Let All the Little Children Come to Me Malesa Breeding,Jerry E. Whitworth,Dana Hood,Jerry Whitworth,2013-03-17 It is

said that everyone has a story to tell a voice that deserves to be heard There are many thousands of children with special needs who have long been ignored rejected and excluded from our schools our communities and sadly from our Bible classes We believe that these children are loved deeply and completely by our Lord and that they too are called to come unto Him This book speaks to the heart and to the head Teachers and pastors will find inspiration and information reminding them that God calls us to include all children no matter the challenge In addition the book includes wonderfully practical elements with many ideas that can be easily integrated into any classroom By combining philosophy and strategies this book will equip the typical church volunteer teacher to meet the needs of all the children in her classroom **Play, Projects, and Preschool**

Standards Gera Jacobs, Kathy Crowley, 2007 The ideas in this book will seem familiar and nonthreatening yes teachers can indeed use what they already know and what their children love but they can also enhance and expand favorite activities enriching the educational benefits of everyday experiences From the Foreword by Marilou Hyson Stimulate children's love of learning while meeting standards and benchmarks Teachers today are often challenged by and concerned about the expectations in states early learning standards They have questions about their appropriateness implementation and tendency to overlook the needs of the growing number of children who are second language learners or who have disabilities and developmental delays In *Play Projects and Preschool Standards* authors Gera Jacobs and Kathy Crowley tackle these questions and more head on providing teachers with plenty of lively creative ideas to develop children's genuine curiosity while building the skills they'll need to succeed in kindergarten and beyond In inviting informal language the authors walk readers through the creation of well planned projects and activities that both capture children's interest and enhance social and pre academic development Each chapter offers What Research and the Experts Say snapshots and applications of the research in practice Try This activity ideas that engage children and meet standards Suggestions for tailoring activities to meet the needs of bilingual children and children with special needs This timely book is sure to give teachers the confidence and competence they need to connect the experiences that make preschool so enjoyable with the skill development that makes preschool so necessary Teaching and Leading with Emotional Intelligence Peggy Daly Pizzo, 2018 In this much needed text the author provides dilemma based teaching cases that teachers and early childhood leaders can analyze and discuss to build problem solving and decision making skills Readers will reflect on challenges they are likely to experience in practice addressing issues such as linguistically and culturally isolated children children refusing to share with others high energy children struggling to develop self regulation and executive function and children experiencing trauma They will also examine issues related to inadequate resources and teacher compensation Each case portrays early childhood practitioners as they transform challenging scenarios into opportunities for the growth of social and emotional skills This one of a kind resource can be used for professional development for courses that address the emotional and social development of young children and with students beginning their supervised field experience to help bridge their research and practice Book

Features Original teaching cases that combine research theory and the experiences of highly skilled teachers and leaders
Compelling narratives that encourage students to generate and share inner portfolios of emotionally intelligent strategies
Discussion questions for each case designed to stimulate analytic and critical reasoning
Resources for Delving Deeper for both research and best practice program guidance
