Armageddon And The New Millenium:

Armageddon and the New Millenium Morris Cerullo, Morris Cerullo World Evangelism, 1999 World Order in the New Millennium Gerald S. Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualties its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life **Prophecy in the New Millennium** John F. Walvoord, An up to date look at unfulfilled Bible prophecy and current events written by one of America s most recognized end times experts Approaching the New Millennium Paul Butler, 1998 By looking at history and
