Army Of The Potomac 3vol:

The History of the U.S. Army Medical Service Corps Richard V. N. Ginn,1997 No Soap, No Pay, Diarrhea, Dysentery & Desertion Jeff Toalson,2006-08-18 No Soap No Pay Diarrhea Dysentery Desertion is a groundbreaking study of life during the final sixteen months of the Confederacy Civil War studies normally focus on military battles campaigns generals and politicians with the common Confederate soldier and Southern civilians receiving only token mention Using personal accounts from more than two hundred seventy soldiers farmers clerks surgeons sailors chaplains farm girls nurses nuns merchants teachers and wives author Jeff Toalson has created a compilation that is remarkable in its simplicity and stunning in its scope These soldiers and civilians wrote remarkable letters and kept astonishing diaries and journals They discussed disease slavery inflation religion desertion blockade running and their never ending hope that the war would be over before their loved ones died As in all wars these are the people who suffer the most and glory is hard to find amid lice dysentery starvation and death A significant contribution to Civil War literature No Soap No Pay Diarrhea Dysentery Desertion will open vistas to a side of the war with which most are only mildly familiar The words of these individuals are an honest powerful and poetic portrayal of the war s effect on their lives The Quartermaster Robert O'Harrow,2016-10-25 Born to a well to do connected family in 1816 Montgomery C Meigs graduated from West Point as an engineer He helped build America s forts and served under Lt Robert E Lee to make navigation improvements on the Mississippi River As a young man he designed the Washington aqueducts in a city where people were dying from contaminated water He built the spectacular wings and the massive dome of the brand new US Capitol Introduced to President Lincoln by Secretary of State William Seward Meigs became Lincoln s Quartermaster It was during the Civil War that Meigs became a national hero He commanded Ulysses S Grant s base of supplies that made Union victories including Gettysburg possible He sustained Sherman s army in Georgia and the March to the Sea After the war Meigs built Arlington Cemetery on land that had been Robert E Lee s home The author brings Meigs alive in this book We get to know this major military figure that Lincoln and his Cabinet and Generals called the key to victory and learn how he fed clothed and armed the Union Army using his ingenuity and devotion Amazon com McClellan and the Union High Command, 1861-1863 Jeffrey W. Green,2017-02-19 With Washington s proximity to the Confederate capital of Richmond Union military operations in the first two years of the Civil War focused mainly on the Eastern Theater where General McClellan commanded the Army of the Potomac McClellan s On to Richmond battle cry dominated strategic thinking in the high command When he failed and was sacked by President Lincoln a coterie of senior officers sought his return This re examination of the high command and McClellan s war in the East provides a broader understanding of the Union s inability to achieve victory in the first two years and takes the debate about the Union s leadership into new areas Military Ballooning During the Early Civil War F. Stansbury Haydon,2000-07-14 Crouch senior curator of the Aeronautics Division at the National Air and Space Museum **Battle**

Hymns Christian McWhirter, 2012-03-19 Music was everywhere during the Civil War. Tunes could be heard ringing out from parlor pianos, thundering at political rallies and setting the rhythms of military and domestic life. With literacy still limited, music was an important vehicle for communicating ideas about the war, and it had a lasting impact in the decades that followed. Drawing on an array of published and archival sources, Christian McWhirter analyzes the myriad ways music influenced popular culture in the years surrounding the war and discusses its deep resonance for both whites and blacks South and North. Though published songs of the time have long been catalogued and appreciated, McWhirter is the first to explore what Americans actually said and did with these pieces. By gauging the popularity of the most prominent songs and examining how Americans used them, McWhirter returns music to its central place in American life during the nation's greatest crisis. The result is a portrait of a war fought to music.

Three Years a Soldier George Perkins, 2006 Taken together, the diary, newspaper letters, and other documents tell a coherent story from the viewpoint of an educated private soldier in the Army of the Potomac. Not only did Perkins provide detailed, accurate reports of the battles and camp life of his service, but he also criticized top Army leadership and offered commentaries on major personal and national issues, including his notions of the nature of courage, political issues such as the treatment of draft dodgers, and the effects of slavery. Book jacket.

The Medical and Surgical History of the War of the Rebellion, 1888

'Tis Not Our War Paul Taylor, 2024-06-18 James McPherson's classic book *For Cause and Comrades* explained why men fought in the Civil War and spurred countless other historians to ask and attempt to answer the same question. But few have explored why men did not fight. That's the question Paul Taylor answers in this groundbreaking Civil War history that examines the reasons why at least 60 percent of service-eligible men in the North chose not to serve and why, to some extent, their communities allowed them to do so. Did these other men not feel the same patriotic impulses as their fellow citizens who rushed to the enlistment office? Did they not believe in the sanctity of the Union? Was freeing men held in chains under chattel slavery not a righteous moral crusade? And why did some soldiers come to regret their enlistment and try to leave the military? *'Tis Not Our War* answers these questions by focusing on the thoughts, opinions, and beliefs of average civilians and soldiers. Taylor digs deep into primary sources—newspapers, diaries, letters, archival manuscripts, military reports, and published memoirs—to paint a vivid and richly complex portrait of men who questioned military service in the Civil War and to show that the North was never as unified in support of the war as portrayed in much of America's collective memory. This book adds to our understanding of the Civil War and the men who fought and did not fight in it.

United States Armed Forces Medical Journal, 1951

This Hallowed Ground Bruce Catton, 1998 This history of the American Civil War chronicles the entire war to preserve the Union from the Northern point of view, but in terms of the men from both sides who lived and died in glory on the fields.

