Healing Within Michael W. Kovarik,2014 Healing Within came to be from my journey with breast cancer This healing passage evolved over a few years It did not present itself right away but transpired when I was ready for it to begin First I had to become conscious of this path and perfect a balance within With my initial diagnosis I gave full authority to my traditional doctors a traditional drug therapy and fear It would take a second discovery of this illness to fuse me with my heart and soul My journey to heal within drew me to a path reaching the deepest caverns of my being It was a remarkable awakening of my ability to hear the whispers of my inner voice as it guided me to who I truly am to be It is this disease so grounded in dread and fear that had the power to awaken me to my heart my soul and the quest they were guiding me to be part of Its precious gift life a full life When listening to our inner voice we embrace its message treasure its guidance and trust its love This comforting intimate instrument gently guides us in discovering our authentic self one s genuine life path and the potential we possess to truly heal within Michael W Kovarik 7 Mysteries Alesia Matson,2004-03-14 Using the symbolic information encoded in the number seven this groundbreaking work makes meditation contemplation and prayer

Evolutionary Intelligence Rolf W. Frohlich, 2009-04 Human nature holds the intelligence of life It provides a psychology that is much stronger more effective and more reliable than the psychology society teaches us This psychology taps into the evolutionary survival experience of our species which occupied most of human history It was the period when the species evolved and our ancestor survived as a hunter and gatherer More than 99% of human history is encoded in the DNA of our genes and lastingly etched into the human psyche Our natural psychology the human psyche is the result of evolutionary adaptation The psyche provides the genetic capacity for behavioral mental and spiritual adaptation It supports the gratification of our needs And it contains the blueprint of human life The book is about human nature and human survival Human nature that is the human psyche has survival value The book introduces a metapsychology that refers to the Jungian archetypes and the survival capabilities inherent in the psyche Like all living organisms and forms of life we possess an innate capacity for survival By awakening this evolutionary intelligence we gain access to the primordial power and wisdom of the archetypal psyche This innate psychology transcends the cultural conditioning that has shaped us all and erects an entirely different reference system making us look at life in a new way We live in a world that reflects human nature and we are well equipped to survive in it Beyond that there is also something in us that resonates with a larger context Our psychological constitution relates us to the outer realities of nature and cosmos It is in this sense that we partake in the evolution of life on this planet and in the larger design of a cosmic universe This primary psyche is shared by all humanity as part of a common biological and psychological history Twelve Years in Alaska Melissa L.
