Challengers Competition And Reelection Comparing Senate And House Elections:

Challengers, Competition, and Reelection Jonathan S. Krasno, 1997-02-01 Why do US Senators have a harder time winning re election than members of the House of Representatives This text argues that Senate challengers are more likely to be experienced politicians who wage intense costly media campaigns than are those who take on House incumbents

The Oxford Handbook of American Elections and Political Behavior Jan E. Leighley, 2012-02-16 The Oxford Handbooks of American Politics are the essential guide to the study of American political life in the 21st Century With engaging contributions from the major figures in the field The Oxford Handbook of American Elections and Political Behavior provides the key point of reference for anyone working in American Politics today

In Defense of Judicial Elections Chris W. Bonneau, Melinda Gann Hall, 2009-06-02 One of the most contentious issues in politics today is the propriety of electing judges Ought judges be independent of democratic processes in obtaining and retaining their seats or should they be subject to the approval of the electorate and the processes that accompany popular control While this debate is interesting and often quite heated it usually occurs without reference to empirical facts or at least accurate ones Also empirical scholars to date have refused to take a position on the normative issues surrounding the practice Bonneau and Hall offer a fresh new approach Using almost two decades of data on state supreme court elections Bonneau and Hall argue that opponents of judicial elections have made and continue to make erroneous empirical claims They show that judicial elections are efficacious mechanisms that enhance the quality of democracy and create an inextricable link between citizens and the judiciary In so doing they pioneer the use of empirical data to shed light on these normative questions and offer a coherent defense of judicial elections This provocative book is essential reading for anyone interested in the politics of judicial selection law and politics or the electoral process Part of the Controversies in Electoral Democracy and Representation series edited by Matthew J Streb

The Oxford Handbook of the American Congress Eric Schickler, Frances E. Lee, 2013-03-14 No legislature in the world has a greater influence over its nation s public affairs than the US Congress The Congress s centrality in the US system of government has placed research on Congress at the heart of scholarship on American politics Generations of American government scholars working in a wide range of methodological traditions have focused their analysis on understanding Congress both as a lawmaking and a representative institution The purpose of this volume is to take stock of this impressive and diverse literature identifying areas of accomplishment and promising directions for future work The editors have commissioned 37 chapters by leading scholars in the field each chapter critically engages the scholarship focusing on a particular aspect of congressional politics including the institution s responsiveness to the American public its procedures and capacities for policymaking its internal procedures and development relationships between the branches of government and the scholarly methodologies for approaching these topics The Handbook also includes chapters addressing timely questions including partisan polarization congressional war powers and the

supermajoritarian procedures of the contemporary Senate Beyond simply bringing readers up to speed on the current state of research the volume offers critical assessments of how each literature has progressed or failed to progress in recent decades The chapters identify the major questions posed by each line of research and assess the degree to which the answers developed in the literature are persuasive The goal is not simply to tell us where we have been as a field but to set an agenda for research on Congress for the next decade The Oxford Handbooks of American Politics are a set of reference books offering authoritative and engaging critical overviews of the state of scholarship on American politics Each volume focuses on a particular aspect of the field The project is under the General Editorship of George C Edwards III and distinguished specialists in their respective fields edit each volume The Handbooks aim not just to report on the discipline but also to shape it as scholars critically assess the scholarship on a topic and propose directions in which it needs to move The series is an indispensable reference for anyone working in American politics General Editor for The Oxford Handbooks of American Politics George C Edwards III

The Changing Face of Representation Kim Fridkin, Patrick Kenney, 2014-03-24 Gender matters in communication media portrayals and citizens attitudes toward senators

The New Politics of North Carolina Christopher A. Cooper, H. Gibbs Knotts, 2012-09-01 Political scientist V O Key in 1949 described North Carolina as a progressive plutocracy He argued that in the areas of industrial development public education and race relations North Carolina appeared progressive when compared to other southern states Reconsidering Key's evaluation nearly sixty years later contributors to this volume find North Carolina losing ground as a progressive leader in the South The new politics of the state involves a combination of new and old new opportunities and challenges have forced the state to change but the old culture still remains a powerful force In the eleven essays collected here leading scholars of North Carolina politics offer a systematic analysis of North Carolina's politics and policy placed in the context of its own history as well as the politics and policies of other states Topics discussed include the evolution of politics and political institutions the roles of governors the judicial branch interest groups and party systems and the part played by economic development and environmental policy Contributors also address how geography affects politics within the state region and nation Designed with students and interested citizens in mind this collection provides an excellent introduction to contemporary North Carolina politics and government Contributors Hunter Bacot Elon University Christopher A Cooper Western Carolina University Thomas F Eamon East Carolina University Jack D Fler Wake Forest University Dennis O Grady Appalachian State University Ferrel Guillory University of North Carolina at Chapel Hill Sean Hildebrand Western Carolina University Jonathan Kanipe Town Manager Catawba North Carolina H Gibbs Knotts Western Carolina University Adam J Newmark Appalachian State University Charles Prysby University of North Carolina at Greensboro Ruth Ann Strickland Appalachian State University James H Svava Arizona State University Timothy Vercellotti Rutgers University

