Chanel's War Richard Wallace, 2025-09-04 INTERVIEWER Well let me make it easier for you Which side were you on COCO CHANEL On neither side of course I stood up for myself as I always have done Nobody has ever told Coco Chanel what to think A few days after Paris was liberated from the Nazis in August 1944 the most notorious fashion couturi re in the world collapsed on a hotel bed in Switzerland after escaping the French capital and certain death How did an exhausted Coco Chanel get there and who helped her evade warring Allied and German troops For eighty years this incredible feat of courage luck and ingenuity in the midst of immense danger has been deliberately shrouded in disinformation and secrecy by family friends wary governments risk averse business partners and fellow collaborators until now Using previously overlooked sources including declassified French R sistance papers and evidence from organised crime figures Chanel s War can finally reveal what really happened to Coco Chanel at the end of the Second World War *The Biopic in Contemporary Film Culture* Tom Brown, Belén Vidal, 2013-12-17 The biographical film or biopic is a staple of film production in all major film industries and yet within film studies its generic aesthetic and cultural significance has remained underexplored The Biopic in Contemporary Film Culture fills this gap conceptualizing the biopic with a particular eye toward the life of the genre internationally New theoretical approaches combine with specially commissioned chapters on contemporary biographical film production in India Italy South Korea France Russia Great Britain and the US in order to present a selective but well rounded portrait of the biopic s place in film culture From Marie Antoinette to The Social Network the pieces in this volume critically examine the place of the biopic within ongoing debates about how cinema can and should represent history and real lives Contributors discuss the biopic s grounding in the conventions of the historical film and explore the genre s defining traits as well as its potential for innovation The Biopic in Contemporary Film Culture expands the critical boundaries of this evolving versatile genre *The Collection* Gioia Diliberto, 2008-09-02 From the critically acclaimed author of I Am Madame X comes this compulsively readable novel set in Paris in 1919 about a young woman who discovers the glamor and ruthlessness of haute couture at Coco Chanel *New York Magazine* , 1981-11-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Mdivani Saga** David Gigauri, 2024-10-28 What do Chanel Sherlock Holmes Salvador Dali and the world s richest heiress have in common they were all part of the Mdivani entourage The Mdivani Saga is an astonishing biographical account of one of the 20th century s most captivating families *El alma de la comética* Ángeles Sánchez-Cueca, 2013 Annotation During the last few years the world s luxury cosmetic and perfume market has reinvented itself for a public that is more and more demanding and elitist and expects more from
