Amalies Story:

Amalie's Story Julie McDonald,1970 **Amalie Christine Jencken 1785 to 1878 - From Estonia to Ireland to Australia and Inbetween** Victoria Joan Moessner,2017-01-12 Amalie Christine was born in Estonia in 1785 Her mother died in 1799 In 1800 she married Baron Gustav Andreas von Tiesenhausen 1778 1854 a member of one of the wealthiest families in Estonia After 18 years of marriage and several children she ran away with her personal physician Dr Ferdinand Jencken who was also married They went by way of Germany and Denmark where their son Eduard Edward was born to the German migr colony in London Dr Jencken opened a practice Over the course of her life time she lived in London Mainz St Petersburg the Isle of Guernsey Londonderry and Dublin near where she and Ferdinand are buried In 1848 her son Eduard went to Australia with his wife Ellen seeking a livelihood At age 84 after a severe illness she wrote her Memoirs and sent them to Edward From the time of his leaving England until her death she wrote Edward and his family Fortunately the memoirs and these letters have been preserved in Australia She is a woman who lived for and through her husband and children who knew life in Europe from serfdom in Estonia to the 1848 revolution in Germany to the Franco Prussian War and to intensifying russification in Estonia through the letters from her oldest son Hermann von Tiesenhausen She truly lived a remarkable life for a woman in nineteenth century Europe **Walking the Tightrope** Vibha Bakshi Gokhale,1996 Feminist account of the chief writings of Therese Huber the important 19th c German author The German writer Therese Huber 1764 1829 lived at a time when women s activity outside the home was widely condemned but the need to support themselves and their families forced many female writers to turn towards writing as a means of earning their livelihood Her prolific career encompassing novels short prose narratives and translations from French into German besides the editing of a newspaper demonstrates her ability to express herself while conforming to the male literary establishment This study examines Huber s short prose narratives showing the influence of various factors on women s writing and the ways in which female writers incorporated dissent from the conventions into their works without jeopardising their professional and personal lives Huber s works are both moralising persuading her readers to become good housewives and mothers and dissenting constructing characters who refuse to abide by the norms The author s feminist analysis of her narratives brings out their subtext of protest showing how Huber negotiates for women s rights to self expression *St.Thomas Island Hwy Improvements, Charlotte Amalie* ,1984

When Amalie Ansett visits her elderly cousin on the Caribbean island of St Clements the last thing she s looking for is romance Just out of a disastrous marriage she s ready to swear off romance forever That is until she meets local plantation owner Jonathan Evans tall good looking and incredibly sexy What more could a girl ask for Then Amalie discovers the man she loves is a ghost He was murdered two hundred years ago Only she can see and hear him To save Jonathan Amalie agrees to return with him to the 1800 s to a time when the sugar trade reigned supreme and the slave trade was making fortunes for wealthy planters and ship owners During a slave uprising their love is put to a test and when murder and deceit rear their ugly heads Amalie wonders if taking a journey to the past is worth losing her life

The Plant Thieves Prudence Gibson, 2023-05-01

The Plant Thieves reveals remarkable stories from the National Herbarium of New South Wales its people its archives and its most guarded specimens Who gets to collect plants name them propagate them extract their chemicals sell them and use them Whose knowledge is it And what can the people that work with plants just outside the law teach us about plant care In The Plant Thieves Prudence Gibson explores the secrets of the National Herbarium of New South Wales and unearths remarkable stories of plant naming wars rediscovered lost species First Nations agriculture illegal drug labs and psychoactive plant knowledge Gibson reveals the tale of the anti-inflammatory plant that saved a herbarium manager when she was collecting in the highlands of Papua New Guinea stories about the secret wollemi pine plantation from one of its botanical guardians and the truth about a beach daisy that has

changed so much in 100 years that it needs to be completely reclassified She also follows the story of the black bean Songline a recent collaboration between Indigenous and non Indigenous researchers to find the route of this important agriculture plant The Plant Thieves is both a lament for lost and disappearing species and a celebration of being human of wanting to collect things and of learning more about plant life and ourselves A real treat I found myself intrigued amused surprised occasionally infuriated but always engaged and provoked A must read for anyone interested in plants and plant collecting or is it thieving Tim Entwisle This reads like a Michael Pollan book with a feminine touch Prue tells the hidden and too often silenced stories of our past and present relationships with plants inspiring hope for the future Highly recommended Monica Gagliano This book will take you on an adventurous read through the lives of plants and their people personal and surprising reflecting the writer s deep curiosity and love for plants Janet Laurence Very rarely do herbaria come alive and tell stories with so much vividness as in this book by Prue Gibson Through her sensitive writing and attentive engagement with plants we encounter them face to face face to surface surface to surface Michael Marder Wonderful stories that bring to life fraught histories within the colonial herbarium A journey that creates fascinating human and plant connection Caroline Rothwell Gibson threads the personal through the botanical in this stunning book about ecology humanity and the future of our world Anna Westbrook