Multidimensional Democracy Jeffrey J. Harden, 2016 This book examines four unique dimensions of American political representation from the supply legislator and demand constituent

perspectives Encyclopedia of U.S. campaigns, elections, and electoral behavior Kenneth F. Warren, 2008-04-04 These approximately 450 articles explore all topics relevant to American political campaigns elections and electoral behaviour including some cross cultural comparisons to help place American trends in a global context The Hand of the Past in Contemporary Southern Politics James M. Glaser, 2008-10-01 div A central story of contemporary southern politics is the emergence of Republican majorities in the region s congressional delegation Acknowledging the significance and scope of the political change James M Glaser argues that nevertheless strands of continuity affect the practice of campaign politics in important ways Strong southern tradition underlies the strategies pursued by the candidates their presentational styles and the psychology of their campaigns The author offers eyewitness accounts of recent congressional campaigns in Texas Mississippi Virginia North Carolina and South Carolina In the tradition of his award winning book Race Campaign Politics and the Realignment in the South Glaser captures the stuff of politics the characters the images the rhetoric and the scenery Painting a full and fascinating picture of what it is like on the campaign trail Glaser provides wide ranging insights into the ways that the hand of the past reaches into the southern present DIV **Competitive Elections and Democracy in America** Heather K. Evans, 2014-02-03 Competition seems to be an inevitable part of present day elections in the United States However recent publications have debated whether we should encourage or discourage competitive elections In Competitive Elections and Democracy in America Heather Evans closely examines the debate over competition in elections and questions whether or not they are beneficial for democracy in the US Evans clearly lays out the basis of the debate over competition and defines what exactly constitutes a competitive election She then uses an innovative data set that she assembled to analyze the 2006 2010 congressional elections testing whether the competitiveness of an election affects citizens political knowledge political interest and opinions of Congress their representatives and the governmental system as a whole She subsequently evaluates the positive effects that competitive elections have on constituencies and in turn gives equal weight to the negative effects An examination of the effects ugly campaigns have on voters is also incorporated relevant to today s oft used mud slinging campaign tactics Evans concludes with a thoughtful and analytical assessment of whether competition is valuable for elections and how to increase competition if it indeed has merit for political campaigns Through the book s analyses Evans demonstrates that competitive elections do have lasting effects on voters that go beyond just the length of a campaign Her research reinforces the vital role that political competition plays in modern democracies and offers a careful evaluation of how and why competitive elections affect citizens in the US **Press "ONE" for English** Deborah J. Schildkraut, 2013-10-24 Press ONE for English examines how Americans form opinions on language policy issues such as declaring English the official language printing documents in multiple languages and bilingual education Deborah Schildkraut shows that people s conceptions of American national identity play an integral role in shaping their views Using insights from American political thought and intellectual history she highlights several components of that identity and shows

how they are brought to bear on debates about language Her analysis expands the range of factors typically thought to explain attitudes in such policy areas emphasizing in particular the role that civic republicanism s call for active and responsible citizenship plays in shaping opinion on language issues Using focus groups and survey data Schildkraut develops a model of public conceptions of what it means to be American and demonstrates the complex ways in which people draw on these conceptions when forming and explaining their views In so doing she illustrates how focus group methodology can help yield vital new insights into opinion formation With the rise in the use of ballot initiatives to implement language policies understanding opinion formation in this policy area has become imperative This book enhances our understanding of this increasingly pressing concern and points the way toward humane effective and broadly popular language policies that address the realities of American demographics in the twenty first century while staying true to the nation s most revered values

