Creating A Safe Friendly School Lunchroom Hallways Playground And More:

In Our School Karen Lynn Casto, Jennifer R. Audley, 2008 Building school community builds students learning Whether you re just beginning to think about building schoolwide community or already well along *In Our School* is a resource for inspiration guidance and practical adaptable ideas Principal ,2006 PBIS: Positive Behavior Interventions and Supports Christine Ditrano, 2015-04-01 This reference guide by Christine Ditrano provides both schoolwide as well as classroom strategies for preventing disruptive behavior and enhancing a school s organizational climate using Positive Behavior Interventions and Supports or PBIS The guide outlines topics such as PBIS structure PBIS team composition PBIS team tasks PBIS and RTI Using a behavioral matrix Lesson planning Using data to make decisions Function based interventions Developing a school wide information system SWIS It includes specific strategies for preventing and responding to problem behaviors at tiers 1 2 and 3 and managing minor problem behaviors in classroom and non classroom settings Community-Centered School Leadership Gwen Agna, 2025 Written by a successful elementary school principal this book sheds light on everyday practices and shares practical strategies that support leaders growth and commitment to equity The author chronicles her formative years education and 24 years of experience as a principal reflecting on the critical role of school leadership in the age of accountability and a political environment that influences the work of educators Agna uses examples of social justice pedagogy to show how a principal s role and responsibilities can be adapted to include being a change agent as well as real life stories that illustrate how leadership is manifest in a school committed to antibias education This lifetime journey has been defined by a commitment to developmentally appropriate inclusive and antiracist practices to improve education for all children Readers will come to appreciate the awesome power of the principal to shape influence support and change a school Book Features An insider view of how childhood and educational experiences shape the educator and how to lead without compromising your principles and ethics Approaches for meeting state and national curriculum standards while integrating social justice in all that occurs in teaching and learning Strategies for encouraging and incorporating teacher and student empowerment and voice in the operation of a school Encouragement for classroom teachers to consider the principal s job as an option on the career ladder Photographs that illustrate the main points as well as educator friendly forms and templates principals can use with staff *Critiquing Social and Emotional Learning* Clio Stearns, 2019-03-08 Social and Emotional Learning SEL has been steadily gaining traction in education but little attention has been paid to its underlying assumptions In *Critiquing Social and Emotional Learning* Psychodynamic and Cultural Perspectives Clio Stearns draws on qualitative classroom observations teacher interviews and analysis of prominent SEL program materials to offer a critique of SEL as a codified phenomenon Stearns questions undergirding presumptions about children teachers and SEL s interplay with cultural and educational trends Claiming that SEL participates in cultural demands for hegemonic positivity Stearns illustrates the dangers and undesirable demands of this impossible curricular

regime In particular Stearns highlights how closeness and understanding in the classroom are repeatedly circumvented and how normative and necessary parts of life like negative affect and interpersonal conflict are disregarded In Stearns s view the educational community should not consider children s social and emotional worlds as fair domain for mastery or learning Instead we should consider social and emotional education as something without a predetermined endpoint requiring the joint and ongoing participation of teachers and students

Bullying, Suicide, and Homicide Butch Losey,2011-06-13 In our society bullying is commonly seen as a normal inescapable part of growing up that children and adolescents must simply endure In *Bullying Suicide and Homicide* Butch Losey challenges this viewpoint arguing that bullying is not a part of childhood development but rather an aberrant behavior that for the victim can lead to adverse decisions such as suicide and homicide He provides a detailed understanding of the relationship between bullying suicide and homicide and an assessment and response strategy that can be utilized by mental health professionals who work with children and adolescents This strategy involves a three stage ecological approach screening to identify warning signs for bullying depression suicide and violence by means of the Bullying Lethality Identification System BLIS developed by Losey and a colleague assessing the risks of suicide and threats of violence using specially tailored forms and tools and mediating to identify appropriate interventions All of the associated tools and forms that the author has created are included as appendices and on the accompanying downloadable resources Losey s sensitive and compassionate treatment of this important subject will inform and motivate mental health professionals in their work with victims of bullying
