Berkmann's Cricketing Miscellany Marcus Berkmann,2019-07-11 Marcus Berkmann author of the cricket classics Rain Men and Zimmer Men returns to the great game with this irresistible miscellany of cricketing trivia stories and more fascinating facts than Geoffrey Boycott could shake a stick of rhubarb at Which England captain smoked two million cigarettes in his lifetime Which Australian captain asked what his favourite animal was said Merv Hughes What did Hitler think of cricket Which National Hunt trainer had a dog called Sobers Who was described in his obituary as perhaps the only unequivocally popular man in Yorkshire No other sport is so steeped in oddness and eccentricity There s the only Test player ever to be executed for murder the only first class cricketer to die on the Titanic and the only bestselling author to catch fire while playing at Lord s It was Sir Arthur Conan Doyle The ball hit a box of matches in his pocket All cricket is here including an XI entirely made up of players who share their names with freshwater fish *Cricket Commentary & Commentators* Ravi Chaturvedi,2019-11-16 I have been handed the new ball and asked to bowl the opening spell in this book of Cricket Commentary and Commentators It was always my ambition to play Test cricket for India but I was allergic to grass A pity because I would have been the silliest mid on to have played Test cricket My long leg would have been a sensation There have never been swingers to match mine I used to be such an agile fielder that a piece of music Third Man Theme was composed as a tribute On the serious side as a commentator I was always fascinated by how cricket commentary began While the journey of cricket commentary is fairly well recorded in Australia and England the information on the subject in other eight Test playing countries is scanty This book Cricket Commentary Commentators is a humble attempt to weave together threads scattered in different areas and diverse directions The scope of the book has been enlarged to include not just commentators but even anchors presenters scorers and statisticians while making it a compendium on commentary With these opening remarks I urge you the reader to move forward **Padwick's Bibliography of Cricket** ,1991 **The**

Politics of South African Cricket Jon Gemmell,2004 Jon Gemmell analyses the relationship between sport and politics through a historical analysis of South African cricket **Whites On Green: A history of cricket at St Helen's, Swansea**

Andrew Hignell,Bob Harragan,2018-08-01 It is the only county cricket ground in the United Kingdom where you can both see the sea and feel the breeze coming off the adjoining estuary the St Helen s ground in Swansea where some memorable days in cricket history have thrilled the crowds shoe horned into the tiered enclosures lining the boundaries at one of county cricket s most idiosyncratic venues It was at the Swansea ground where Glamorgan secured a dramatic two day victory over

the 1951 South Africans where the guile and spin of Johnnie Clay confounded and becalmed Australian batting legend Don Bradman where during the late 1940s John Arlott sat in the BBC radio commentary box alongside Swansea s favourite son the famed poet Dylan Thomas where in 1976 West Indian legend Clive Lloyd struck the world s fastest double hundred where Matthew Maynard struck an astonishing hundred on first class debut in 1985 where Glamorgan defeated the Australians on successive tours in 1964 and 1968 and where during the latter season Garry Sobers became the first man in cricket history to hit six sixes in an over This book is the fifth in the highly acclaimed Cricket Witness series and its publication during the summer of 2018 celebrates the 50th anniversary of Sobers feat at the Swansea ground against the occasional spin of Malcolm Nash Besides recounting all of these feats and a number of other memorable occasions in cricket history at St Helen s this book also traces the creation during the second half of the 19th century of the ground used by Swansea s cricket and rugby teams and its integral place in Welsh sporting history Lavishly illustrated with many hitherto unpublished photographs this book will appeal to local historians as well as aficionados of the summer game besides showing how popular outgrounds and cricket festivals have been in the county cricket calendar

The Development of West Indies Cricket, Vol. 1 Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century
