A WIDE-RANGING STUDY OF
THE ARMY'S LEADERS AND THEIR DECISIONS

Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186

George Brinton 1826-1885
McClellan, United States Army of the
Potomac

Army Of The Potomac Vol 2 McClellan Takes Command September 1861 February 1862:

The Army of the Potomac: McClellan takes command, September 1861-February 1862 Russel Harrison Beatie,2002 Here is the first detailed and comprehensive study of the Army of the Potomac the Union s largest and most important army in the field throughout the Civil War It is the first volume in a multipart work that will be the Union counterpart to Douglas Southall Freeman s award winning epic Lee s Lieutenants A Study in Command Like Freeman Russel H Beatie meticulously examines the relationships and performance of the high ranking officers of one army the Army of the Potomac as well as those who served in the satellite forces that also operated in the Eastern Theater He draws almost entirely on manuscript sources many previously unexamined and thus reaches conclusions about the actions of the Union s prominent generals that differ often significantly from traditional historical thinking Jacket flap **Army of the Potomac, Volume II** Russel H. Beatie,2002 A wide ranging and comprehensive study of the commanders of the Union s Army of the Potomac and their decisions **William "Baldy" Smith** Stephen Nicholas Siciliano,2022-07-11 Lauded for gallantry at Antietam and demoted for insubordination after Fredericksburg Major General William Baldy Smith remains a controversial figure of the Civil War His criticism of the Union high command made him unpopular with both peers and superiors Yet his insight as an officer and an engineer enabled him to offer effective solutions to challenges faced by fellow generals In this first comprehensive biography Smith emerges as a field commander with deep concern for his men and a fearless critic of the failures of the Union generalship who was recognized for a strategic perspective that helped save Federal armies

Presidents and Their Generals Matthew Moten,2014-11-05 A military historian traces the long struggle of American presidents to assert their power over uncooperative generals Since World War II the United States has been engaged in near constant military conflict abroad often with ill defined objectives ineffectual strategy and uncertain benefits In this era of limited congressional oversight and wars of choice the executive and the armed services have shared the primary responsibility for making war The negotiations between presidents and their generals thus grow ever more significant and understanding them becomes essential Matthew Moten traces a sweeping history of the evolving roles of civilian and military leaders in conducting war demonstrating how war strategy and national security policy shifted as political and military institutions developed and how they were shaped by leaders personalities Early presidents established the principle of military subordination to civil government and from the Civil War to World War II the president s role as commander in chief solidified with an increasingly professionalized military offering its counsel But General Douglas MacArthur s insubordination to President Harry Truman during the Korean War put political military tensions on public view Subsequent presidents selected generals who would ally themselves with administration priorities Military commanders in Vietnam Iraq and Afghanistan did just that and the results were poorly conceived policy and badly executed strategy The most effective historical collaborations between presidents and their generals were built on mutual respect for military expertise and

civilian authority and a willingness to negotiate with candor and competence Upon these foundations future soldiers and statesmen can ensure effective decision making in the event of war and bring us closer to the possibility of peace Praise for Presidents and Their Generals This highly readable book impressive in scope is a major contribution to understanding the important yet often shifting dynamics of civil military relations in the U S past present and future W A Taylor Choice The author s opinions are precise and witty and based on comprehensive knowledge of his subject as he clearly demonstrates how wars are lost by the arrogant and or incompetent A brilliant fascinating picture of how wars badly begun and poorly run can affect an entire country usually at the hands of just a few men Kirkus Reviews starred review **The Literary World**

,1882 **Industrializing Organisms** Susan Schrepfer,Philip Scranton,2004-03 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1864 **Arts & Humanities Citation Index** ,1980 A multidisciplinary index covering the journal

literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals **Army Of The Potomac** Russell Beatie,2002-07-04 There have been many studies of the generals who commanded the Union s victorious Army of the Potomac but none has considered the corps division and brigade commanders and their all important staff officers through the entire war until now Placing their actions in the social political military and economic context of the day this original and thought provoking book examines in meticulous detail the command and performance of the brave and controversial officers of the Union s main fighting force This study in command the first of a multi volume work is based entirely on manuscript sources many of which have never before been examined As a result the narrative and conclusions about the actions of many of the Union s prominent generals differ often significantly from traditional historical thinking What emerges is a much different picture of these men and how their personalities influenced their command decisions and the political atmosphere that influenced and determined their military careers The Army of the Potomac is about the leaders as men their successes and failures commanding the Union s largest army The Army of the Potomac: McClellan takes command, September 1861-February 1862 Russel Harrison Beatie,2002 A wide ranging study of the Army s leaders and their decisions Jacket

In the Shadow of McClellan Jeffrey Green,2014-01 The Union struggled to achieve an effective high command during the first two years of the American Civil War Much of the Union s military attention in the first two years of the war was focused near Washington where General McClellan commanded the Army of the Potomac McClellan intended to defeat the Confederacy by capturing Richmond This failed and he was eventually sacked by President Lincoln McClellan s sacking provoked a revolt among senior officers in this army which sought to return McClellan to command This revolt reveals much about the Union as it tried to establish a system of high command The study of Union s high command and Union strategy has been neglected in favour of the study of battles and generals This book attempts to redress the imbalance and explore

whether the Union had the high command in place to provide the framework for victory Report of Major-General George B. McClellan George Brinton McClellan,1864 The Army of the Potomac from 1861 to 1863 Samuel Livingston French,1906 **The Army of the Potomac: Birth of command, November 1860-September 1861** Russel Harrison Beatie,2002 Here is the first detailed and comprehensive study of the Army of the Potomac the Union s largest and most important army in the field throughout the Civil War It is the first volume in a multipart work that will be the Union counterpart to Douglas Southall Freeman s award winning epic Lee s Lieutenants A Study in Command Like Freeman Russel H Beatie meticulously examines the relationships and performance of the high ranking officers of one army the Army of the Potomac as well as those who served in the satellite forces that also operated in the Eastern Theater He draws almost entirely on manuscript sources many previously unexamined and thus reaches conclusions about the actions of the Union s prominent generals that differ often significantly from traditional historical thinking Jacket flap *The Army of the Potomac; Volume 1* George Brinton McClellan,2023-07-18 General George B McClellan provides a gripping account of his experiences as the commander of the Union s Army of the Potomac during the American Civil War From the Peninsula Campaign to the battles of Antietam and Fredericksburg this book takes readers on a dramatic journey through one of the most pivotal moments in US history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Report of Major-General George B. Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186 has opened up a world of possibilities. Downloading Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be

cautious while downloading Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Army Of The Potomac Vol 2 Mcclellan Takes Command September 1861 February 186 Books
