## **Cracking The Bible Code:**

**Cracking the Bible Code** Jeffrey Satinover, 1997-10-08 Cracking the Bible Code is the true account of the most amazing scientific research ever undertaken. References to important names, dates, and historical events have been found encoded in the book of Genesis. No individual could have known this information from what grew in the garden of Eden to details of the Gulf War. Mystics and sages have long held that these codes existed, proving God's direct hand in all that was and is to be. Incredible! Yes! But some of today's greatest scientific minds have been unable as yet to disprove the codes. If the codes are genuine, they will forever change our view of God, faith, and our fate. Cracking the Bible Code explores the extraordinary possibilities and the furor surrounding the codes in a riveting story that is equal parts holy quest, Byzantine intrigue, and cutting edge science.

**Bible Code Bombshell** R. Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ. When Ed Sherman, a mathematician with 30 years of experience, and Nathan Jacobi, an Israeli physicist, set out to debunk claims that there were mysterious codes in the Hebrew Old Testament, they could not have envisioned the startling conclusions they would reach. As Dr. Jacobi, an agnostic Jew, looked for lengthy Hebrew codes about Christ, repeatedly he discovered compelling excerpts from the life of the man from Nazareth. Time and again, Dr. Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts. Moreover, these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ: Isaiah 53 and Psalms 22. Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand. In this highly readable book, Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible. Unlike other Bible code books, this unique book features codes that are phrases and sentences, and not just one or two word codes. The only code book by researchers that are internationally recognized mathematicians and statistical experts. Responds directly and accurately to Bible code critics.

**Celebrities and Movie Stars Death Bible Code, Vol. 1 - Their Deadly Diseases** Steve Canada, 2014-05-01

Celebrities and movie stars around the world die from different types of causes among them diseases, the subject of Volume 1 of this 3 Volume series, cancers. Vol 2, due out in March 2014, and other causes. Vol 3, accidents, skiing, car crashes, plane crashes, fire, and drowning, murders, overdoses, and suicides, all found Bible encoded with their names, due in April 2014. These are searched for with the victims' names using a Bible Code program, and surprisingly, all are found encoded in the Torah, the Hebrew Bible. In this Vol 1, deadly diseases of various specific kinds are found along with the names of the celebrities and movie stars who died from them, all in the same Matrix search result for the key word malignancy. An attempt is made to put the Bible Code mystery in the context of meaning in the book's Conclusion. Bible Code applications and method are explained in the Preface, Introduction, and Addendum 1. In memoriam for the departed, two original poems by the author are shown in the Epilogue. His poems have appeared in literary journals in 5 countries over 40 years and with at least one Nobel Prize.

**The Kinsman Redeemer** Dennis Knotts,2023-03-09 Each of us is faced with an impossible problem Each of us has broken some portion of God s Law That s called sin Unfortunately this means we are destined to stand before God at the Great White Throne Judgment at the end of time God s Law is pure law It is cold logical unemotional and perfect It is just It is righteous But as such it does not offer grace compassion forgiveness or hope Therefore each of us will be found guilty and sentenced to the Lake of Fire That is our eternal fate under God s Law God does not want to do this but His Law forces Him to find us guilty and sentence us to suffer for all eternity How can God avoid the demands of the Law fulfill the letter of the Law keep the Law intact and still deal with us in love grace and compassion God is able to use a little known clause in His Law to offer a solution to this problem It is a plea bargain agreement to satisfy the Law and still save us To this end He wrote the Bible a legally binding contract to offer an escape

**When the Great Abyss Opened**

J. David Pleins, 2009-08-19 The story of Noah's flood is one of the best loved and most often retold biblical tales the inspiration for numerous children's books and toys novels and even films Whether as allusion archetype or literal presence the American landscape is peppered with recreations of the ark the story of Noah's animals and the ark resonates throughout American culture and the world While most think of Noah's ark as a dramatic myth others are consumed by the quest for geological and archeological proof that the flood really occurred Persistent rumors of a large vessel on the mountain of Ararat in Turkey for instance have led many pilgrims and explorers over the centuries to visit that fabled peak Recent finds suggest that there may have been a catastrophic flood on the shores of the Black Sea some 7,600 years ago Is this then the reality behind the ancient tale of Noah More to the point why does it matter What does the story of the Flood mean to us and why does it so stir the collective imagination When the Great Abyss Opens examines the history of our attempts to understand the Flood from medieval Jewish and Christian speculation about the physical details of the ark to contemporary efforts to link it to scientific findings Unraveling the mythical dimensions of the parallel Mesopotamian flood stories and their deeper social and psychological significance J. David Pleins also considers the story's positive uses in theology and moral instruction Noah's tale however has also been invoked as a means of justifying exclusion racism and anti-homosexual views Pro-slavery advocates for example used the story of Noah's Curse on Ham's son Canaan to rationalize the enslavement of Africans Throughout this expansive and lively book Pleins sheds new light on our continuing attempts to understand this ancient primal myth Noah's Flood he contends offers a unique case study that illuminates the timeless and timely question of how fact and faith relate Out of Context Richard L. Schultz, 2012-11-01 Although 92% of American households own at least one Bible their use of the Bible varies significantly Only 59% of Americans read the Bible at least occasionally and an even smaller percentage go beyond merely reading the Bible and actually study it It is no wonder that even those who say they read the Scriptures often don't understand them Veteran Bible professor Richard L. Schultz believes the misinterpretation and misapplication of biblical texts amounts to a crisis of interpretive malpractice In *Out of Context* he seeks to explain how biblical interpretation goes wrong and how to get it right He introduces readers to the important concepts of context word meaning genre and the differences between the world of the Bible and our own Readers who delve into the fascinating world of biblical interpretation found in this book will find their Scripture reading enhanced and be enlightened by Schultz's powerful and ultimately positive message *Uncovering the Mysteries of God* Jeff Kinley, 2011-08 How could Christ be fully man and fully God If God is all loving and all powerful why does he allow pain and suffering Although we have all heard these questions before and perhaps asked them ourselves Jeff Kinley presents these age-old questions in a new light one that speaks to today's generation and their perspective on the world Structured like a mystery novel *Uncovering the Mysteries of God* has each chapter center on an issue or case as in Chapter 8 Case of the Disappearing Bride The Mystery of the Rapture where Kinley examines what the Bible says about the return of Christ treating it like a

Missing Persons File For this generation of believers who are willing to linger in the unknown Kinley does not really answer any of the questions he poses but simply comes to them with fresh perspective some hard facts and a captivating style that will inspire readers to try and solve these mysteries for themselves      **Advances in Pattern Recognition** Adnan Amin,Dov Dori,Pavel Pudil,Herbert Freeman,1998-07-29 9      **Heaven and Hell Are Full** Steve Canada,2014-02-28 The result of years of research the eight chapters in this book are excerpts from earlier unpublished books by the author They offer a collection of angels names from major religions found encoded in the Torah names not necessarily found in the surface text but found when a Bible code program is used to uncover some of the secrets buried deep in the sacred text      *Autobiography of a Repaired Physician* Prospero Shimshon Shimon,2011-01-29      Northern Lights Colette Lane,2023-11-28 Go along on a journey with the author as she explores the exciting and mysterious realms of the supernatural and psychic phenomena UFOs and extraterrestrial activity This story is based on true events
