Armageddon When Where:

Armageddon John E. McConner, 1974-01-01 Finishing the Race Human History, Life, and Race before Us Plammoottil V. Cherian, 2023-08-29

FINISHING THE RACE Stimulating theological and packed with fascinating historical details of Human Race from a Biblical perspective author s lively tour of the entire Bible traces the origin of human race from one man whose progeny spread to the entire earth filled the earth established their nations with set boundaries Author establishes the historical account of creation challenging the concept of Darwinian Evolution which claims man is an evolutionary product Author stresses that there is only One God who created the universe the cosmos the planets stars life and the multitude of living species of organisms with the command endowed in their DNA when God said to herbs plants and animals to multiply according to its kind according to their kind which is the basis for biological variation and speciation Whereas God s command to human beings was Be fruitful and multiply fill the earth and subdue it meaning there is only one single race of humanity Author has a profound Christian vision of humanity s temporal and eternal destiny and thus he relates in *Finishing the Race* In an age when truth is relative and vanishing conscience the nations are the crossroads confused about the true direction as nations are estranged from God The present culture is as in the Days of Noah quoting Jesus and citing world events and conditions as signs of the end An end time scenario of world and the second coming of Christ when a northern and a southern army will clash in fierce battle over Jerusalem the Holy City of God the capital of the Messianic Kingdom Not claiming any superiority like many of the past and famous scientists like Galilei Galileo Blaise Pascal Isaac Newton Louis Pasteur Robert Boyle etc Cherian attempt to convince his readers God is in control of human and world affairs and natural events Heaven and hell are not mysterious realms of imagination but true physical entities invisible to human eyes and calls the nations to submit to God who only is the answer to national and global unrest that we see now *Soul Trap* Wayne Stewart, 2012-11

Jonathan ãguts Jefferson, 2019-08-14 This book is my first book followed by others that are on the way We know and we sense

the church is running out of time and space Apostle Paul mentioned in the book of 1 Timothy 4 7 there will be bad days with many false teachings deceived by the demons The Catholic worship Maria saints and angels The Pentecostal Church worship the Holy Spirit the Christians worship Jesus and everybody ignores the father that Jesus recommends worship in spirit The Old Testament and the Book of Revelation also are totally ignored most of the pastors today preach the death and resurrection of Jesus Nothing about God the Father or prophecy of the last days nothing about the rapture of the church In my book I try to bring out some beautiful messages of the Old Testament and some messages of the coming of anti Christ and the rapture of the church and about the new creation Rom 1 25 *The Abraham Accords* Leslie Dutcher,2025-05-29 Learn what the Abraham Accords mean in Bible Prophecy Learn about The Abrahamic Covenant Learn What happens after the Abraham Covenant is signed Learn when World War 3 will happen according to the BIBLE After the Abrahamic Covenant is signed there will be exactly seven more years until the Battle of Armageddon and the Second Coming of Jesus Between the signing of the Abrahamic Covenant and the Second Coming of Jesus many major prophecies are prophesied to happen The construction of Israel s third Temple The revealing of the Antichrist The Mark of the Beast will be implemented The world s greatest revival will happen The Battle of Armageddon The Second Coming of Jesus The Millennium Reign of Jesus will begin

Armageddon's Glorious End David R. Manzano,2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve In Armageddon's Shadow Greg Marquis,2000 The United States had important ties with Canada s Maritime Provinces that were profoundly shaken by the American Civil War Drawing extensively on newspaper reports personal papers and local histories Greg Marquis captures the drama of the times effectively putting the reader into the thick of the action In Armageddon s Shadow highlights Maritime support for the beleaguered Confederacy and the grave implications this had on race relations in Canada Marquis details the involvement of maritimers in running blockades and recounts the experiences of some of the thousands of men from Nova Scotia New Brunswick and Prince Edward Island who served in America s bloodiest conflict Book jacket

Final Warning Gabriel Michaels, 2022-04-06 In his second book about the coming horrendous WWII nuclear fire war *Final Warning WWII Part Two* Gabriel Michaels deals with several end time subjects Among these are the rise of the Antichrist and the false prophet the extensive preparations for WWII that are being done by the United States NATO Russia and Russia's prophetic allies and the end time signs in the heavens He also examines the question that everyone wants to know concerning the timing of Jesus's return when I think you will be surprised by what God has shown him about this and how close we actually may be to WWII and Jesus's return at the Rapture In easy to understand language Gabriel Michaels shows that time is running out for man's rule of earth He shows how and why Jesus truly is coming to earth soon to set up his kingdom of one thousand years If you have already read *WWII Part One* then once you read this book many of your questions concerning the end times may well be answered For the sake of you your family and your friends you should know these things We are quickly moving to a great climax in world history This could quite literally be the final warning that many will hear The sunset of man's rule over Earth his final generation to rule Earth began May 14 1948 when Israel became a nation The sunrise of the rule of Earth by Jesus Christ King of kings is upon us and very few understand that The prophet Daniel was told in Daniel 12 9 NIV Go your way Daniel for the words are closed up and sealed until the time of the end The words of end time prophecy are being unsealed in this book in a way you have probably never heard before You can be one of those in the end times who would be among the wise as the prophet was told in Daniel 12 10 NIV None of the wicked will understand but those who are wise will understand Author Gabriel Michaels has studied for over fifty years to bring this word of warning to you to help you understand the lateness of the hour in which you live This is a warning done out of love Please listen before it's too late King Jesus is coming Get ready for the return of the King *They All Can't Be Right* Steve Russo, 2004 Includes bibliographic notes *GameAxis Unwired*, 2007-09 GameAxis Unwired is a magazine dedicated to bring you the latest news previews reviews and events around the world and close to you Every month rain or shine our team of dedicated editors and hardcore gamers put themselves in the line of fire to bring you news previews and other things you will want to know