Self-Financed Candidates in Congressional Elections Jennifer A. Steen,2009-09-08 Are our elections for sale Americans have long asked this question in the face of skyrocketing campaign spending by candidates and parties Then in the 1990s came a wave of wealthy individuals whose deep pockets seemed to be buying political offices across the country Our worst suspicions were confirmed Or were they What effect do self financiers really have on electoral outcomes Jennifer Steen s authoritative empirical study of self financed candidates is a landmark in American politics Steen thoroughly dispels the notion that self funded candidates can buy legislative seats proving that the vast majority of self financiers do not win their elections Her book gives us a truer understanding of self financiers actual influence on campaign competition and rhetoric Jennifer A Steen is Assistant Professor of Political Science at Boston College and a former political consultant She is one of the nation s leading authorities on self financed candidates

The Politics of Congressional Elections Gary C. Jacobson,Jamie L. Carson,2019-10-02 Jacobson and Carson provide students with a comprehensive introduction to congressional elections and the electoral process The tenth edition offers an engaging examination of congressional candidates campaigns and elections by incorporating coverage of the most recent elections and the changing roles of voters incumbents challengers and campaign contributions It examines the first two years of the Trump presidency and its impact on the 2018 midterms with respect to the large number of female candidates running for office and the enormous amounts of money spent by challengers This edition also highlights the referendum narrative underlying the election in response to behavior and events in the Trump administration By pairing historical data analysis and original research with fundamental concepts of representation and responsibility The Politics of Congressional Elections presents students with the tools to evaluate representative government as well as their own role in the electoral process

Congressional Representation and Constituents Brian Frederick,2009-12-04 Brian Frederick uses empirical data to scrutinize whether representation has been diminished by keeping a ceiling on the number of seats available in the House and argues that now is the time for the House to be increased in order to better represent a rapidly growing country

The Spectacle of U.S. Senate Campaigns Kim

Fridkin Kahn, Patrick J. Kenney, 2021-03-09 This book offers a bold comprehensive look at how campaigns actually work from the framing of issues to media coverage to voters decisions In so doing it challenges the common wisdom that campaigns are a noisy symbolic aspect of electoral politics in which the outcomes are determined mainly by economic variables or presidential popularity Campaigns the authors argue do matter in the political process Examining contested U S Senate races between 1988 and 1992 Kim Kahn and Patrick Kenney explore the details of the candidates strategies and messages the content tone and bias of the media coverage and the attitudes and behaviors of potential voters Kahn and Kenney discover that when the competition between candidates is strong political issues become clearly defined and the voting population responds Through a mix of survey data content analysis and interviews the authors demonstrate how competition influences serious political debates in elections Candidates take stands and compare themselves to their opponents The news media offer more coverage of the races presenting evaluations of the candidates positions critiques of their political careers and analyses of their campaign ads In response the voters pay closer attention to the rhetoric of the candidates as they learn more about central campaign themes often adjusting their own voting criteria The book concentrates on Senate races because of the variance in campaign strategy and spending media coverage and voter reactions but many of the findings apply to elections at all levels

Stalemate Sarah A. Binder, 2004-05-13 Gridlock is not a modern legislative condition Although the term is said to have entered the American political lexicon after the 1980 elections Alexander Hamilton complained about it more than two hundred years ago In many ways stalemate seems endemic to American politics Constitutional skeptics even suggest that the framers intentionally designed the Constitution to guarantee gridlock In **Stalemate** Sarah Binder examines the causes and consequences of gridlock focusing on the ability of Congress to broach and secure policy compromise on significant national issues Reviewing more than fifty years of legislative history Binder measures the frequency of deadlock during that time and offers concrete advice for policymakers interested in improving the institutional capacity of Congress Binder begins by revisiting the notion of framers intent investigating whether gridlock was the preferred outcome of those who designed the American system of separated powers Her research suggests that frequent policy gridlock might instead be an unintended consequence of constitutional design Next she explores the ways in which elections and institutions together shape the capacity of Congress and the president to make public law She examines two facets of its institutional evolution the emergence of the Senate as a coequal legislative partner of the House and the insertion of political parties into a legislative arena originally devoid of parties Finally she offers a new empirical approach for testing accounts of policy stalemate during the decades since World War II These measurements reveal patterns in legislative performance during the second half of the twentieth century showing the frequency of policy deadlock and the legislative stages at which it has most often emerged in the postwar period Binder uses the new measure of stalemate to explain empirical patterns in the frequency of gridlock The results weave together the effects of institu **Congress and**

