Royal Bastards

Sara McDougall, 2017 The stigmatization as bastards of children born outside of wedlock is commonly thought to have emerged early in Medieval European history Christian ideas about legitimate marriage it is assumed set the standard for legitimate birth Children born to anything other than marriage had fewer rights or opportunities They certainly could not become king or queen As this volume demonstrates however well into the late twelfth century ideas of what made a child a legitimate heir had little to do with the validity of his or her parents union according to the dictates of Christian marriage law Instead a child s prospects depended upon the social status and above all the lineage of both parents To inherit a royal or noble title being born to the right father mattered immensely but also being born to the right kind of mother Such parents could provide the most promising futures for their

children even if doubt was cast on the validity of the parents marriage Only in the late twelfth century did children born to illegal marriages begin to suffer the same disadvantages as the children born to parents of mixed social status Even once this change took place we cannot point to the Church as instigator Instead exclusion of illegitimate children from inheritance and succession was the work of individual litigants who made strategic use of Christian marriage law This new history of illegitimacy rethinks many long held notions of medieval social political and legal history The Dietrich and Garbo Murder Cases George Baxt,2000 The School Visitor ,1891 **The Duel** John Ibbitson,2025-08-19 NATIONAL BESTSELLER A GLOBE AND MAIL BEST BOOK OF THE YEAR The brilliant critically acclaimed story of two legendary leaders who fought each other relentlessly but between them created today s Canada John Diefenbaker has been unfairly treated by history Although he wrestled with personal demons his governments launched major reforms in public health care law reform and immigration On his watch First Nations on reserve obtained the right to vote and the federal government began to open up the North He established Canada as a leader in the struggle against apartheid in South Africa and took the first steps in making Canada a leader in the fight against nuclear proliferation And Diefenbaker s Bill of Rights laid the groundwork for the Charter of Rights and Freedoms He set in motion many of the achievements credited to his successor Lester B Pearson Pearson in turn gave coherence to Diefenbaker s piecemeal reforms He also pushed Parliament to adopt a new and now much loved Canadian flag against Diefenbaker s fierce opposition Pearson understood that if Canada were to be taken seriously as a nation it must develop a stronger sense of self Pearson was superbly prepared for the role of prime minister decades of experience at External Affairs respected by leaders from Washington to Delhi to Beijing the only Canadian to win the Nobel Prize for Peace Diefenbaker was the better politician though If Pearson walked with ease in the halls of power Diefenbaker connected with the farmers and small town merchants and others left outside the inner circles Diefenbaker was one of the great orators of Canadian political life Pearson spoke with a slight lisp Diefenbaker was the first to get his name in the papers as a crusading attorney Diefenbaker for the Defence champion of the little man But he struggled as a politician losing five elections before making it into the House of Commons until his ascension to the Progressive Conservative leadership in 1956 through a freakish political accident As a young university professor Pearson caught the attention of the powerful men who were shaping Canada s first true department of foreign affairs rising to prominence as the helpful fixer the man both sides trusted the embodiment of a new country that had earned its place through war in the counsels of the great powers ambassador undersecretary minister peacemaker Everyone knew he was destined to be prime minister But in 1957 destiny took a detour Then they faced each other Diefenbaker v Pearson across the House of Commons leaders of their parties each determined to wrest and hold power in a decade long contest that would shake and shape the country
