A Chinese Rebel beyond the Great Wall TJ Cheng, Uradyn E. Bulag, Mark Selden, 2023-10-24 A striking first person account of the Cultural Revolution in Inner Mongolia embedded in a close examination of the historical evidence on China's minority nationality policies to the present During the Great Leap Forward

as hundreds of thousands of Chinese famine refugees headed to Inner Mongolia Cheng Tiejun arrived in 1959 as a middle school student In 1966 when the PRC plunged into the Cultural Revolution he joined the Red Guards just as Inner Mongolia's longtime leader Ulanhu was purged With the military in control and with deepening conflict with the Soviet Union and its ally Mongolia on the border Mongols were accused of being nationalists and traitors A pogrom followed taking more than 16 000 Mongol lives the heaviest toll anywhere in China At the heart of this book are Cheng's first person recollections of his experiences as a rebel These are complemented by a close examination of the documentary record of the era from the three coauthors The final chapter offers a theoretical framework for Inner Mongolia's repression The repression's goal the authors show was not to destroy the Mongols as a people or as a culture it was not a genocide It was however a politicide an attempt to break the will of a nationality to exercise leadership of their autonomous region This unusual narrative provides urgently needed primary source material to understand the events of the Cultural Revolution while also offering a novel explanation of contemporary Chinese minority politics involving the Uyghurs Tibetans and Mongols

[Archive Everything](#) Gabriella Giannachi, 2023-09-19 How the archive evolved to include new technologies practices and media and how it became the apparatus through which we map the everyday In *Archive Everything* Gabriella Giannachi traces the evolution of the archive into the apparatus through which we map the everyday The archive traditionally a body of documents or a site for the preservation of documents changed over the centuries to encompass often concurrently a broad but interrelated number of practices not traditionally considered as archival Archives now consist of not only documents and sites but also artworks installations museums social media platforms and mediated and mixed reality environments Giannachi tracks the evolution of these diverse archival practices across the centuries Archives today offer a multiplicity of viewing platforms to replay the past capture the present and map our presence Giannachi uses archaeological practices to explore all the layers of the archive analyzing Lynn Hershman Leeson's *Women Art Revolution* project a digital archive of feminist artists She considers the archive as a memory laboratory with case studies that include visitors' encounters with archival materials in the Jewish Museum in Berlin She discusses the importance of participatory archiving examining the multimedia roadshow *Digital Diaspora Family Reunion* as an example She explores the use of the archive in works that express the relationship between ourselves and our environment citing Andy Warhol and Ant Farm among others And she looks at the transmission of the archive through the body in performance bioart and database artworks closing with a detailed analysis of Lynn Hershman Leeson's *Infinity Engine*

José Carlos Mariátegui José Carlos Mariátegui,2011-08 Jos Carlos Mari tegui is one of Latin America s most profound but overlooked thinkers A self taught journalist social scientist and activist from Peru he was the first to emphasize that those fighting for the revolutionary transformation of society must adapt classical Marxist theory to the particular conditions of Latin American He also stressed that indigenous peoples must take an active if not leading role in any revolutionary struggle Today Latin America is the scene of great social upheaval More progressive governments are in power than ever before and

grassroots movements of indigenous peoples workers and peasants are increasingly shaping the political landscape The time is perfect for a rediscovery of Mari tegui who is considered an intellectual precursor of today s struggles in Latin America but virtually unknown in the English speaking world This volume collects his essential writings including many that have never been translated and some that have never been published The scope of this collection masterful translation and thoughtful commentary make it an essential book for scholars of Latin America and all of those fighting for a new world waiting to be born China Topics ,1966
