Cradle Of Erotica:

The cradle of erotica Allen Edwardes, Robert E. L. Masters, 1966 The Cradle of Erotica Allen Edwardes, Robert E. L. Masters, 1962 **For the Record** Anjali Arondekar, 2009-09-15 A study of the colonial state's imposition of regimes of sexuality as seen through archives of law literature and pornography **The Erotic Margin** Irvin C. Schick, 2020-05-05 Gender and sexuality have long held an important place in western attitudes towards the people and regions of the world from the titillating accounts of harem life in the Middle East to terrifying captivity narratives of North America The Erotic Margin is a first attempt to pull together the large disparate and often contradictory literature and view it as a corpus Schick argues that such images served to construct spatial difference and thereby helped Europe represent its own place in the world during an age of rapid geographical expansion Informed by the recent literature on human geography as well as feminist and postcolonial theory The Erotic Margin focuses on erotica and sexual anthropology as well as travel literature in which from the eighteenth century on both traveler and destination were portrayed in unmistakably gendered and sexualized terms Reviewing examples ranging from the New World to India the Near East to black Africa and the South sea islands to the Barbary Coast the book reflects on why foreign women were variously portrayed as alluring or threatening foreign men as effeminate weaklings or dangerous rapists and foreign lands as sexual idylls or hearts of darkness **Penthouse**, 1972 **Articulate Flesh** Gregory Woods, 1987-01-01 Discusses the themes of the male body war and homosexual love in poetry and analyzes the poetry of D H Lawrence Hart Crane W H Auden Allen Ginsberg and Thom Gunn *Paschal Beverly Randolph* John Patrick Deveney, 1997-01-01 His most enduring claim to fame is the crucial role he played in the transformation of spiritualism a medium's passive reception of messages from the spirits of the dead into occultism the active search for personal spiritual realization and inner vision *Sexuality in America* Robert T. Francoeur, Patricia Koch, David Weis, 1999-08-01 Now available in a new paperback edition this survey is different in both breadth and scope from all other reports on sexuality in the United States It covers every topic imaginable from a multicultural point of view in order to reflect fully the complex society in which we live the biological psychological social and spiritual aspects of our sexual lives **Postcolonism** Diana Brydon, 2023-01-06 First published in 2004 This is Volume III of Postcolonialism part of a series of critical concepts in literary and cultural studies This edition includes part six on Orientalisms part seven on Thinking Working Through Race and part eight which covers Feminisms and Gender Analysis *Islamic Homosexualities* Will Roscoe, Stephen O. Muslim World reveals that patterns of male and female homosexuality have existed and often flourished within the Islamic world. Indeed, same sex relations have until quite recently been much more tolerated under Islam than in the Christian West. Based on the latest theoretical perspectives in gender studies, feminism and gay studies, *Homosexuality in the Muslim World* includes cultural and historical analyses of the entire Islamic world, not just the so-called Middle East. Essays show both age stratified patterns of homosexuality as revealed in the erotic and romantic poetry of medieval poets and gender based patterns in which both men and women might to varying degrees choose to live as members of the opposite sex. The contributors draw on historical documents, literary texts, ethnographic observation and direct observation by both Muslim and non-Muslim authors to show the considerable diversity of Islamic societies and the existence of tolerated gender and sexual variances.

Child Protection Freda Briggs, 2018-10-01 This exceptionally well researched book's intention is to reveal what is really happening in our society and to spur people into action to turn this shameful and complex problem around so that abuse stops and healing can begin. It should be a compulsory handbook for all whose work involves children especially in the legal system all human services schools pre schools and foster care. It covers all aspects of child abuse and neglect and presents recent case studies of acts of abuse and the ways they have been dealt with in recent times. It is books such as this that get the message out there so that something is done in this supposedly enlightened age.

A Brief History of Oral Sex David DePierre, 2017-07-10 The ancient Greeks and Romans considered it degrading to both parties yet depicted it prolifically in art and literature. The Early Christian Church called it the worst evil punishable by seven years of penance and fasting. Murder was one year. Nearly all of the 13 original American colonies had laws against it except Georgia. A Victorian handbook for young brides advised how to dampen his desire to kiss in forbidden territory. Attitudes about oral sex have varied through the centuries and across cultures a death sentence in some nations a religious practice in others. This book explores its history as well as its impact on world events.

The Films of Larry Buchanan Rob Craig, 2007-04-30 Films such as *The Naked Witch* *Zontar* *The Thing From Venus* and *Mars Needs Women* have gained large cult followings and movies like *A Bullet For Pretty Boy* *Free White and 21* and *Goodbye Norma Jean* became box office hits. Still no other independent filmmaker of the latter 20th century may elicit such a disparity of response from general movie audiences and cult film buffs alike as the late legendary Larry Buchanan. This study the first serious examination of Buchanan's body of work addresses consistent themes such as the end of suburbia the rebel outsider the oppressive establishment the curse of fame and creatures of destruction. The highly political subtext found in virtually every one of the filmmaker's projects is also explored. Chapters are devoted to more than 20 of Buchanan's films information on some of the unfinished unreleased and in at least one case deliberately destroyed projects is offered as well. Photographs illustrating nearly all the films are included.
