Douglas Porph

Army And Revolution France 1815 1848:

Army and Revolution Douglas Porch, 2022-02-06 This book first published in 1974 analyses the problems and mechanics of the Revolutionary movement in the army during and after the French Revolution It charts the transition of the French army from the Revolutionary force of 1815 to the counter revolutionary army which in June 1848 led the suppression of the European Revolutionary movement By defining the scope of political of political unrest in the army between 1815 and 1848 its causes patterns and remedies the author demonstrates that republican political ideology had only a limited appeal for the military and served more as a rallying point for discontent with the conditions of service The French army 1750-1820

Rafe Blaufarb, 2021-02-02 This book examines the transformation of the French military profession during the momentous period that saw the death of royal absolutism the rise and fall of successive revolutionary regimes the consolidation of Napoleonic rule and the restoration of the Bourbon monarchy after the Empire's final collapse Crossing traditional chronological boundaries it brings together periods in French history that are usually treated separately and challenges established views of change and continuity during the Age of Revolution Based on a wealth of archival sources this book is as much a social history of ideas like equality talent and merit as a military history **Re-Writing the French Revolutionary**

Tradition Robert Alexander, 2003-12-11 This book examines the politics of the French Revolutionary tradition during the Bourbon Restoration and early July Monarchy Robert Alexander argues that political change was achieved by legal grassroots organization and persuasion rather than by the revolutionary tradition of conspiracy and armed insurrection Moreover political struggle was not confined to the elite as common material values linked the electorate to those deprived of the power to vote Battle between advocates of national and royal sovereignty constituted the principal dynamic of the period and fostered significant developments in party formation previously unrecognized by historians To substantiate his claims the author analyses relations among the Liberal Opposition ultraroyalists and the state concluding that although Liberals triumphed in the 1830 Revolution thereafter they contributed to the destabilization that produced an immobile Orleanist regime Nevertheless they had pioneered a model for change which could successfully adapt pursuit of reform to longing for civil order *A History of Military Thought* Azar Gat, 2001 From the ideas of Clausewitz to contemporary doctrines of

containment and cold war this is a definitive history of modern military thought A one volume collection of Azar Gat's acclaimed trilogy it traces the quest for a general theory of war from its origins in the Enlightenment Drastically re-evaluating B H Liddell Hart's contribution to strategic theory the author argues that in the wake of the trauma of the First World War and in response to the Axis challenge Liddell Hart developed the doctrine of containment and cold war long before the advent of nuclear weapons He reveals Liddell Hart as a pioneer of the modern western liberal way in warfare which is still with us today **The Making of a Fiscal-Military State in Post-Revolutionary France** Jerome

Greenfield, 2022-09-01 Drawing on a wide range of archival and published documents this book explains how the French

Revolution of 1789 transformed the French state and its fiscal system and how further reforms in the nineteenth century created a durable post revolutionary state Instead of presenting the nineteenth century French state as primarily the creation of the Revolutionary and Napoleonic era as most scholars have done Jerome Greenfield emphasises the importance of counter revolution after 1815 in establishing a stable durable state capable of surviving revolutions in 1830 and 1848 intact The years 1815 1870 thus marked a crucial period in the development of the French state not least in stimulating the economic interventionism for which it became notorious and facilitating the resurgence of France as a great power after Napoleon's defeat at Waterloo

Soldier and Peasant in French Popular Culture, 1766-1870 David M. Hopkin, 2003 Concentrating on the militarised borderlands of eastern France this book examines the disjuncture between the patriotic expectations of elites and the sentiments expressed in folksongs folktales and popular imagery in which issues of sexuality violence and separation took far greater prominence Hopkin follows the soldier through his life cycle from greenhorn recruit to grizzled veteran to show how the peasant conscript was separated from his previous life and re educated in military mores and the response that this transformation elicited from his family and community

BOOK JACKET France 1814 - 1914 Robert Tombs, 2014-09-25 Here is an incomparably rich portrait of France in the years when the disparate elements that made up the fragmented kingdom of the ancien regime were forged into the modern nation The survey begins with an exploration of national obsessions and attitudes It considers the tendency to revolution and war the preoccupation with the idea of a New Order and the deep strain of national paranoia that was to be intensified by the dramatic debacle of the Franco Prussian War Robert Tombs then investigates the structures of power and in Part Three he turns his attention to social identities from the individual and family to the nation at large When every aspect of the period has been put under the microscope Robert Tombs draws them all into the broad political narrative that brings the book to its rousing conclusion Bursting with life as well as learning this is quite simply a tour de force

