

Arius and Athanasius

Athanasius, the man and his theology

- The fiery young deacon was only in his twenties, he was already a power in Alexandrian church and a theologian of note. Formerly Alexander's secretary, now a deacon and the top member of his staff, he was reported to have written a number of the bishop's sermons and letters. He was quite prepared to use the violent methods of the streets, when necessary, to accomplish worthwhile goals.
- He felt that compromise with Arius and his allies was out of the question. The differences between the Arians and true Christians were no mere matters of emphasis or alterable "opinion": they went to the heart of what it meant to be a Christian.
- **Jesus had to be both fully human and fully divine. Could the death of a mere human being redeem our sins, grant us immortality, and, eventually, resurrect our physical bodies? Of course not!**
- Constantine favored the doctrine of Alexander and Athanasius. The Church he needed was one that would help him keep order among the ordinary folk: people who would never become immortal unless God decided for reasons of his own to save them.

Arius and Athanasius Charles Kannengiesser,1991 **The Text of the Apostolos in Athanasius of Alexandria** Gerald J. Donker,2011 The text critical study of the Apostolos all of the New Testament apart from the Gospels of the fourth century Greek Father Athanasius of Alexandria has two aims in view one analytical and one methodological An initial review of Athanasius life and writings and a survey of the Alexandrian text type precede an analysis of Athanasius text to determine its classification within the major New Testament text types and particularly its suspected Alexandrian character The book also compares the results of methods traditionally used on the texts of the Fathers with the use of an alternative and advanced method multivariate analysis Unlike quantitative and group profile analyses multivariate analysis utilizes not just a single dimension but the full dimensionality of the source data **The Bible in Athanasius of Alexandria** James D.
