Arms Control And The Atlantic Community:

Arms Control and the Atlantic Community Werner J. Feld, 1987-06-04 With arms control receiving strong public opinion in the U S and Western Europe a comparative analysis of American and West European security interests may allow for the projection of a course for arms control negotiations until the end of the decade *Arms Control and the Atlantic Community* provides such an analysis covering aspects of the arms control problem which so far have not been examined systematically The author asserts that public opinion in the U S and Western Europe will undoubtedly play a major role both in supporting the arms control negotiations and in possibly opposing a continuation of the nuclear arms race **Army**, 1987 **Power**
