

By taking a few chances, Adam
was starting to see that life
never completely gave up on
you, if you didn't give up on it.

The Fundamentals of Clinical Neuropsychiatry Michael Alan Taylor,1999 In a clear and engaging style he explains what to do and how to do it giving the rationale for each step and synthesizing neuropsychiatric principles with practical guidelines for diagnosis and management of adult patients BOOK JACKET

Bandage, Sort, and Hustle Josh Seim,2020-02-04 What is the role of the ambulance in the American city The prevailing narrative provides a rather simple answer saving and transporting the critically ill and injured This is not an incorrect description but it is incomplete Drawing on field observations medical records and his own experience as a novice emergency medical technician sociologist Josh Seim reimagines paramedicine as a frontline institution for governing urban suffering Bandage Sort and Hustle argues that the ambulance is part of a fragmented regime that is focused more on neutralizing hardships which are disproportionately carried by poor people and people of color than on eradicating the root causes of agony Whether by compressing lifeless chests on the streets or by transporting the publicly intoxicated into the hospital ambulance crews tend to handle suffering bodies near the bottom of the polarized metropolis Seim illustrates how this work puts crews in recurrent and sometimes tense contact with the emergency department nurses and police officers who share their clientele These street level relations however cannot be understood without considering the bureaucratic and capitalistic forces that control and coordinate ambulance labor from above Beyond the ambulance this book motivates a labor centric model for understanding the frontline governance of down and out populations
