Creation Of The British Atlantic World:

The Creation of the British Atlantic World Elizabeth Mancke, Carole Shammas, 2005 *The British Atlantic World, 1500-1800* David Armitage, Michael J. Braddick, 2009-01-15 This core textbook gathers an international team of historians to present a comprehensive account of the central themes in the histories of Britain British America and the British Caribbean seen in Atlantic perspective This collection of individual essays provides an accessible overview of essential themes such as the state empire migration the economy religion race class gender politics and slavery This new and revised edition brings this text up to date with recent work in the field of Atlantic history and extends its scope to cover themes not treated in the first edition notably the history of science and global history Placing the British Atlantic world in imperial and global contexts this book offers an indispensable survey of one of the liveliest fields of current historical enquiry This text is a primary resource for both undergraduate and postgraduate students of History particularly those taking modules on Early Modern British History Colonial American History Early American History Caribbean History Atlantic History and World History Together the essays also provide a useful starting point for researchers in British American imperial and Atlantic history New to this Edition Updated and expanded to take account of new research Two new essays treating Science and The British Atlantic World in Global Perspective Timeline of British Atlantic history A revised Introduction and updated guides to further reading *The British Atlantic World, 1500-1800* David Armitage, Michael J. Braddick, 2002 The British Atlantic World 1500 1800 gathers an international team of historians to present the first comprehensive account of the central themes in the histories of Britain British America and the British Caribbean seen in Atlantic perspective the state empire migration the economy religion race class gender politics and slavery Together the essays will be a primary resource for students and teachers and a stimulus to researchers in British American imperial and Atlantic history more generally *The Materials of Exchange between Britain and North East America, 1750-1900* Daniel Maudlin, Robin Peel, 2016-03-03 Taking a multidisciplinary approach to the complex cultural exchanges that took place between Britain and America from 1750 to 1900 The Materials of Exchange examines material visual and print culture alongside literature within a transatlantic context The contributors trace the evolution of Anglo American culture from its origins as a product of the British North Atlantic Empire through to its persistence in the post Independence world of the nineteenth and early twentieth centuries While transatlanticism is a well established field in history and literary studies this volume recognizes the wider diversity and interactions of transatlantic cultural production across material and visual cultures as well as literature As such while encompassing a range of fields and approaches within the humanities the ten chapters are all concerned with understanding and interpreting the same Anglo American culture within the same social contexts The chapters integrate the literary with the material offering alternative and provocative perspectives on topics ranging from the child made book to representations of domestic slaves in literature by way of history painting travel writing architecture and political plays By focusing on

cultural exchanges between Britain and the north eastern maritime United States over nearly two centuries the collection offers an in depth study of Britain s relationship with a single region of North America over an extended historic period Contributors have resisted the temptation to prioritize the relationship between New England and England in particular by placing this association within the contexts of Atlantic exchanges with other northeastern states as well as with the South the Caribbean and Scotland Intended for researchers in literature visual and material culture this collection challenges single subject boundaries by redefining transatlantic studies as the collective examination of the complex and interrelated cultural t

