From Thorpe **Nate** Daniella Brodsky, 2021-08-13 An instalove short and steamy workplace romance

NATE Inappropriate does not begin to describe the email my new assistant sent me I'll be the one in the skimpy outfit isn't even the worst thing she wrote I rack my brain for a rational explanation as to why she would proposition me but I can't find one On what planet is sharing your fantasy with your new boss acceptable Things only ratchet up to nuclear when it turns out she's stunning and has an effect on me I can't explain All I know for sure is that this whole thing spells trouble And I certainly don't need any more of that The twisted burn scar on the inside of my arm is a reminder as if I need one I came all the way to San Francisco from Sydney to escape that kind of trouble I will never let myself be burned by anyone again literally or figuratively And yet everything about Elle screams that we were meant to meet ELLE At 23 the last thing I thought I would be is the guardian to my fifteen year old sister working three night jobs to make ends meet prepping meals in a crockpot and buying Ziplocs by the truckload And yet here I am So when I land an executive assistant job that pays twenty grand more than all those jobs put together I'm not gonna do anything to screw it up Too bad my sister doesn't feel the same She doesn't want me missing the school drop offs so she decides to write an email to my boss that makes him think I'm going to put the moves on him in some hot boss secretary fantasy She is so punished but I'm mortified Just when I

think it couldn't get any worse it turns out I start having those steamy office affair fantasies all on my own And what's more I'm pretty sure Nate is too With so much to lose surely we can keep things professional But when I see the way he fills out a shirt I know I've got my work cut out for me Jump into bed with The Embers Series sizzling instalove short stories They are swoony sexy and oh so much fun And at 90 minutes you're guaranteed your HEA in a single H O T sitting The Embers Series have crossover characters and can be read in any order NO cliffhangers NO cheating EMBERS SERIES 90 minute quickie romance reads Book 1 Liam Book 2 Gareth Book 3 Cormac Book 4 Nate Book 5 Leo KEYWORDS instalove romance steamy sexy hot short stories international romance swoon worthy romance Australian romance contemporary romance aussie romance office romance workplace romance boss romance new adult short reads short stories one hour reads series short romance books quick reads story collection insta love novella happily ever after love books love stories romantic novels sexually romantic books guaranteed HEA
