destroy Author Will Huttunen show how your Path Destiny and Planetary Shift is the movement toward Unconditional Love This book teaches how to take fear and pain and undo the only karmic patterns that create it It is the repression of yourself This experience is felt as a surrender of your judgments and a relinquishing of your control over your own Will You cannot perform God s Will while condemning your own As one represses self the Universe acts in like reply karma attraction and creates un Lovingness The more we heal this the more Loving you and the World will be By the standards of the dark ego Hell is made to keep Earth safe from what it deems as unwanted Hell is created as a holding cell so that we would not be bothered by parts of ourselves we judged due to The Will s unwillingness to prostitute itself The discipline and obedience to God without Love is domination and control Your hatred of how you feel is mostly observed as the discipline of God the righteous control of evil The pronouncement of salvation and the boasting of gratitude and happiness can be seen as The Light of God Yet notice how willing this display is to actually feel any fear Lovingly The talk of salvation is empty and fallacious without the action behind it This empty boasting is not designed to heal It is here to

Brandon Ambrosino,2025-09-09 From an acclaimed journalist and a rising star in theological academia a provocative book about human and divine agency in an era of political extremism climate catastrophe and rising violence In the wake of two foiled assassination attempts while Donald Trump was campaigning for President many of his supporters claimed Trump s survival was an act of Divine intervention and a sign that Trump was favored by God In his victory speech Trump alluded to this But his survival prompts other questions Why did God spare Trump but not the retiree sitting behind him Why couldn t

God have spared everyone that day And if God is truly omnipotent why do so many children die in gun violence every year To award winning journalist and theologian Brandon Ambrosino these mortal questions provide us with an opportunity to explore the great questions about Divine and human agency especially in relation to human tragedy and a world that seems to be slipping into chaos In this powerful and searching enquiry in the vein of N T Wright and C S Lewis Ambrosino argues that theologians have been poorly equipped to confront these questions because many hang on to an omnipotent model of God Exploring the daily tragedies that so many of us must contend as well as a provocative and challenging reading of Christ s death and resurrection Ambrosino provides us with the tools to understand and process grief but also presents a refreshing portrait of less a God of power and more of one of persuasion who can still provide a residue of hope in a world gone wrong

Lectures to the Working Classes Gordon Calthrop,1865 **Divinity** Ev. Paul Mukendi,2017-05-31 No book has ever attempted to deal with the subject of divinity in its entirety Here at long last is a comprehensive book dealing with divine beings in its complexity It provides the reader with accurate and insightful knowledge concerning the concept of divinity The author gives a clear explanation of the Triune nature of God God is one being manifest and existing in three distinct identities or persons which is further discussed as being comparable with the makeup of a human being God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind The divine nature of God resides in all spirits Therefore men have Gods nature in their spirits they can communicate with and receive the things of the spiritual realm Through sin humanity has lost the nature of God for all have sinned and fall short of the glory of God The purpose of the Bible is to spiritualize humankind because we have fallen short of the glory of God The broad focus of this book is to bring as many believers to a stage of maturity in the knowledge of Christ **Befriending the Storm** J.