The Royal Navy and the British Atlantic World, c. 1750-1820 John McAleer, 2016-05-22 This book foregrounds the role of the Royal Navy in creating the British Atlantic in the eighteenth century It outlines the closely entwined connections between the nurturing of naval supremacy the politics of commercial protection and the development of national and imperial identities crucial factors in the consolidation and transformation of the British Atlantic empire The collection brings together scholars working on aspects of the Royal Navy and the British Atlantic in order to gain a better understanding of the ways that the Navy protected facilitated and shaped the British Atlantic empire in the era of war revolution counter revolution and upheaval between the beginning of the Seven Years War and the end of the conflict with Napoleonic France Contributions question the limits conceptually and geographically of that Atlantic world suggesting that by considering the Royal Navy and the British Atlantic together we can gain greater insights into Britain s maritime history Colonial Capitalism and the Dilemmas of Liberalism Onur Ulas Ince, 2018 Introduction liberalism and empire in a new key Colonial capitalism and the dilemmas of liberalism framing an inquiry In the beginning all the world was America John Locke s global theory of property Not a partnership in pepper coffee calico or tobacco Edmund Burke and imperial commerce Letters from Sydney Edward G Wakefield and the problem of colonial labor Conclusion bringing the economy back in *Early Modern Europe, 1450-1789* Merry E. Wiesner-Hanks, Merry E. Wiesner, 2013-02-21 Thoroughly updated best selling textbook with new learning features This acclaimed textbook has unmatched breadth of coverage and a global perspective *Connected Worlds* Ann Curthoys, Marilyn Lake, 2006-03-01 This volume brings together historians of imperialism and race travel and modernity Islam and India the Pacific and the Atlantic to show how a transnational approach to history offers fresh insights into the past Transnational history is a form of scholarship that has been revolutionising our understanding of history in the last decade With a focus on interconnectedness across national borders of ideas events technologies and individual lives it moves beyond the national frames of analysis that so often blinker and restrict our understanding of the past Many of the essays also show how expertise in Australian history can contribute to and benefit from new transnational approaches to history Through an examination of such diverse subjects as film modernity immigration politics and romance Connected Worlds weaves an historical matrix which transports the reader beyond the local into a realm which re defines the meaning of humanity in all its complexity Contributors include Tony Ballantyne Desley Deacon John Fitzgerald Patrick Wolfe and Angela Woollacott

The Oxford World History of Empire Peter Fibiger Bang, Christopher Alan Bayly, Walter Scheidel, 2021 This is the first world history of empire reaching from the third millennium BCE to the present By combining synthetic surveys thematic comparative essays and numerous chapters on specific empires its two volumes provide unparalleled coverage of imperialism throughout history and across continents from Asia to Europe and from Africa to the Americas Only a few decades ago empire was believed to be a thing of the past now it is clear that it has been and remains one of the most enduring forms of political organization and power We cannot understand the dynamics and resilience of empire without moving decisively beyond the study of individual cases or particular periods such as the relatively short age of European colonialism The history of empire as these volumes amply demonstrate needs to be drawn on the much broader canvas of global history Volume Two The History of Empires tracks the protean history of political domination from the very beginnings of state formation in the Bronze Age up to the present Case studies deal with the full range of the historical experience of empire from the realms of the Achaemenids and Asoka to the empires of Mali and Songhay and from ancient Rome and China to the Mughals American settler colonialism and the Soviet Union Forty five chapters detailing the history of individual empires are tied together by a set of global synthesizing surveys that structure the world history of empire into eight chronological phases

The Oxford Handbook of the Protestant Reformations Ulinka Rublack, 2017 This Handbook takes a broad overview of the Protestant Reformations seeing them as movements which stretched far beyond their European beginnings Written by a team of international scholars of history and theology the contributions offer up to date perspectives on Reformation ideas and the lasting historical impact of Protestantism

Bridging the Early Modern Atlantic World Caroline A. Williams, 2016-04-15 Bridging the Early Modern Atlantic World brings together ten original essays by an international group of scholars exploring the complex outcomes of the intermingling of people circulation of goods exchange of information and exposure to new ideas that are the hallmark of the early modern Atlantic Spanning the period from the earliest French crossings to Newfoundland at the beginning of the sixteenth century to the end of the wars of independence in Spanish South America c 1830 and encompassing a range of disciplinary approaches

the contributors direct particular attention to regions communities and groups whose activities in and responses to an ever more closely bound Atlantic world remain relatively under represented in the literature Some of the chapters focus on the experience of Europeans including French consumers of Newfoundland cod English merchants forming families in Spanish Seville and Jewish refugees from Dutch Brazil making the Caribbean island of Nevis their home Others focus on the ways in which the populations with whom Europeans came into contact enslaved or among whom they settled the Tupi peoples of Brazil the Kriston women of the west African port of Cacheu among others adapted to and were changed by their interactions with previously unknown peoples goods institutions and ideas Together with the substantial Introduction by the editor which reviews the significance of the field as a whole these essays capture the complexity and variety of experience of the countless men and women who came into contact during the period whilst highlighting and illustrating the porous and fluid nature in practice of the early modern Atlantic world