return as never before This book is written for all denominations and ages It dispels the myths about Revelation showing that the messages of Revelation are desperately needed by the 21st Century Church which is apostasized from within and persecuted from without *Redemption Concluded* Van G Gill,2012-02 Revelation is a mysterious and frightening book to many This commentary seeks to simplify and demystify its message using a common sense approach to its theological foundations Revelation is viewed as a book of conclusions rather than new beginnings The Book considers one major conclusion in God s plans for mankind their redemption *Before God's Wrath* H. L. Nigro,2004-10 Biblical presentation of the timing of the rapture of the Church and provides many biblical and logical arguments for the prewrath rapture position

Wrath and Glory David Reagan,2001 Plainly explains the various end times positions Pre Trib Mid Trib Post Trib Preterist Historicist Examines the most frequently asked questions about Revelation Presents a fascinating look at the fate of the United States in Bible prophecy Clearly explains the relevance of the Revelation message to all people There are commentaries on the Book of Revelation but none like this one designed for the layman In his down to earth readable style prophecy teacher David Reagan strips away the mystery and intellectual jargon from this book that has so puzzled Christians for generations Giving a sensible overview of the book then giving brief summaries of the different schools of thought Reagan lets the book speak for itself emphasizing the spiritual riches waiting for the discerning reader In fitting with Reagan s style *Wrath and Glory* is meant as much for mainline denominations as for evangelicals **The Battle of the Nations; as**

Revealed in Daniel's Last Vision ,1853 **So What's the Difference?** Fritz Ridenour,2001-03-02 So What s the Difference has been revised and updated for the 21st Century to help Christians better understand their own beliefs A classic first released in 1967 this revision takes a current look at the answer to the question How does orthodox biblical Christianity differ from other faiths In a straightforward objective comparison Fritz Ridenour explores and explains the basic tenets of 20 worldviews religions and faiths including Judaism Islam Hinduism Buddhism Jehovah s Witnesses Christian Science New Age and Mormonism **Unveiling the Mysteries of the Last Days** David A. Hamblin,2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible s prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God s Prophetic Timeline Never before has there been such a clear and concise presentation of God s timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation s seven

phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel s future wealth the world war it triggers and Jesus coronation Don t be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God s Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible s prophecies **Acca Christina**

Commentary Greg Hinnant,2021-08-10 The Old Testament is richly laden with prophecies and foreshadowings of the last days Having never researched its treasures however many Christians possess a lopsided exclusively New Testament understanding of End Times prophecy The Day of the Lord Commentary meticulously examines every Old Testament text foretelling or foreshadowing the dramatic people and events that consummate God s prophetic plan terminate this world order and inaugurate Christ s unprecedentedly righteous peaceful worldwide kingdom on earth Only the Bible accurately interpreted establishes accurate End Times views This commentary s abundant biblical cross references lay a deep broad foundation for a clear accurate eschatology It will amaze you how often and how specifically Old and New Testament prophets agree All see the same final events and in the same order Tribulation Armageddon Millennium This in depth study gives special attention to the Old Testament s less known little apocalypses in Isaiah Jeremiah Ezekiel Daniel and Zechariah and identifies their many links to John s well known apocalypse Revelation Soundly refuting Supersessionism it explains why God has regathered the Jews reestablished the State of Israel and preserved it against all odds Israel s Day of the Lord is coming Book Review 1 Greg Hinnant s monumental work The Day of the Lord Commentary is a must read for anyone interested in the final summation of End Times events Greg takes the reader on an extraordinary journey through the Old Testament with three dimensional glasses that allows one to see direct references and indirect typology concerning the great

drama of redemption as it moves to its conclusion This may be the foremost study of its kind on this topic Dr Charles H Gaulden Old Testament Professor Southeastern University Book Review 2 It is exceptionally common in eschatological study to focus almost exclusively on the New Testament yet such an approach ignores Paul s admonition that all scripture is inspired 2 Timothy 3 16 17 The Day of the Lord Commentary provides a systematic overview of important references to the impending Day of the Lord found throughout the Old Testament and weaves these prophetic expectations into one seamless tapestry throughout the whole Bible Dr Ran Whitley DMin PhD Professor Campbell University Book Review 3 Though a Bible student all my life certain passages remained obscure and confusing The Day of the Lord Commentary has changed all of this as these formerly confusing passages have now come alive This book s depth and insight into the Old Testament is astounding How Greg was able to mine through all the rock and rubble of confusing Bible prophecy to access these precious stones of biblical revelation is truly a gift This work is a must read for all who desire a deeper understanding of God s Word and a valuable resource for ministers to shed light and understanding on the gospel message we proclaim Sherri Leith Senior Pastor Family Worship Center Port Orchard Washington Book Review 4 The Day of the Lord Commentary provides an in depth study of biblical eschatology Using a detailed comparative analysis of the eschatological oracles scattered throughout the Hebrew Bible Greg lays out a theological roadmap for understanding God s plan for Israel and the nations This book written from a Christian perspective tackles some of the most intriguing End Times prophecies recorded in Israel s sacred scriptures Pastors preachers and Bible teachers will greatly benefit from this thought provoking volume Dr Igal German Founding Director Yesod Bible Center and International Biblical Apologetics Association bibleapologist org
