Around The World On The Qe 2:

Around the World on the QE2: Volume 2, New York to Australia George and Barbara Perkins, 2012-06-16 Cruising on the QE2 from New York to Fort Lauderdale Barbados Salvador da Bahia Rio de Janeiro Montevideo the Falklands Cape Horn Punta Arenas the Strait of Magellan Valparaiso Easter Island Pitcairn Island Tahiti Moorea Tonga New Zealand and Australia

Going Around the Bend on the QE2 Nicholas Walker, 2018-02-12 Written by a bestselling author this is the hilarious story of him having a nervous breakdown and running away around the world on the QE2 Unbelievable but absolutely true the author's sensitive mental state gives him a different slant on world travel and the millionaires he mixes with A truly different travel book which will have you laughing on every page This is the true story of how the author cured a nervous breakdown by taking a world cruise on The Queen Elizabeth II It is a peep into the luxury lifestyle of the very rich from the somewhat sardonic viewpoint of someone who is not quite sane We visit 40 countries and each one is treated to the author's observations which are nearly always humorous and written by someone whose fragile mental state causes him to throw all caution to the winds But more than that Nick isn't your conventional world traveller he gets arrested in New York and undergoes an intimate body search he fights off three armed muggers in Jamaica falls out with Australian customs officers has a motor bike accident in Bali is attacked by two old men in The Taj Mahal and is thrown out of Vietnam The book though is more about his life aboard the QE2 his love affairs his growing relationship with the staff and their intimate closeted lifestyle the disastrous staff concert that ends up in an all out fight the excesses of the super rich passengers and the bizarre situations that only happen aboard such as the night where he is trapped on the dance floor with the three women he has been dating All in all it is the story of a man making his way back to sanity until he is finally deposited back on the quay at Southampton where he started only now he is penniless and has just been informed that everything he owns in the world has been thrown overboard into the sea The hilarious follow up is now available *Not Quite Sane in America* where Nick runs away to America to avoid his proctologist

Around the World on the QE 2 Alfred Armand Montapert, William David Montapert, 1981-01-01 Takes armchair travelers aboard the magnificent luxury liner the Queen Elizabeth 2 describing the events of the thirty thousand mile three month long cruise around the world in 1980

QE2, the Official Pictorial History William M. Winberg, 1988 Chronicles the early 19th century beginnings of Samuel Cunard's famous shipping line in Canada and explores how the Cunard Line made its reputation as the greatest name in transatlantic and worldwide service

Queen Elizabeth 2 William H. Miller, 2021-07-11 The 1960s were it was believed the end of the era of transatlantic liners Grand graceful but aging luxury ships such as the Queen Mary and Queen Elizabeth were surpassed and outmoded by the new age of jet aircraft By 1963 airlines had secured over 95 percent of all transatlantic travellers But looking to the future the historic Cunard Line believed that there was room for one more last Atlantic super ship Thus came the ship which became the most successful super liner of all time the Queen Elizabeth 2 Fondly known as the QE2 she was launched and

named by HM the Queen in 1967 entered service two years later and went on to sail for 39 years She now resides in a museum hotel like role out of Dubai The QE2 is a lasting and fitting tribute to Cunard to British shipping to all ocean liners This book has been created on the occasion of the 50th anniversary of the ship s maiden crossing in May 1969 from Southampton to New York A maritime icon she well deserves yet another tribute *Dark Side* G. F. McHugh,2005-02 Exploiting the natural rhythms of traditional English poetry along with the power of rhyme G F McHugh brings a modern perspective to comic verse whether the subject be primitive cave dwellers evocative of the Neanderthals the aged inhabitants of an English village or a miscellany of weird characters The unlikely relationship of these varied folk to modern awareness is evoked in brief hard hitting poems that must produce in readers young and mature an irreverent chuckle **The QE2** William H., Jr. Miller,2013-02-04 Illustrated with more than 150 black and white and 27 color images this chronicle by an expert maritime historian offers a rare and captivating blend of personal anecdotes archival material and impeccable scholarship **The Rotarian** ,1981-11 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **Around The World in 80 Meals** Diana Rubino,2022-02-18 Welcome to an exotic seven day dream cruise filled with gastronomic delights Imagine waking up on a different ship in a new port of call every day and treating your taste buds to a gourmet meal every evening each carefully prepared by one of the best chefs afloat This book highlights the most interesting menus and recipes from a diversity of cruise lines from the luxurious Cunard Line famed for its opulent ocean liners to a small but highly exclusive line of yachts that offer the most personalized cruise experience You ll see daily snapshots of a week of luxury cruising A chapter for each day briefly introduces each ship explains where it is located and gives information about each cruise line and its chefs The main focus is on the dinner menu followed by recipes for recreating every delectable morsel in your own kitchen *The QE2 in the Falklands War* Commodore Ronald W. Warwick OBE,David Humphreys,2025-03-06 On her launch in 1969 QE2 began a long career as Cunard s luxurious flagship the last great transatlantic liner from a vanishing era However this leisure service was interrupted in 1982 when she was requisitioned by the British government to carry over 3 000 troops to the South Atlantic as part of the Falklands war effort The voyage itself was an immense task including refuelling at sea under hazardous weather conditions and navigating by night through a treacherous South Atlantic icefield Using interviews and extracts from diaries kept during the voyage by the authors and other crew members as well as previously unpublished documents David Humphreys and Commodore Ronald W Warwick present the captivating and detailed story of QE2 through her time as a troopship Illustrated with numerous photographs showing the conversion to a troop ship on board training exercises and helicopter manoeuvres this important book is the first to reveal the enormous contribution of the ship to the British war effort delivering the largest number of
