**What Happened to the Battleship** Chris Baker,2022-07-30 In the hundreds of books written about battleships the authors tend to draw down the curtain on the careers of these great vessels in September 1945 with the surrender of Japan Yet on that day some ninety eight battleships or ex battleships might be spotted around the world and eleven of them were in or around Tokyo Bay for the surrender itself What happened to all those ships This new book takes a fresh look at the slow demise of the battleship It examines the decisions made by the major world powers after 1945 and their aspirations to retain

battleships in their navies despite financial stringency It places the history and role of battleships after 1945 in their geo political context centered around the Cold War and the need for the West to face down an aggressive Soviet Union It also examines the impact on battleships of operational analysis of the Second World War and new technological developments notably the atom bomb and the guided missile The book uses the wealth of information from ship s books ship s logs and gun logs to document in considerable detail what the ships actually did after the Second World War with a particular focus on those of the Royal Navy It covers United States battleship operations in Korea Vietnam and the Gulf War as well as the deterrent role played by battleships for NATO from the 1950s to the 1990s Finally it brings the story up to date by documenting the preservation as museum ships of the eight dreadnoughts which still exist today in the United States Extensively illustrated with photographs of the huge range of activities of battleships after 1945 from their use as Fleet flagships to Royal or Presidential yachts and more poignantly as target ships this new book will appeal equally to the historic ship enthusiast and naval specialist and provide a novel perspective through a battleship shaped lens on late twentieth century history for the more general reader TANKER TECHNIQUES MAGAZINE 01 , We now introduce to you our latest publication TANKER and we are sure that it will herald a new global benchmark for scale modelling magazines This new approach and concept for our new quarterly magazine focuses on amazingly realistic paint schemes and finishes showing you how to accomplish them We have the very best of modellers from around the world showing you how to master not only the very latest techniques but also the old standards too All this is brought to you in a thoroughly modern publication and with our own inimitable character Each issue will be available in 8 languages with around 100 pages TANKER is available in English French German Russian Spanish Czech Chinese and Hungarian *Armour of the Vietnam Wars* Simon Dunstan,1985-01-01 Text by Simon Dunstan Colour Plates by Peter Sarson and Tony Bryan Although much of the fighting in Vietnam took the form of jungle ambushes by guerrillas and small bodies of infantry armour was nevertheless used by all combatants This book examines the different tanks and APCs utilised by the participants Due to popular demand strictly limited quantities of Osprey s most wanted out of print Men at Arms Vanguard and Elite titles are back in stock Many of these books have been out of print for 5 years or more so don t miss this one off opportunity to buy them hot off the press at regular series prices while stocks last Orders will be processed on a strictly first come first served basis so hurry Order your books today **Witness to War** Los Angeles Times (Firm),1991 SCOTT copy 1 from the John Holmes Library collection