the Presidency Michael Foley, John E. Owens, 1996 The authors emphasise the dynamism of America's foremost political institutions within a democratic system They examine recent developments in relation to the wider context of United States politics and reassert the importance of institutions in understanding this unique political system *The Politics of Congressional Elections* Jamie L. Carson, Gary C. Jacobson, 2023-08-21 The Politics of Congressional Elections is the most authoritative and accessible introduction available on congressional elections and the electoral process By pairing historical data analysis and original research with fundamental concepts of representation and responsibility Carson and Jacobson help students develop the tools to evaluate Congress as well as their own role in the electoral process The eleventh edition offers an engaging examination of congressional candidates campaigns and elections by incorporating coverage of the most recent elections and the changing roles of voters incumbents challengers and campaign contributions This edition also highlights the impact of the January 6th insurrection inflation and the economy the Russian invasion of Ukraine infrastructure legislation and the narrowing majorities in both chambers Brought completely up to date with the latest data from the American National Election Study the Cooperative Election Study and the Federal Election Commission and including coverage and analysis of the 2020 and 2022 elections this seminal work continues to offer a systematic account of what goes on in congressional elections Moreover the authors framing demonstrates how electoral politics reflect and shape other components of the American political system with profound consequences for representative government Key revision highlights include Updated coverage through the 2022 elections including congressional primaries Expanded analysis of campaign finance and voter behavior in recent elections Updated figures and tables with color versions available in the e book and PowerPoint slides Greater emphasis on nationalized politics and a return to more party centered elections Enhanced analysis of congressional elections data back to the pre Civil War era *The Legislative Legacy of Congressional Campaigns* Tracy Sulkin, 2011-04-11 Do members of Congress follow through on the appeals they make in campaigns The answer to this question lies at the heart of assessments of democratic legitimacy This study demonstrates that contrary to the conventional wisdom that candidates appeals are just cheap talk campaigns actually have a lasting legacy in the content of representatives and senators behavior in office Levels of promise keeping vary in a systematic fashion across legislators across types of activity across time and across chamber Moreover legislators responsiveness to their appeals shapes their future electoral fortunes and career choices and their activity on their campaign themes leaves a tangible trace in public policy outputs Understanding the dynamics of promise keeping thus has important implications for our evaluations of the quality of campaigns and the strength of representation in the United States *What's Law Got to Do With It?* Charles Gardner Geyh, 2011-08-09 Top US legal scholars and political scientists examine how the law shapes judges behavior and decisions and what it means for society at large Although there is a growing consensus among legal scholars and political scientists significant points of divergence remain Contributors to What's Law Got to Do with It explore ways to reach greater accord on

the complexity and nuance of judicial decision making and judicial elections while acknowledging that agreement on what judges do is not likely to occur any time soon As the first forum in which political scientists and legal scholars engage with one another on these hot button issues this volume strives to establish a true interdisciplinary conversation The inclusion of reactions from practicing judges puts into high relief the deep seated and opposing beliefs about the roles of law and politics in judicial work Praise for What s Law Got to Do with It Geyh associate dean for research and John F Kimberling professor of law Indiana Univ School of Law is well qualified to edit this reader about the interaction of law and politics in contemporary society The contributors are among the very best scholars in the legal and political science realm The writing is lively and easy to follow for the somewhat sophisticated reader Highly recommended Choice Readers will find these essays fascinating thoughtful and sometimes infuriating as conventional disciplinary wisdom is defended modified and refuted The result is a terrific text for all students of the legal process Mark A Graber University of Maryland This volume pulls together an excellent cast to examine one of the most intriguing and most difficult questions in the study of law and politics today what role does law play in the job of judging There is a lot to learn in these pages and this book does a fine job of pushing the conversation forward Keith Whittington Princeton University

Challengers Competition And Reelection Comparing Senate And House Elections Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Challengers Competition And Reelection Comparing Senate And House Elections free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Challengers Competition And Reelection Comparing Senate And House Elections free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Challengers Competition And Reelection Comparing Senate And House Elections free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Challengers Competition And Reelection Comparing Senate And House Elections. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Challengers Competition And Reelection Comparing Senate And House Elections any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Challengers Competition And Reelection Comparing Senate And House Elections Books

1. Where can I buy Challengers Competition And Reelection Comparing Senate And House Elections books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
