Speak to It Warren C. Winns,2021-05-06 The world you live in was created with the words you have spoken If you don't like your world you must change your words Life and death are in the power of the tongue You must speak life into every situation because the truth of the matter is every time you open your mouth you are creating a positive world around you or a negative world the choice is yours I wish that someone had explained this to me when I was younger because there are plenty of things that I would not have said and there are things that I would have said about my future Can you imagine what this world would be like if we all spoke life to each other Can you imagine what our communities our churches our businesses our families and our children would be like if we spoke what God said about these matters This book is to encourage you and let you know that God needs your voice here on earth that God created you to speak and that your words are powerful No longer will you just talk about a problem you will begin to speak of what God says about that problem Speak to it

The Creation of Man Thomas H. Tobin SJ,2023-12-07 This monograph a revised form of a 1980 Harvard dissertation is a study of Philo s interpretation of the

creation of man in Genesis 1:3 and specifically in 1:27 and 2:7 Tobin approaches this study with two particular questions 1 what were the exegetical traditions available to Philo and what were Philo's own developments and contributions and 2 what was the philosophical milieu of the period in Alexandria and how did this influence both the traditions and their use by Philo Very early in the book Tobin establishes the two basic criteria which he will use in determining which interpretations are Philo's own and which are those of his predecessors Pre-Philonic interpretations are 1 those which Philo tells us directly are not his own and 2 those which clash with a position which spans the entire Philonic corpus and thus can be identified as Philo's own
