Crafty Detectives:

Crafty Detectives Nick Huckleberry Beak, 2000 In this fast paced spy thriller a self described ordinary fellow stumbles upon a plot involving not only espionage and murder but also the future of Britain itself Richard Hannay arrives in London on the eve of World War I where he encounters an American agent seeking help in preventing a political assassination Before long Hannay finds himself in possession of a little black book that holds the key to the conspiracy and on the run from both the police and members of a mysterious organization that will stop at nothing to keep their secrets hidden This is the first of five novels in John Buchan s Greenmantle series featuring the adventures of the stalwart and resourceful Richard Hannay Originally published in 1915 it also served as the basis for several movies and plays including Alfred Hitchcock s classic cinematic adaptation

The Crafty Reader Robert Scholes, 2008-10-01 I believe that it is in our interest as individuals to become crafty readers and in the interest of the nation to educate citizens in the craft of reading The craft not the art This book is about that craft from the Introduction This latest book from the well known literary critic Robert Scholes presents his thoughtful exploration of the craft of reading He deals with reading not as an art or performance given by a virtuoso reader but as a craft that can be studied taught and learned Those who master the craft of reading Scholes contends will justifiably take responsibility for the readings they produce and the texts they choose to read Scholes begins with a critique of the New Critical way of reading bad for poets and poetry and really terrible for students and teachers of poetry using examples of poems by various writers in particular Edna St Vincent Millay He concludes with a consideration of the strengths and weaknesses of the fundamentalist way of reading texts regarded as sacred To explain and clarify the approach of the crafty reader the author analyzes a wide ranging selection of texts by figures at the margins of the literary and cultural canon including Norman Rockwell Ana s Nin Dashiell Hammett and J K Rowling Throughout his discussion Scholes emphasizes how concepts of genre affect the reading process and how they may work to exclude certain texts from the cultural canon and curriculum

A Time of terror Douglas Morey Ford, 2025-03-08 An Englishman returning to his native land after an absence of twenty five years might not at first discover much difference in the look of London There stood the old familiar landmarks Buckingham Palace St James s the Marble Arch Apsley House Westminster Abbey the Houses of Parliament the National Gallery the British Museum St Paul s the Tower the Monument and many another well remembered building There were new hotels new theatres new buildings of all sorts and at least one notable new thoroughfare In the great arteries of business the old familiar thunder of the traffic rose louder than ever with the modern addition of a new smell and a new noise the smell and the whirl of the motor car The mean streets were as mean as ever the contrast between this and that locality more than ever noticeable And the people save for the scarcely perceptible change in fashion of dress at first looked pretty much the same There were more loafers more wastrels more sprawling scarecrows of humanity in the parks and along the Embankment The richest city in the world still had thousands and more thousands of homeless miserable creatures in its
