Deadly Deception in Arizona Elizabeth Bruening Lewis,2012-05-03 Bright determined and focused Abby Taylor has not lost her sense of humor in spite of taking an indefinite leave of absence from her position as Professor of Anglo Saxon Studies at Vassar College due to Polycystic Kidney Disease And she certainly doesn't go out looking for trouble any more than her attractive companion Northern Arizona Forestry Professor David Neale does But once again it finds them And once again Abby's beloved Corgi dog Francis will do all that he can to protect his humans In the midst of the beautiful ranching country near Prescott AZ where their borrowed house is located Abby and David along with the faithful Francis should be enjoying a pleasant break from daily cares and concerns But alas disturbing events begin unfolding left and right Who would poison a Hereford Yearling Who would shoot an innocent and much respected Basque sheepherder And who would turn the highway going down from Mingus Mountain into a death trap As they try to live their peaceful lives amidst the splendor of the high desert it becomes evident that some questions must be answered if Abby David and Francis are going to stay alive in Arizona