"The Bullets Flew Like Hail" James L. McLean, 2023-04-26 On July 1, 1863, Brigadier General Lysander Cutler commanded the first Union infantry to relieve Brigadier General John Buford's hard-pressed cavalry on the western outskirts of Gettysburg. The brigade's stubborn

defense along McPherson's Ridge and the arrival of the famous Iron Brigade stopped the Confederate advance on the town and set the tone for the three day battle. All of this is laid out in *The Bullets Flew Like Hail*. Cutler's Brigade at Gettysburg from McPherson's Ridge to Culp's Hill by James L. McLean Jr. Early in the fight two of the brigade's regiments the 14th Brooklyn and the 95th New York along with the Iron Brigade's 6th Wisconsin participated in one of the most famous assaults of the war. The three regiments simultaneously charged across open ground, repulsed the attack of Brigadier General Joseph Davis's Rebel brigade and captured a large number of Mississippi and North Carolina troops protected by an unfinished railroad cut. By the end of July 1 Cutler's brigade had fought against Confederate brigades led by James Archer, Joseph Davis, Alfred Iverson, Junius Daniels and Alfred Scales. The brigade was one of the last to leave the field of battle and successfully reformed on Cemetery Hill. On July 2 the brigade was sent to Culp's Hill. During the evening of July 2 and the early morning hours of July 3 Cutler's men assisted Brigadier General George Greene's 12th Corps brigade in repulsing spirited Southern attacks against the Union right flank. In doing so Cutler's veterans held the distinction of being among the few Union troops who fought all three days of the battle. The performance of the brigade at Gettysburg came at a great cost. In the battle only five Union and Confederate brigades sustained 1,000 or more casualties. Cutler's brigade was one of them. This brigade deserves to be recognized for its heroic performance throughout the fight. Accompanying the text in *The Bullets Flew Like Hail* are 39 detailed maps depicting troop movements throughout each phase of the battle. A photographic supplement provides a look at the battlefield's terrain and the major personalities discussed within the book.

A Compendium of the War of the Rebellion, 1908

Three Days at Gettysburg Gary W. Gallagher, 1999. A collection of essays from Civil War historians on leadership during the three day Battle of Gettysburg. Based on manuscript sources and consideration of existing literature the contributors challenge prevailing interpretations of key officers' performances.

Upton's Regulars Salvatore G. Cilella, 2009. The harsh realities of Civil War life as seen through the eyes of the hard fighting upstate New York regiment the 121st New York State Volunteer Infantry Regiment. Combs' letters, diaries and memoirs to let the soldiers recount the war in their own words following them from enlistment through combat and back to civilian life.

United States Air Force History Carl Berger, 1971

British Museum Catalogue of printed Books, 1897

The War of the Rebellion United States War Department, 1893

The 101st Pennsylvania in the Civil War, Its Capture and POW Experience Harold B. Birch, 2007. A dead woman found floating in the hot tub of an expensive vacation home rocks the tranquility of a Puget Sound island community. For the young couple who discovers the body it shatters their Valentine's Day love tryst and turns their lives upside down. Aaron Klein finds himself accused of the murder. Tami Stillwell is haunted by memories of a death in Texas four years before that was eerily similar. For Scottish forensic pathologist Donald McLure the death means an interruption to a quiet Sunday at home with his family. When the owner of the hot tub turns out to be Donald's former girlfriend from his days at Edinburgh University the case takes on a new complexion. Rebuilding his own life after his wife walked out on him.

Donald gets caught between a sense of duty to help out an old friend and a desire to impress the attractive young homicide detective in charge of the case. The investigation turns up unexpected connections to the past connections that other people are eager to cover up at all costs. Donald encounters hostility and deceit as he stumbles onto secrets that challenge his assumptions and threaten his job and his life. From the politics and sophistication of Seattle society to the caves, forests, and waterfalls of the Olympic wilderness, *The Desolation Falls Mystery* is the second adventure involving Scottish forensic pathologist Donald McLure. Naïve and vulnerable in personal matters, his dry observations let the reader view the rich sweep of life in the Pacific Northwest through fresh eyes.

Bruce Catton's Civil War Bruce Catton, 1984. Infinitely readable and absorbing, Bruce Catton's *The Civil War* is one of the best-selling, most widely read general histories of the war available in a single volume. Newly introduced by the critically acclaimed Civil War historian James M. McPherson, *The Civil War* vividly traces one of the most moving chapters in American history from the early division between the North and the South to the final surrender of Confederate troops. Catton's account of battles is carefully interwoven with details about the political activities of the Union and Confederate armies and diplomatic efforts overseas. This new edition of *The Civil War* is a must-have for anyone interested in the war that divided America.

Whispering the Techniques of Language: An Emotional Quest through **Army Of The Potomac 3vol**

In a digitally-driven earth wherever displays reign great and instant interaction drowns out the subtleties of language, the profound secrets and psychological nuances hidden within words often move unheard. However, located within the pages of **Army Of The Potomac 3vol** a interesting literary value pulsing with fresh feelings, lies an extraordinary quest waiting to be undertaken. Published by a skilled wordsmith, this charming opus attracts readers on an introspective journey, softly unraveling the veiled truths and profound impact resonating within the cloth of each and every word. Within the emotional depths with this poignant evaluation, we shall embark upon a genuine exploration of the book is core subjects, dissect its interesting writing fashion, and succumb to the strong resonance it evokes heavy within the recesses of readers hearts.