The Corporation as a Protagonist in Global History, c. 1550-1750, 2018-12-10 William A Pettigrew and David Veevers put forward a new interpretation of the role Europe s overseas corporations played in early modern global history recasting them from vehicles of national expansion to significant forces of global integration Across the Mediterranean Atlantic Indian Ocean and Pacific corporations provided a truly global framework for facilitating the circulation movement and exchange between and amongst European and non European communities bringing them directly into dialogue often for the first time Usually understood as imperial or colonial commercial enterprises The Corporation as a Protagonist in Global History reveals the unique global sociology of overseas corporations to provide a new global history in which non Europeans emerged as key stakeholders in European overseas enterprises in the early modern world Contributors include Michael D Bennett Aske Laursen Brock Liam D Haydon Lisa Hellman Leonard Hodges Emily Mann Simon Mills Chris Nierstrasz Edgar Pereira Edmond Smith Haig Smith and Anna Winterbottom

Revolutionary America, 1763-1815 Francis D. Cogliano, 2016-12-01 Revolutionary America explains the crucial events in the history of the United States between 1763 and 1815 when settlers of North America rebelled against British rule won their independence in a long and bloody struggle and created an enduring republic Centering the narrative on the politics of the new republic Revolutionary America presents a clear history of the War of Independence and lays a distinctive foundation for students and scholars of the early American republic Author Francis D Cogliano pays particular attention to the experiences of those who were excluded from the immediate benefits and rights secured by the creation of the republic including women Native Americans and African Americans This third edition has been fully revised and updated to incorporate the insights of the latest scholarship throughout including additional discussion of regional differences and the role of religion New chapters cover the War of 1812 the Revolution as a social movement and the experience of Loyalists allowing students to grasp further dimensions of the conflict and the emergence of the United States

English Atlantics Revisited Nancy L. Rhoden, 2007-08-09 Ian K Steele s pioneering work in imperial and early North American history was a pivotal contribution to

the establishment of Atlantic history as a field His study of a unified English and later British Atlantic challenged American exceptionalism and encouraged the current wave of interest in Atlantic studies *The Economy of Early America* Cathy D. Matson,2006 In recent years scholars in a number of disciplines have focused their attention on understanding the early American economy This text enters the resurgent discussion by showcasing the work of leading scholars who represent a spectrum of historiographical and methodological viewpoints The World the Plague Made James Belich,2024-06-25 A groundbreaking history of how the Black Death unleashed revolutionary change across the medieval world and ushered in the modern age In 1346 a catastrophic plague beset Europe and its neighbours The Black Death was a human tragedy that abruptly halved entire populations and caused untold suffering but it also brought about a cultural and economic renewal on a scale never before witnessed The World the Plague Made is a panoramic history of how the bubonic plague revolutionized labour trade and technology and set the stage for Europe s global expansion James Belich takes readers across centuries and continents to shed new light on one of history s greatest paradoxes Why did Europe s dramatic rise begin in the wake of the Black Death Belich shows how plague doubled the per capita endowment of everything even as it decimated the population Many more people had disposable incomes Demand grew for silks sugar spices furs gold and slaves Europe expanded to satisfy that demand and plague provided the means Labour scarcity drove more use of waterpower wind power and gunpowder Technologies like water powered blast furnaces heavily gunned galleons and musketry were fast tracked by plague A new crew culture of disposable males emerged to man the guns and galleons Setting the rise of Western Europe in global context Belich demonstrates how the mighty empires of the Middle East and Russia also flourished after the plague and how European expansion was deeply entangled with the Chinese and other peoples throughout the world
