Essential oils are simply essences made from plant concentrates. They provide lots of healing, cleansing, and soothing benefits when used correctly. Many essential oils can safely be used on your children as medicines, cleansers, and beauty products when mixed as oils, powder, and wipes. They can help to heal minor ailments, ensure that your child's skin is healthy, and maintain general health. Isn't it wonderful to know that you can soothe your crying child with nature's gift of essential oils? Consider this book as a guide to the correct use of essential oil for your child. From infancy to their growing age, you can now say good bye to synthetic products that contain harmful chemicals by using essential oils for their natural care. For parents interested in learning how to relieve your child of tummy aches, diaper rash, minor burns, cuts, and scrapes, this book is for you. You will also learn how to use essential oils as massage oils and lotions in their baths and all-round hygiene. Aromatherapy Healing explores the use of essential oils for stress reduction, mood enhancement, and overall wellness. The book reveals how aromatic compounds directly influence the limbic system, the brain's emotional center, explaining aromatherapy's physiological effects. Readers will discover the history and science behind scent therapy from ancient practices to modern research and learn about extraction methods, chemical compositions, and safety considerations. The book progresses by first establishing the foundation of aromatherapy, then exploring essential oils known for stress reduction like lavender and mood enhancement like citrus. It then provides practical guidance on incorporating aromatherapy into daily life through blending techniques, diffusion methods, and personalized routines. This approach integrates findings from clinical trials, pharmacological studies, and anecdotal evidence, providing a holistic understanding of aromatherapy's capabilities. Unique in its approach, Aromatherapy Healing bridges aromatherapy with psychology, botany, and holistic medicine, making complex concepts accessible. By offering evidence-based guidance, the book distinguishes itself by addressing misconceptions and providing solutions for challenges like skin sensitivity. Whether you're a beginner or experienced, this guide offers comprehensive knowledge for harnessing essential oils for improved health. *The Magical Circle School Newsletter: September 2016* Colleen Criswell, 2016-08-23. A question and answer reference book for parents whose children have epilepsy. *When Your Child Hurts* Rachael Coakley, 2016-01-28. Parents of a child in pain want nothing more than to offer immediate comfort. But a child with chronic or recurring pain requires much more. His or her parents need skills and strategies, not only for increasing comfort but also for helping their child deal with an array of pain-related challenges such as school disruption, sleep disturbance, and difficulties with peers. This essential guide, written by an expert in pediatric pain management, is the practical, accessible, and comprehensive resource that families and caregivers have been awaiting. It offers, in the moment, strategies for managing a child's pain, along with expert advice for fostering long-term comfort. Dr. Rachael Coakley, a clinical pediatric psychologist who works exclusively with families of children with chronic or recurrent pain, provides a set of research-proven strategies, some surprisingly counter-intuitive, to achieve positive results quickly and lastingly. Whether the pain is disease-related, the result of an injury or surgery, or caused by another condition or syndrome, this book offers what every parent of a child in pain most needs: effective methods for reversing the cycle of chronic pain.