The Military Revolution and Political Change Brian Downing, 1992 To examine the long run origins of democracy and dictatorship Brian Downing focuses on the importance of medieval political configurations and of military modernization in the early modern period He maintains that in late medieval times an array of constitutional arrangements distinguished Western Europe from other parts of the world and predisposed it toward liberal democracy He then looks at how medieval constitutionalism was affected by the military revolution of the early modern era the shift from small decentralized feudal levies to large standing armies Downing won the American Political Science Association's Gabriel Almond Award for the dissertation on which this book was based

The Belgian Army and Society from Independence to the Great War Mario Draper, 2018-02-13 This book explores Belgian state building through the prism of its army from independence to the First World War It argues that party politics which often ran along geographical linguistic and religious lines prevented both Flemings and Walloons from reconciling their regional identities into a unified concept of Belgian nationalism Equally it obstructed the army from satisfactorily preparing

to uphold Belgium's imposed neutrality before 1914. Situated uneasily between the two powerhouses of nineteenth century Europe, Belgium offers a unique insight into the concepts of citizenship and militarisation in a divided society in the era of fervent nationalism. By examining the composition, experience and image of the army's officer corps and rank and file as well as those of the auxiliary forces, this book shows that although military and civilian society often stood aloof from one another, the army as a national institution offered a fleeting glimpse into the dichotomy that was pre-war Belgium. Quarterly Review of Military Literature, 1975. The Development of Military Thought Azar Gat, 1992. This scholarly and original study of military thought during the nineteenth century continues and expands the themes Azar Gat explored in *The Origins of Military Thought*. The present volume spans the period from the aftermath of the Napoleonic era to the outbreak of the First World War. Encompassing Prussia, Germany, France, Great Britain, the USA and the Marxist theory later to gain sway in Russia, it focuses on the wider conceptions of war strategy and military theory which dominated the West in this period and Dr Gat's penetrating analysis uncovers the intellectual assumptions and the picture of the past which underlay military policy and practice.

Counterinsurgency Douglas Porch, 2013-07-11. Counterinsurgency has staked its claim in the new century as the new American way of war. Yet the wars in Afghanistan and Iraq have revived a historical debate about the costs, monetary, political and moral, of operations designed to eliminate insurgents and build nations. Today's counterinsurgency proponents point to small wars past to support their view that the enemy is biddable if the correct tactical formulas are applied. Douglas Porch's sweeping history of counterinsurgency campaigns carried out by the three providential nations of France, Britain and the United States, ranging from nineteenth century colonial conquests to General Petraeus' Surge in Iraq, challenges the contemporary mythologising of counterinsurgency as a humane way of war. The reality he reveals is that hearts and minds has never been a recipe for lasting stability and that past counterinsurgency campaigns have succeeded not through state building but by shattering and dividing societies while unsettling civil-military relations. *Western Europe's Small Wars and Counterinsurgencies Since Napoleon* Mark Lawrence, 2024-12-25. This book focuses on the wars that are normally relegated to the periphery of geo-politics at the heart of Europe's new military history. The military history of the past two centuries of European history has tended to be viewed in the shadow of total war. The impact and aftermath of the French upheaval of 1792-1815, the mid-century struggles for national unification, the World Wars of 1914-18 and 1939-45 and the prospect of mutually assured destruction in the Cold War were all framed as a totalization of warfare and as a tragic pretext for projects of human rights, collective security and political integration. But this emphasis on large wars overlooks the impact of the wars waged by minor powers as well as the small wars and counterinsurgencies waged by great powers overseas. The suppression of southern European revolutions in the 1820s, Belgian independence, Cuban struggles against Spanish rule and the wars of new imperialism ranging from Aceh to Annam all shaped the strategic and domestic environment in which the Great War happened and they reverberated on the post-1918 growth of totalitarianism. Equally, the post-1945 wars of

decolonization militarized the culture and politics in the democratic and authoritarian states of the old continent in ways which belied the macro political identities of the Cold War

Historical Perspectives of the Operational Art Michael D. Krause, R. Cody Phillips, Center of Military History (U S Army), 2006-05 NOTE NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT OVERSTOCK SALE Significantly reduced list price while supplies last Historical Perspectives of the Operational Art a companion volume to Clayton R Newell's and Michael D Krause's On Operational Art captures the doctrinal debate over the evolving concept of operational art the critical link between strategy and tactics in the face of the new complexities of warfare and the demands of irregular operations in the twenty first century Consisting of fifteen original essays selected and edited by Michael D Krause in collaboration with R Cody Phillips the well organized anthology presents the collective view of distinguished military historians and scholars that operational art must be adjusted to accommodate the changing circumstances happening around the world especially when dealing with broad coalitions and alliances in regional environments and at an international level Related products The Rise of iWar Identity Information and the Individualization of Modern Warfare can be found here <https://bookstore.gpo.gov/products/sku/008/000/01198/2> Yemen A Different Political Paradigm in Context can be found here <https://bookstore.gpo.gov/products/sku/008/070/00865/3> A Masterpiece of Counterinsurgency Warfare BG J Franklin Bell in the Philippines 1901-1902 is available here <https://bookstore.gpo.gov/products/sku/008/000/01000/5> Operational Culture for the Warfighter Principles and Applications is available here <https://bookstore.gpo.gov/products/sku/008/000/01061/7>

