Chain Saw:

Chain Saw Safety U.S. Consumer Product Safety Commission, 1981 Chain Saw Confidential Gunnar

Hansen, 2013-09-24 When The Texas Chain Saw Massacre first hit movie screens in 1974 it was both reviled and championed. To critics it was either a degrading senseless misuse of film and time or an intelligent absorbing and deeply disturbing horror film. However it was an immediate hit with audiences. Banned and celebrated, showcased at the Cannes film festival and included in the New York MoMA's collection, it has now come to be recognized widely as one of the greatest horror movies of all time. A six foot four poet fresh out of grad school with limited acting experience, Gunnar Hansen played the masked chain saw wielding Leatherface. His terrifying portrayal and the inventive work of the cast and crew would give the film the authentic power of nightmare even while the gritty, grueling and often dangerous independent production would test everyone involved and lay the foundations for myths surrounding the film that endure even today. Critically acclaimed author Hansen here tells the real story of the making of the film, its release and reception, offering unknown behind the scenes details, a harrowingly entertaining account of the adventures of low budget filmmaking, illuminating insights on the film's enduring and influential place in the horror genre and our culture, and a thoughtful meditation on why we love to be scared in the first place. Augustine, 2004-02-20 This is a lengthy but exciting novel of how a promising young boy becomes molded into a horrific individual. It explains about the person's life in such detail that emotions literally explode into a wavering array of unintermittable events. Leading to endless scenes of inhumane atrocities. Feeding on this individual's frail and developing psyche. ALLEN SHAW The chainsaw man became what all people would come to fear the most. Something out of our darkest dreams. Driven solely by an incurable rage inflicted on him by a mixture of influences. Taking the reader directly into the mind of this gruesome monster of a man who carries a chainsaw. Dwelling in the famed BIG THICKET or Texas. This novel will take one literally back to a time in the 1960s/1970s. Its drastically different ways of thinking and ways of life. Where the great American landscapes were still fiercely ever in tact. Its values and ways of conversing with all that is inside. Its ways of being. A literally terrifying novel where one is chased forever in this thick tangle of jungle like Texas land. A blood encrusted warrior who does the unspeakable. It will undoubtedly frighten but it will equally reveal a heartfelt pain that is very real among most.

of us The need to be loved and accepted This torture survivor remembers a different place a different time It is told now in the long gone genre of a good old fashioned horror slash thriller that WE of the 70s know and will fondly recall I take the reader by the hand and lead him into my world Where the realities that men do unto unsuspecting others The horrific impact following The literal mental state that thrives ever so fluently in the collective unconscious of modern man Never forget that he is stalking you Dont go in the woods alone The CHAIN SAW MAN is coming For the chain saw man will forever live in infamy In the back woods of us all