Strategy and Power in Russia 1600-1914 William C. Fuller, 1998-10-01 A pioneering effort to trace the evolution of military power and military strategy of tsarist Russia during the rule of the Romanov dynasty Richard Pipes Baird Professor of History Harvard University

Themes in Modern European History 1830-1890 Bruce Waller, 2002-09-11 Providing a series of lively essays which reflect the skills that historians have to master when challenged by problems of evidence interpretation and presentation this important new text covers the topics of France Germany Italy Austria and Russia as well as analyzing the themes of political thought cultural trends the economy and warfare international relations and imperialism Six distinguished scholars all of whom are regularly involved in student teaching provide an authoritative student guide to the main contours of nineteenth century European history when the continent's standing was at its highest and its influence spanned the globe

Making Makers Michael P. M. Finch, 2024-05-07 Making Makers presents a comprehensive history of a seminal work of scholarship which has exerted a persistent attraction for scholars of war and strategy Makers of Modern Strategy It reveals the processes by which scholars conceived and devised the book considering both successful and failed attempts to make and remake the work across the twentieth century and illuminating its impact and legacy It explains how and why these influential volumes took their particular forms unearths the broader intellectual processes that shaped them and reflects on the academic parameters of the study of war in the twentieth century In presenting a complete genesis of the Makers project in the context of intellectual trends and historical contingency this

book reflects on a more complex and nuanced appraisal of the development of scholarship on war In so doing it also offers contributions to the intellectual biographies of key figures in the history of war in the twentieth century such as Edward Mead Earle Peter Paret Gordon Craig and Theodore Ropp Making Makers contributes to an intellectual history of military history and contextualises the place of history and historians in strategic and security studies It is not only a history of the book but a history of the networks of scholars involved in its creation their careers and lines of patronage crossing international boundaries from Europe to the USA to Asia and Australia It is an investigation of ideas individuals and groups of work completed and scholarship produced as well as contingency and opportunities missed **The French Foreign Legion**

Douglas Porch, 2010-11-01 The French Foreign Legion is a complete captivating study of the famed fighting force from its inception in 1831 to modern times Historian Douglas Porch chronicles the Legion's involvement in Spain Mexico Indochina Madagascar WWI Vietnam and Algiers to name a few and delves into the inner workings of legionnaires and their captains Known for draconian discipline and shrouded in mystery the secrets of the Legion are guarded by those who have gained admittance into its elite society In this thoroughly researched and impressive account Porch reveals the mysteries surrounding a Legion of unparalleled exoticism pathos and drama **War in the Nineteenth Century** Jeremy Black, 2013-04-26 This book provides an accessible and up to date account of the rich military history of the nineteenth century It takes a fresh approach making novel links with conflict and coercion and moving away from teleological emphases Naval developments and warfare are included as are social and cultural dimensions of military activity Leading military historian Jeremy Black offers the reader a twenty first century approach to this period particularly through his focus on the dynamic drive provided by different forms of military goals or tasking This allows echoes with modern warfare to come to the fore and provides a fuller understanding of a period sometimes considered solely as background to the total war of 1914-45 Alongside state to state warfare and the move toward total war Black's emphasis on different military goals gives due weight to trans oceanic conflict at the expense of non Europeans Irregular internal and asymmetric war are all considered ranging from local insurgencies to imperial expeditions and provide a deliberate shift from Western centrality At the very cutting edge of its field this book is a must read for all students and scholars of military history and its related disciplines

Professional Journal of the United States Army, 1975

Unveiling the Magic of Words: A Report on "**Army And Revolution France 1815 1848**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Army And Revolution France 1815 1848**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.

Army And Revolution France 1815 1848 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Army And Revolution France 1815 1848 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Army And Revolution France 1815 1848 has opened up a world of possibilities. Downloading Army And Revolution France 1815 1848 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Army And Revolution France 1815 1848 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Army And Revolution France 1815 1848. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Army And Revolution France 1815 1848. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Army And Revolution France 1815 1848, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Army And Revolution France 1815 1848 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Army And Revolution France 1815 1848 Books

1. Where can I buy Army And Revolution France 1815 1848 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
